Recovering Biblical Manhood and Womanhood (Revised Edition) - John Piper 2021-01-11

A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like *Recovering Biblical Manhood and Womanhood* help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.

**As Christ Submits to the Church** - Alan G. Padgett 2011-08-01

What does the Bible really say about gender, the ethics of submission, and male-female roles? In this book, well-regarded theologian Alan Padgett offers a fresh approach to the debate. Through his careful interpretation of Paul's letters and broader New Testament teaching, the

author shows how Christ's submission to the church models an appropriate understanding of gender roles and servant leadership. As Christ submits to the church, so all Christians must submit to, serve, and care for one another. Padgett articulates a creative approach to mutual submission and explores its practical outworking in the church today, providing biblical and ethical affirmation for equality in leadership.

Women, Men, and the Trinity - Nancy Hedberg 2010-04-01

There is a gridlock in churches today regarding the role of women. This debate extends beyond the relationship between men and women. In 1 Corinthians 11:3, when Paul says, "the head of woman is man, and the head of Christ is God," he is drawing a parallel between the relationship of men and women and the relationship of the Father and the Son within the Trinity. This book explores the controversial theological premise that, while maintaining equality of essence, functionally the Son is eternally subordinate to the Father and women are permanently subordinate to men. Nancy Hedberg shares from her research and personal experience to make the case that equality of essence on the one hand, and permanent functional subordination on the other-whether applied to the Trinity or the relationship between men and women-is a questionable premise and is not supported logically, historically, or biblically. *Women, Men, and the Trinity* includes contemporary, historical, and biblical

research regarding functional and essential equality and explores the practical implications of true equality.

**Encyclopedia of Evangelicalism** - Randall Herbert Balmer 2004

In this completely revised and expanded edition of the Encyclopedia of Evangelicalism, Randall Balmer gives readers the most comprehensive resource about evangelicalism available anywhere. With over 3,000 separate entries, the Encyclopedia of Evangelicalism covers historical and contemporary theologians, preachers, laity, cultural figures, musicians, televangelists, movements, organizations, denominations, folkways, theological terms, events, and much more--all penned in Balmer's engaging style. Students, scholars, journalists, and laypersons will all benefit from Balmer's insights.

**Essays on Women in Earliest Christianity, Volume 1** - Carroll D. Osburn 2007-07-01

Contributors Frederick D. Aquino Allen Black Mark C. Black Barry L. Blackburn Randall D. Chesnutt Jeffrey W. Childers Larry Chouinard Everett Ferguson Thomas C. Greer Jr. Jan Faver Hailey Stanley N. Helton A. Brian McLemore Marcia D. Moore Kenneth V. Neller L. Curt Niccum Carroll D. Osburn J. Paul Pollard Kathy J. Pulley Gregory E. Sterling James W. Thompson James Walters John Willis

*A Theology for the Church* - Dr. Daniel L. Akin 2014-06

Leading Baptist thinkers Daniel L. Akin, R. Albert Mohler, Jr., Paige Patterson, Mark Dever, et al. address four major issues in regard to eight Christian doctrines (revelation, God, humanity, Christ, the Holy Spirit, salvation, the Church, and last things). Revised edition.

**Women, Leadership, and the Bible** - Natalie R. Wilson Eastman 2014-05-16

What do you believe about women's roles in church leadership? Should women lead groups that include men? Should women preach? Should women be ordained? More importantly, why do you believe what you believe? Plenty of books exist telling women what to think; precious few help women think for themselves, particularly about theological issues. *Women, Leadership, and the Bible* helps women learn to interpret the Bible and discern for themselves answers to their questions about

women's roles in the church, along with any other issue they may face in life. In straightforward, plain language, Dr. Natalie Eastman introduces women to a five-step, easy-to-follow process for studying the Bible and interpreting what they study. [NOTE to designer: if there is not enough space on the back cover then cut the following section in italics] This book encourages women that they can think for themselves and can analyze significant theological issues, despite any hesitations they may have, any conflict surrounding an issue, or any lack of theological training. By the time readers finish this book, they will have a biblically defensible, theologically reasoned, and thoroughly discerned understanding of what they believe Scripture says about women's roles and how that understanding could play out within the church. No longer will they feel as though they have nothing to contribute when the subject of women's roles--or any other of life's theological questions--arises.

*The Redemption of Love* - Carrie A. Miles 2006-04-01

Competing answers to dilemmas involving love, sex, marriage, and family scream to us from nearly everywhere. *The Redemption of Love* reveals what the Bible has to say about these issues by applying the growing economic study of religion. Using Genesis, Jesus, Paul, and the Song of Songs, Carrie Miles outlines a consistent description of biblical love throughout Scripture, asserting that it is the only effective solution in today's battle to save marriage and family. This book is a valuable tool for clergy and laypeople.

**Dishonoured and Unheard: Christian Women and Domestic Violence** - Daphne Marsden 2018

It is not easy for Christian women experiencing domestic abuse to find well informed and safe spiritual care. However, in this book these women, along with pastors, counsellors, theology students, and friends will find guidance grounded in scripture. Forgiveness, marriage as a covenant, headship, and submission are explored. Drawing from women's stories, researchers, and biblical scholars this book offers a compassionate response to Christian women living with and recovering from domestic violence.

**Temptations Women Face** - Mary Ellen Ashcroft 1993-06-02

Describing how several common temptations hook into particular needs and motivations of women, Mary Ellen Ashcroft stresses that God's intention is not only that we avoid, resist and overcome temptation, but that we use it to fire our spiritual growth in areas of life we have neglected.

*Gender Roles & the Bible: Creation, the Fall, & Redemption: A Critique of Feminist Biblical Interpretation* - Jack Cottrell 1994-12

What does the Bible teach about gender roles? Is there a difference as seen in Scripture? Understanding the debate over biblical feminism is essential to answering the questions about the role of women in the church. In this book, Dr. Cottrell "stands squarely in the path of the evangelical feminists who want to prove that the Bible agrees with their egalitarian views" (Clark H. Pinock, Ph.D., McMaster Divinity College). Lightning Print On Demand Title.

**Men and Women in the Church** - Sarah Sumner 2009-09-20

Evangelicals stand divided in their view of women in the church. On one side stand complementarians, arguing the full worth of women but assigning them to differing roles. On the other side stand egalitarians, arguing that the full worth of women demands their equal treatment and access to leadership roles. Is there a way to mend the breach and build consensus? Sarah Sumner thinks there is. Avoiding the pitfalls of both radical feminism and reactionary conservatism, she traces a new path through the issues--biblical, theological, psychological and practical--to establish and affirm common ground. Arguing that men and women are both equal and distinct, Sumner encourages us to find ways to honor and benefit from the leadership gifts of both. *Men and Women in the Church* is a book for all who want a fresh and hope-filled look at a persistent problem.

*Beyond Sex Roles* - Gilbert Bilezikian 2006-10

This first-rate biblical and theological study offers an accessible examination of the key texts of Scripture pertinent to understanding female roles, affirming full equality of the sexes in family and church. The third edition has been revised throughout. Gilbert Bilezikian avoids using scholarly jargon and complex argumentation in the main text of the

book to encourage readers to interact with the biblical research. The aim is for nonspecialized readers to be able to follow his discussion step-by-step, evaluate arguments, consider alternative views, and arrive at independent conclusions. The study guide format of the book is designed for either individual investigation or group work. Pastors, church leaders, students, and those interested in issues relating to gender and church life will value this classic work on the egalitarian viewpoint.

*Still Side by Side* - Janet George

*Still Side by Side* is an introduction to biblical equality. Each chapter is introduced with a question and brief answer, followed by a more in depth explanation. It is a valuable resource for individuals or groups who are seeking answers to the questions surrounding gender and the church.

*How I Changed My Mind about Women in Leadership* - Alan F. Johnson 2010-11

This book features a number of autobiographical accounts as to how various persons have come to change their minds about women in leadership. Well-known Evangelical leaders individuals and couples, males and females from a broad range of denominational affiliation and ethnic diversity -share their surprising journeys from a more or less restrictive view to an open inclusive view that recognizes a full shared partnership of leadership in the home and in the church based on gifts not gender. *How I Changed My Mind About Women in Ministry* offers a positive vision for the future of women and men together as partners of equal worth without competitiveness in the work of equipping this and the next generation of Christian disciples for the work of ministry' and service in the Kingdom of God.

**The Maleness of Jesus** - Neil H. Williams 2011-01-01

At the center of Christianity is Jesus of Nazareth--whose maleness is used by many to justify the subordination of women and to emphasize that men, rather than women, better represent Jesus. This raises a number of questions that are the subject of this book. What is the significance of Jesus' maleness? Does it reveal the character of God? Is it foundational for the gospel? Is Jesus' maleness associated with an ongoing created order of male priority? Our answers will affect Christianity's task of love,

justice, and reconciliation in a world that is characterized by the global marginalization, oppression, and abuse of women.

**Image and Glory of God** - Michael Lakey 2019-05-30

This hermeneutical case-study illustrates the complexities of using biblical materials to shed light upon present-day concerns. The specific situation addressed is the recent evangelical controversy regarding gender roles. A significant strand of this debate concerns the relationship between gender and the doctrine of God. This proposition is derived from 1 Corinthians 11. Whilst aspects of this argument are criticized, Lakey also argues that questions of God and gender are related. 1 Corinthians 11:2-16 articulates sexual difference using the metaphysical language of antiquity, thereby situating the sexes vis-à-vis each other as microcosms of God and Christ vis-à-vis the cosmos. For Paul, the Church circumscribes that part of the cosmos able to express its creaturely relationship to God. However, modern interpreters arguably cannot share Paul's cosmological and anthropological assumptions. Lakey points us towards forging a solution for how to interpret as Christian Scripture a text that invites its readers to assume a stance that is now problematic for many modern Christians.

**Gifted to Lead** - Nancy Beach 2008

With warmth, humor and wisdom, a ministry leader and teaching pastor

shares the challenges and joys of her thirty-year journey. Nancy Beach encourages women with God-given leadership and teaching gifts that they are not alone, their gifts are not a mistake, and God has exceedingly important work for them to do.

Beyond Sex Roles - Gilbert G. Bilezikian 1986

*Journey's End* - Kathryn J. Riss Thm 2003-03-11

More than a narrow focus on a few verses, *Journey's End* applies the entire sweep of Scripture to illuminate passages that have puzzled Christians for generations, and have too often been misused to hurt women. God never intended this; let this book answer your questions and settle your heart! Reclaims Scripture as woman's Magna Charta Brings out St. Paul's true meaning and intent Sheds light on Genesis, Ephesians 5 and I Corinthians 11 and 14 Provides a fresh translation of I Timothy 2:12-15 based on Greek grammar Spotlights the cultural concerns Paul addressed Corrects "traditionalist" errors of translation, interpretation, and Bible doctrine Liberates Christian marriage Takes the sting out of the "problem passages" Sets women free to be all God wants! The "serpent's seed" has attacked God's daughters long enough. It's time for the truth to set them free! You will be refreshed, challenged and inspired by this thought-provoking book.
