

# **Bisexuality In The Lives Of Men**

**Stigma and Sexual Orientation** Society for the Psychological Study of Lesbian and Gay Issues 1998 Sponsored by the Society for the Psychological Study of Lesbian and Gay Issues, Division 44 of the American Psychological Association.

**Unheard Voices** Richard Gregory Johnson 2021-01-01 The lives of African American gay men have greatly gone unnoticed in the American consciousness. Despite the fact that Black gay men have made great contributions to our global society. For example, James Baldwin served as a literature giant. Bayard Rustin was one of the key organizers of the 1963 March on Washington. Alphonso David is the first person of color to lead the HRC (Human Rights Campaign). The purpose of this book is to discuss the narratives of Black gay men. There is no doubt that American history has done a nonexistent job of portraying the lives of these Black gay men. Most of these lives have been relegated to the background of society. This book purposes to change that narrative by having 10 to 12 gentlemen discuss their background and how it brought them to where they are in life now. The goal of this book is to also discuss the victory for each of the authors. Praise for Unheard Voices: A Collection of Narratives by Black, Gay & Bisexual Men "Open and transparent discussion about the lives and important contributions of African American gay men is long overdue. Rarely are marginalized people from any walk of life afforded the well-deserved positive attention from mainstream media outside of sports and pop entertainment culture. It has always been important for us to represent ourselves in this regard rather than wait for somnambulant media professionals to wake up and properly embark upon inclusionary coverage of positive images reflected by non-dominant members of society. Unheard Voices: A Collection of Narratives by black gay and bi-sexual men is an essential literary commentary that does exactly that. I will

definitely use it as an important reference in my work as an LGBTQ activist." Sheila Fay Waters, Ph.D. Social Psychologist "Unheard Voices establishes a distinctive position, providing a testament to the lived experiences of a group that have become further marginalized, and stigmatized in academia, as well as in the black community. It is a piece of work that boldly, and unapologetically provides a glimpse into a culture, that is hidden, which doesn't fit the stereotypical narrative of the black male experience in America. Those seeking to gain insight and understanding, as well as direction to navigate challenges faced by black men, this is a must read. By incorporating this piece of work into both academic and social circles, as added value, can elevate and transcend barriers, so those from such marginalized groups, will have a seat at the table. This collection of stories provides wisdom, and a narrative of overcoming some of the darkest obstacles faced by black men from the LGBTQIA community." Carl Featherston MA.Ed, Ed.S Scholarly-Practitioner "Unheard Voices is arguably one of the most open and pure writings from individuals who have navigated life as Black, Gay or Bisexual men. While we have always been present our presence hasn't always been valued. Our contributions to society are undeniable but we could only be viewed through a lens that made others comfortable. Today, these exceptional men, in their own voices, share their stories which, I hope, will serve as source of enlightenment and encouragement to everyone! This is a must read regardless of your age, gender, sexual preference or race. You will indeed be better informed!" Pedro W. Douglas, Ed.D. Retired University Administrator

*Psychological Perspectives on Lesbian, Gay, and Bisexual Experiences* Linda Garnets 2003-05-14 Designed for both the undergraduate and graduate classroom, this selection of important articles provides a comprehensive overview of current thought about the psychological issues affecting lesbians, bisexuals, and gay men. The editors have revised and updated the

on 2021-05-31 by guest

introduction and included a new set of articles for the second edition, most of which have been published since the release of the first edition of *Psychological Perspectives*. The book is divided into eight sections that deal with the meaning of sexual orientation; the psychological dimensions of prejudice, discrimination, and violence; identity development; diversity; relationships and families; adolescence, midlife, and aging; mental health; and the status of practice, research, and public policy bearing on homosexuality and bisexuality in American psychology.

*Issues In Therapy With Lesbian, Gay, Bisexual And Transgender Clients* Neal, Charles 2000-07-01 This book takes the reader inside the multiple worlds of lesbian, gay, bisexual and transgender people, and examines the different kinds of 'problems in living' that can confront counsellors working with clients from these groups.

*Bisexual Married Men* Robert Brooks Cohen 2023-11-30 How much do you know about the lives of bisexual men who are married to women? Do you know any personally? Have you seen them represented in the media or pop culture? Bisexual people make up a majority of the LGBT+ community, but they are still relatively hidden and misunderstood. Robert Brooks Cohen aims to address this invisibility by sharing a collection of interviews with Bi+ men who are or were married to women, helping readers find connection, understanding, and community. Their experience is often erased as "not queer enough", but these men are queer, and they are challenging societal norms in important and innovative ways. Written by the host of 'Two Bi Guys', this book intersperses Robert's bisexual journey with the diverse stories of other Bi+ men to help normalize sexual fluidity and create more awareness and compassion. Each chapter is framed around a bisexual married man's story which touches on an important theme in many people's journey, such as coming out, monogamy, intersectionality, porn, marriage, parenting, and

Downloaded from  
[legacy.opendemocracy.net](https://legacy.opendemocracy.net)  
on 2021-05-31 by guest

finding community, with Robert sharing his thoughts, research, and analysis. This book shares interviews with men and a few of their wives from a wide array of cultural and regional backgrounds, religious family structures, and more, helping bisexual men find pride, validation, and joy in their sexual identity. This book is written about and for bisexual and questioning men so they can see their experience represented. However, it is also for their partners, family, and friends - as well as students, researchers, clinicians with bisexual clients, and allies - so that they can better understand the unique challenges of this identity and provide meaningful support.

**Bisexual Lives** 1988 "Bisexuals are people who experience a desire for emotional, sensual or sexual relationships with people of both sexes. There are an enormous number of them in the world. This book contains a collection of short pieces written by bisexual women and men about their experiences of what it is like to be bisexual." -- from back cover.

**Bi America** William Burleson 2014-04-04 Gain an in-depth understanding of the unique struggles of the bisexual community! "To me the gay and straight worlds are exactly the same; equally limited, judgmental, and bourgeois . . . just mirror images of each other. I truly like and overlap with some of the gay world, but my roots refuse to take hold there and grow. Unfortunately, my well-established roots in the straight world are simultaneously shriveling and dying too, leaving me feeling extremely unstable." —"Cool," a bisexual woman involved in a support group There are at least five million bisexual people in America, generally invisible to straight society, the gay community, and even to each other. While the vast majority of these five million live within the straight or gay world, there are a few who have formed a community of their own. *Bi America: Myths, Truths, and Struggles of an Invisible Community* offers an inside look at the American bisexual community and gives an understanding of the special circumstances unique to being bisexual. The book takes

*on 2021-05-31 by guest*

the reader to bi community events from picnics, to conferences, to support groups, to performances in order to expose the everyday trials of the bisexual community. Bi America includes very personal stories that let the voice of everyday bisexuals be heard through interviews, the "Bisexual History Project," in which ten bisexual people tell their life stories, and the "Online Support Group," a group of about 75 people who meet in cyberspace to talk about their lives and challenges. The book also includes the findings of a 2002 survey of about 300 bisexual people conducted via the Internet, an appendix that offers a concise list of resources for further study and personal enrichment, and an unabridged transcript of the "Bisexual History Project." Get the answers to these questions in *Bi America: What is bisexuality? Is there a bisexual community? What is the culture of the bisexual community? What are commonalities and differences between the experiences of bi men and bi women? What is the special relationship between the bisexual and the transgender community? How have bisexuals and the bi community been affected by HIV/AIDS? What is the future of bisexual activism, if any? and many more!* Bi America is a fascinating resource that exposes the challenges, struggles, and triumphs of bisexuals in America. Bisexuals, especially those newly coming out, can use this book to help understand their identity, and family members and friends seeking some insight into the unique circumstances faced by their loved ones will also find it helpful. This book will interest those concerned with the sociology of deviance or with subcultures in general. It is also appropriate for undergraduate sociology and cultural anthropology, as well as feminist studies and LGBT studies classes. This book offers one of the few accessible, nonacademic looks at this unique and interesting community. Visit the book's Web site at <http://www.bi101.org>

*Two Lives to Lead* Fred Klein 1985 An unbiased and revealing look at bisexuality, an important variation and aspect of homosexuality. Leading sex researchers of bisexuality look at this

often-misunderstood sexual minority and explain the major issues affecting bisexual men and women today. The authors bring to this book a solid understanding of the issues involving bisexuality and clarify many misconceptions surrounding this controversial area of human sexual identity.

Out in Psychology Victoria Clarke 2007-04-04 There has been a recent explosion of interest in Lesbian, Gay, Bisexual and Trans Perspective Psychology amongst students and academics, and this interest is predicted to continue to rise. Recent media debates on subjects such as same-sex marriage have fuelled interest in LGBTQ perspectives. This edited collection showcases the latest thinking in LGBTQ psychology. The book has 21 chapters covering subjects such as same sex parenting, outing, young LGBTQ people, sport, learning disabilities, lesbian and gay identities etc. The book has an international focus, with contributors from UK, US, Canada, Australia and New Zealand

**Bi Any Other Name** Lani Ka'ahumanu 2015-09-23 "I am part of the generation that came of age when *Bi Any Other Name* was already in print. This groundbreaking anthology gave me the language, courage and sense of community I needed as a young queer woman." —Daisy Hernández, *A Cup of Water Under My Bed* The 25th Anniversary Edition *Bi Any Other Name: Bisexual People Speak Out* first debuted in 1991. This groundbreaking book helped catalyze a national movement for bisexual identity, justice and equality. Often dubbed "the bisexual bible," *Bi Any Other Name* was on Lambda Book Review's Top 100 GLBT Books of the 20th century and became a beloved reference text in many classrooms, doctors' offices, libraries, and pulpits. A 2007 Mandarin translation was published in Taiwan. The new 2015 introduction of this book updates readers to the enormous changes the past quarter century has brought - for bi people, the larger society and the sexual rights and liberation movement of which we are a part. When did you know? How did you come out? What was your experience? The coming out stories in this book

speak to the many ways bisexuals embrace realities outside rigid either/or categories throughout the passage of our lives. Everyday stories of women, men, transgender bisexuals, teenagers to octogenarians, from many different cultures and family arrangements. The fierce truth of these lives made visible puts a check on bisexual erasure, exposing the binary constructions of gay/straight and male/female as oversimplifications that reduce spectrums to mere opposites. Caught between the mainstream culture's persistent discounting of bisexuality, the sensationalizing characterizations presented in media, and the sexual liberation movement's continual disregard of bisexuality as a serious identity, bisexual people are often not seen or heard when they speak out. There is a vital need for these earnest voices to be heard in the new century. Enormous cultural changes have occurred in the past 25 years, yes, but understanding bisexualities has just begun.

**Unequal Opportunity** Richard J. Wolitski 2008 Most public health students, academicians, and practitioners recognize the association between racial/ethnic minority status and the disproportionate burden of preventable disease in the United States. Much less attention has been directed, however, toward health disparities that affect gay and bisexual men. These disparities affect the lives of an estimated 5.3-7.4 million American men, and are an important concern for public health. Until very recently, the relative invisibility of this group and a paucity of empirical data have hampered attempts to identify health disparities experienced by gay and bisexual men. This book reviews and synthesizes evidence of health disparities among gay and bisexual men, identify individual and community factors that contribute to these disparities, and articulate strategies for public health efforts to eliminate disparities. To date, these disparities have been largely discussed in isolation in the research literature in a manner that does not permit a comprehensive examination of these problems, their underlying causes, and potential solutions.

on 2021-05-31 by guest*

Thus, a primary emphasis of the book is documenting health disparities among gay and bisexual men while also describing public health solutions to these challenges.

**Recognize** Robyn Ochs 2014 *Recognize: The Voices of Bisexual Men* is a collection of short fiction, poetry, creative nonfiction, personal narratives, critical essays and visual art produced by 61 cisgender and transgender bisexual, pansexual, polysexual and fluid men from the United States, Canada, Chile, India, Spain, Sweden and the United Kingdom.

*Bisexuality in the Lives of Men* Erich W. Steinman 2001 Explore the theoretical, political, psychological, and cultural issues surrounding male bisexuality! *Bisexuality in the Lives of Men* is the first anthology to focus on men who love both men and women. The theoretical, scientific, and literary essays in this landmark volume dispel the fictions that bisexual men are greedy, promiscuous, confused, deceptive, unfaithful, HIV-positive--the dominant images of bisexual men in our culture. Whether portrayed as a coward who can't quite come out into full gayness or a smooth-talking serial killer, the bisexual man has been vilified in books and movies. In scholarly studies, they are often ignored or else lumped together with gay men. It is now widely acknowledged that human sexuality is more complex and diverse than the narrow categories "gay" and "straight." But, while the use of the term "bisexual" has become much more common in the last decade, an understanding of bisexuality itself lags far behind. A lack of research on how bisexuality is experienced, interpreted, and encoded in literature, film, and other aspects of popular culture means that stereotypes, stigma, and confusion are still prevalent. *Bisexuality in the Lives of Men* is a multidisciplinary examination of this neglected topic, bringing together expertise reflecting divergent approaches and fields to show the whole bisexual man. Topics include: a thoughtful review and analysis of the public health research on the role of bisexual men in HIV transmission a study of the marital consequences of a husband's

bisexuality, including couples who have stayed together an analysis of the heartfelt discussions taking place in an online bi-male community an empirical study of the ways that bi-negativity differs from homophobia an essay bringing together queer theory and social constructionist ideas to explain why bisexual men are much less visible than bisexual women The rigorously analytical yet accessible essays in this volume offer new information and perspectives about male bisexuality. *Bisexuality in the Lives of Men* is an essential resource for anyone interested in the theoretical, political, and cultural issues of male bisexuality. *Bisexual and Gay Husbands* Fritz Klein 2014-02-04 What happens when married men face their gay/bisexual needs? This astonishing volume offers an intimate look into the lives and thoughts of bisexual men. Already married to women, these men are undeniably attracted to other men. Their struggle with conflicting needs, desires, and loyalties is not filtered through theories or evoked in brief interviews. It comes straight from their own keyboards. The stories told in *Bisexual and Gay Husbands* are taken from an Internet mailing list, which allows people to speak freely and in anonymity, yet also encourages the development of a tightly knit community. Men at all stages of the coming-out process share their experiences, their secrets, their pain, shame, anger, and hope. One man writes, "I have found the answer to my bisexual needs and am afraid to embrace it. I need help and advice to know what to do. What you people have done in your lives may hold the key to helping me decide on a course of action. I am either going to create a dream come true or hell on earth as I destroy my marriage. I can't tell which, and of course you can't either. But you CAN tell me how you are handling the problems I am facing." *Bisexual and Gay Husbands* includes advice and information on the issues that touch these men most deeply, including: how do I tell my wife and kids? what does it mean to self-identify as bisexual or gay? what kinds of relationships do I want with men? can triads work? how do I deal

with my children's reaction? do I have to leave my wife? The insight, intelligence, and honesty revealed in *Bisexual and Gay Husbands* make it a riveting read, but it also has great clinical and historic value for therapists, sex theorists, and bisexual men and their families.

*The Changing Dynamics of Bisexual Men's Lives* Eric Anderson 2016-05-05 This important book provides unique new knowledge on the lived experience of openly bisexual men without medicalizing or pathologizing them. Presenting research from sexology, sociology, and psychology, it features extensive findings on the sexual, social, romantic, and emotional behaviors of the 90 men interviewed in the U.S. and U.K. Issues and challenges are examined in such areas as identity and self-concept, along with the burden of social erasure and the paradox of stigma from both the gay and straight communities. However, the research reveals evidence of a recent cultural transition toward acceptance of bisexual identity and behavior, with younger bisexual men experiencing better social lives and increased recognition of the legitimacy of bisexuality. Among the topics covered: Examining the components of sexuality. Measuring and surveying bisexuality. Bisexual burden Demonstrating a generational cohort effect Expansion of gendered boundaries. Erosion of the one-time rule of homosexuality. Coming out in the 21st century. Bringing clarity and focus beyond the gender binary—and compelling insights into why society and science have trouble shedding that paradigm—*The Changing Dynamics of Bisexual Men's Lives* will interest sexuality scholars, sexologists, and social scientists studying the social aspects of sexuality.

**Uncommon Lives** Catherine Whitney 1990 A comprehensive study of gay/straight relationships based on a national survey of more than a thousand people and in-depth interviews and consultations with leading experts.

**...And Then I Became Gay** Ritch Williams-Savin 2013-09-05

"...And Then I Became Gay is about the lives of young men who

express the complications, adversities, and satisfactions of being a sexual outsider in North America during the 1980s and 1990s. Consisting of narratives which chronicle developmental progression from first memories of being attracted to other males to a subsequent integration of their sexual identity with a personal identity, this book is also unique in its cross-section of men from different ethnic backgrounds. Although each story in this volume has a personal meaning to the individual youth disclosing it, aspects of these narratives can express a normative experience growing up gay or bisexual during the past two decades. For many of the contributors and readers, these stories may prove to be not only ones of coming out, but coming of age.

**Mostly Straight** Ritch C. Savin-Williams 2017-11-13 Based on research, the author explores in this publication the personal stories of forty young men to help us understand the biological and psychological factors that led them to become mostly straight and the cultural forces that are loosening the sexual bind that many boys and young men experience.

*Sexuality and the Devil* Edward J. Tejirian 2016-06-10 At the time of publication our understanding of sexuality relied heavily on biology, and also on morality, as was particularly evident when homosexuality and bisexuality were discussed. In this title, originally published in 1990, the author presents a compelling case for viewing the sexual dimension of life through an understanding of its symbols. The potent figure of the devil serves as his avenue of approach. In the first part of the book, the author presents a detailed case history of a young man who began psychoanalytic therapy with him because of a terrifying conviction that he could be possessed by the devil. In the course of therapy it emerged that the devil had entered into his consciousness as a vehicle to express a complex of homosexual wishes and fears that were deeply troubling to a man whose life history had been entirely heterosexual. The author argues that the assumptions about male psychology that came to pervade

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2021-05-31 by guest

psychoanalytic theory after Freud's death could not account for the nature of this young man's conflicts or for the outcome of the analysis. In the second part of the book, the author cites historical and anthropological data to demonstrate that the depth and breadth of male psychology extend beyond the limits of what was considered normal by the neoconservative theorists who revised Freud's theories to exclude his ideas about bisexuality. Rejecting the reduction of sexuality to biology, the author asserts that sexuality can be properly regarded as symbolic, in the same way that meaningful works of art and rituals are symbolic. The power of sexual images and actions comes from their ability to combine important meaning with intensely felt emotion. Finally, the author examines the way in which culture affects sexuality through its control of consciousness and its influence on what kinds of sexual symbols may be utilized and what kinds of meanings they may express.

*Bisexual Men in Culture and Society* Brett Beemyn 2002 Gain a fresh perspective on this misunderstood sexual orientation! From invisible to pathological, the literary, cultural, and theoretical representations of male bisexuality have been almost uniformly negative. *Bisexual Men in Culture and Society* provides a clear, rational analysis of the negative stereotypes and the underlying reasons for them. "The bisexual is the brutal father, the abusive husband, the violent rapist (all familiar figures of male heterosexual power), but he is also the simpering, oral-sadistic mama's boy found in psychoanalytic accounts of homosexuality. . . . Bisexuals are queers with straight privilege, . . . straights with gay chic." Jonathan David White's caustic summary of bisexual men as seen in David Lynch's film *Blue Velvet* also applies to many of the representations of male bisexuality in popular and high culture. The original essays in *Bisexual Men in Culture and Society* deconstruct that dangerous image with blistering force and accuracy. *Bisexual Men in Culture and Society* offers thoughtful, insightful examinations of the cultural meanings of

*on 2021-05-31 by guest*

man, in actuality they have been based more on socioeconomic bias, stereotype, and anecdote than on social science. What do these men actually want and need? How well do programs work for them? The answers are found in *Working-Class Gay and Bisexual Men*, the landmark international study that is among the first to empirically examine the lives, attitudes, needs, and concerns of this hidden population. *Working-Class Gay and Bisexual Men* reports on research conducted throughout the United States, Canada, Australia, and New Zealand using a broad-based sample of working-class men. Using ethnographic techniques, researchers systematically captured and analyzed the social themes of their lives. The impressively detailed and consistent results should compel policymakers to rethink their assumptions about working-class gay men. This carefully conducted scientific research project also provides a forum where the men's own voices can be heard. Topics include: What gives them the strength to cope with violence, homophobia, AIDS, and discrimination? How can they come out to their families, friends, and coworkers? How do rural gay and bisexual men handle their isolation? What kinds of social support networks do they have? How do Latino gay men handle the double discrimination of gay and minority status? What kinds of social services would reach these men? What are the risk factors and protective factors in their lives? How do socioeconomic factors affect them? *Working-Class Gay and Bisexual Men* is a powerfully persuasive work of scholarship with broad-ranging implications. Social workers, policymakers, AIDS activists, and anyone else concerned with the lives of gay and bisexual men will find this informative study an essential tool for designing effective programs.

**Independence Park** Amir Sumaka?i Fink 1999 Independence Park, Tel Aviv, is the best-known meeting place for gay men in Israel, and the hope for independence is the dominant theme of this wide-ranging collection of personal narratives told in the voices of 12 gay men who represent a cross-section of

**Gay and Bisexual Men Living with Prostate Cancer** Jane M.

Ussher 2018-06-19 This book provides an overview of research and practice dealing with the specific needs of gay and bisexual men living with prostate cancer, as well as the special psychosocial needs of their partners. The intention is twofold: to provide insight into the unique experiences and concerns of gay or bisexual men living with prostate cancer in order to inform and assist future research, clinical practice and supportive care, and policy; and to ensure that the needs of gay and bisexual men are recognized and advanced on the mainstream prostate cancer agenda. Featuring both cutting-edge research and powerful portraits of gay and bisexual men living with prostate cancer, this book will be indispensable for health care, oncology, and mental health practitioners who seek to address their specific experiences and challenges.

**Lesbian, Gay, and Bisexual Identities Over the Lifespan**

Anthony R. D'Augelli 1995 This work provides critical reviews of core psychological issues related to the lives of lesbians, gay men, and bisexual women and men. The emphasis is on contemporary research findings and recommendations for future research.

homosexuality. . . . Bisexuals are queers with straight privilege, . . . straights with gay chic." Jonathan David White's caustic summary of bisexual men as seen in David Lynch's film *Blue Velvet* also applies to many of the representations of male bisexuality in popular and high culture. The original essays in *Bisexual Men in Culture and Society* deconstruct that dangerous image with blistering force and accuracy. *Bisexual Men in Culture and Society* offers thoughtful, insightful examinations of the cultural meanings of bisexuality, including: the recurring figure of the predatory, immoral bisexual man in the novels of E. Lynn Harris the overlooked bisexual themes in James Baldwin's classic novels *Another Country* and *Giovanni's Room* the murderous bisexual men in such films as *Blue Velvet* and *American Commandos* the portrayal in women's magazines of the bisexual husband as a promiscuous, deceitful AIDS carrier the conflicts within sexual-identity politics between gay men and bisexual men the focus on bisexual orientation, rather than sexual behavior, as a risk factor for AIDS Continuing the tradition of *Bisexuality in the Lives of Men: Facts and Fictions*, *Bisexual Men in Culture and Society* offers a brilliant analysis of the lives of bisexual men and their precarious position within a racist, sexist, and homophobic society.

"--and *Then I Became Gay*" Ritch C. Savin-Williams 1998 First Published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

**Women in Relationships with Bisexual Men** Maria Pallotta-Chiarolli 2016-03-08 Framed by a comprehensive review of international research, literature, and film, this book is an intimate journey into the experiences and insights of 79 Australian women in relationships with bisexual men. It takes us into the daily lives, sexual intimacies, and families of MOREs (mixed-orientation relationships) that span the gamut from extremely oppressive experiences with bi-misogynist men to extremely liberating with bi-profeminist men. Aged 19 to 65, the

women are in monogamous, open, and polyamorous relationships with bisexual-identifying and/or bisexual-behaving men. The women themselves are bisexual, lesbian, heterosexual, while others refuse to categorize their own sexualities. The book addresses the discovery or disclosure of the man's bisexuality, how the relationships work and where they flounder, how the partners negotiate and establish 'new rules' and boundaries to maintain their relationship, and the impact of class, rural/urban setting, ethnicity, indigeneity, race, religion, and education on these relationships. But this book isn't only about MOREs. The research, revelations and reflections in this book tell us much about current and shifting global constructions and understandings of intimate relationships, sexual desires and love, and the socio-cultural representations and labeling of genders and sexualities.

**Bisexual Married Men** ROBERT. COHEN 2023-11-30 How much do you know about the lives of bisexual men who are married to women? Do you know any personally? Have you seen them represented in the media or pop culture? Bisexual people make up a majority of the LGBTQ+ community, but they are still relatively hidden and misunderstood. Robert Brooks Cohen aims to address this invisibility by sharing a collection of interviews with Bi+ men who are or were married to women, helping readers find connection, understanding, and community. Their experience is often erased as "not queer enough", but these men are queer, and they are challenging societal norms in important and innovative ways. Written by the host of 'Two Bi Guys', this book intersperses Robert's bisexual journey with the diverse stories of other Bi+ men to help normalize sexual fluidity and create more awareness and compassion. Each chapter is framed around a bisexual married man's story which touches on an important theme in many people's journey, such as coming out, monogamy, intersectionality, porn, marriage, parenting, and finding community, with Robert sharing his thoughts, research,

on 2021-05-31 by guest*

and analysis. This book shares interviews with men and a few of their wives from a wide array of cultural and regional backgrounds, religious family structures, and more, helping bisexual men find pride, validation, and joy in their sexual identity. This book is written about and for bisexual and questioning men so they can see their experience represented. However, it is also for their partners, family, and friends - as well as students, researchers, clinicians with bisexual clients, and allies - so that they can better understand the unique challenges of this identity and provide meaningful support.

**Bisexuality in the Ancient World** Eva Cantarella 2002-01-01 In this readable and thought-provoking history of bisexuality in the classical age, Eva Cantarella draws on the full range of sources--from legal texts, inscriptions, and medical documents to poetry and philosophical literature--to reconstruct and compare the bisexual cultures of Athens and Rome. Reviews of the earlier edition: "Cantarella presents the ancient evidence in a straightforward fashion, draws insightful comparisons between heterosexuality and homosexuality, and elucidates the larger cultural context of erotic experience. With its wide scope the book speaks to the classicist, the layman with an interest in antiquity, the student of sexuality, and even to the unabashed seeker of piquant anecdotes." --John F. Makowski, *Classical Journal* "An important study that is destined to take its place next to the classic works of Foucault and Pomeroy." --Alan Mendelson, *History: Reviews of New Books* "Offers a valuable, close-in reassessment of intricate evidence, freshly researched, readable, and open-minded." --Alan Sinfield, *Gay Times* "This is a book I recommend for all students of sexology."--Milton Diamond, *Journal of Psychology & Human Sexuality* "Easily the best book on the topic." --John Buckler, *Historian*

**Bi** Shiri Eisner 2013-07-02 "A groundbreaking exploration of bisexual politics by a revolutionary thinker" (Publishers Weekly) provides the missing piece of the puzzle for readers who identify

as bisexual Depicted as duplicitous, traitorous, and promiscuous, bisexuality has long been suspected, marginalized, and rejected by both straight and gay communities alike. Bi takes a long overdue, comprehensive look at bisexual politics, from the issues surrounding biphobia/monosexism, feminism, and transgenderism to the practice of labeling those who identify as bi as either "too bisexual" (promiscuous and incapable of fidelity) or "not bisexual enough" (not actively engaging romantically or sexually with people of at least two different genders). In this forward-thinking and eye-opening book, feminist bisexual and genderqueer activist Shiri Eisner takes readers on a journey through the many aspects of the meanings and politics of bisexuality, specifically highlighting how bisexuality can open up new and exciting ways of challenging social convention. Informed by feminist, transgender, and queer theory, as well as politics and activism, Bi is a radical manifesto for a group that has been too frequently silenced, erased, and denied -- and a starting point from which to launch a bisexual revolution.

Working-Class Gay and Bisexual Men George A. Appleby 2001

How well does social policy serve this understudied population?

Although public policy and social programs responding to the AIDS and hate crime epidemics of the past decades are supposed to be designed for the working-class gay man, in actuality they have been based more on socioeconomic bias, stereotype, and anecdote than on social science. What do these men actually want and need? How well do programs work for them? The answers are found in Working-Class Gay and Bisexual Men, the landmark international study that is among the first to empirically examine the lives, attitudes, needs, and concerns of this hidden population. Working-Class Gay and Bisexual Men reports on research conducted throughout the United States, Canada, Australia, and New Zealand using a broad-based sample of working-class men. Using ethnographic techniques, researchers systematically captured and analyzed the social themes of their lives. The

on 2021-05-31 by guest

impressively detailed and consistent results should compel policymakers to rethink their assumptions about working-class gay men. This carefully conducted scientific research project also provides a forum where the men's own voices can be heard. Topics include: What gives them the strength to cope with violence, homophobia, AIDS, and discrimination? How can they come out to their families, friends, and coworkers? How do rural gay and bisexual men handle their isolation? What kinds of social support networks do they have? How do Latino gay men handle the double discrimination of gay and minority status? What kinds of social services would reach these men? What are the risk factors and protective factors in their lives? How do socioeconomic factors affect them? *Working-Class Gay and Bisexual Men* is a powerfully persuasive work of scholarship with broad-ranging implications. Social workers, policymakers, AIDS activists, and anyone else concerned with the lives of gay and bisexual men will find this informative study an essential tool for designing effective programs.

*Coming Up from the Down Low* J.L. King 2007-12-18 The dramatic follow-up to the controversial bestseller that has all of America talking... In his first book, *On the Down Low*, J. L. King introduced readers to the deceptive underground world of the “down low” (DL), the subculture of men leading straight lives while secretly sleeping with other men. In that first book, King’s own life was exhibit A—he lived for years as a DL man and was able to expose this lifestyle with unique authority. In this blockbuster new book, King takes readers to the next level in his exploration of the down-low world by answering the most common questions from the thousands of people he’s met while traveling the country. He provides more in-depth information about the lives of men on the DL, dispels the most common myths, and addresses the most frequently asked question of all: What are the signs? But more than that, he tells of his own transformation over the last year, as he’s moved into a more

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2021-05-31 by guest

honest evaluation of his own life and the lives of other men on the DL who are trying to emerge from their web of deceit. And he courageously points to the urgent problems in our communities that drive men into such dangerous and reckless lives and keep them there. Filled with fascinating stories from the men who have lived on the down low and the women who have struggled through it with them, *Coming Up from the Down Low* shines more light on a phenomenon that has touched the lives of too many. It's a vital call for greater love, tolerance, and forgiveness in our individual lives and in the lives of our communities, and an inspiration to all of us to embrace the liberating power of the truth. "The source of my expertise on this subject is, quite simply, my own life. I've lived this and been struggling down the road of understanding my entire life. Since the publication of the first book I've made further progress down that road, helped along by the thousands of you who responded. The insights I've gotten have transformed my understanding of this phenomenon and transformed my life. I want to share those insights with you now, to help you better understand the down-low phenomenon, yes, but also to help you better understand the potential liberating power of honesty, acceptance, and healing in our personal lives and in the life of our community." —from the Introduction

[Bi Men](#) Ron Jackson Suresha 2013-05-13 A moving and pioneering celebration of the male bisexual self that addresses biphobia in our society In today's sexual world, both straight and gay and lesbian communities still often refuse to accept the reality of bisexuality. *Bi Men: Coming Out Every Which Way* confronts head-on the limiting views that bisexuality is a transitional phase of sexual evolution or a simple refusal to accept being either homosexual or straight. This pioneering collection of moving personal essays by bisexual men and those who love them explores what it means to be bisexual in today's monosexually oriented society. The millennial shift in sexual perspectives draws more and more men to come out as being attracted to both

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2021-05-31 by guest

women and men. Bisexual and bi-curious men will find comfort and camaraderie in these stories about coming out, its impact on family and marriage, evolving perspectives on bisexuals within the LGBT community, and the building of acceptance and affirmation for bisexuality and polyamory. The nearly three dozen essays in *Bi Men: Coming Out Every Which Way* are told in the honest words of bisexuals, confirming the validity of their place in the world while illustrating that there are more bi men than anyone ever realized. These diverse and pioneering men's stories reveal a long-disguised and unconventional truth—that bisexuality is a valid lifestyle that does not threaten either sexual camp. Each contributor to this collection affirms the innate fluidity of self, sexuality, family, and community, and proclaims that sexuality is truly diverse in its predispositions and creativity. *Bi Men: Coming Out Every Which Way* separates its essays into four parts: coming out and personal realization of bisexual nature bisexuality's effects on family and marriage an examination of the shifting viewpoints of bisexuality within gay communities ways in which bisexuals can affirm and respect their own desires and celebrate their sexual selves These intimate stories address: biphobia monosexual prejudice the impact on marriage family issues coming out to self, spouse, and family political and community issues religious and spiritual concerns *Bi Men: Coming Out Every Which Way* is a vibrant, reassuring call to bisexuals, the bi-curious, or anybody who knows and loves a bisexual/bi-curious man, to read and more completely understand the unique issues of being bisexual while providing the ultimate affirmation of bisexuality's existence.

**Bisexuality and the Eroticism of Everyday Life** Marjorie Garber 2013-05-13 "Bisexuality is about three centuries overdue . . . nevertheless, here it is: a learned, witty study of how our curious culture has managed to get everything wrong about sex."  
-Gore Vidal

**Bisexuality** D. Joye Swan 2018-03-07 This pathbreaking volume

Downloaded from

on 2021-05-31 by guest

brings together a diverse body of sexual, behavioral, and social science research on bisexuality. Arguing for a clear, evidence-based definition of bisexuality and standardized measures for assessing sexual orientation, it spotlights challenges that need to be addressed toward attaining these goals. The book's deep trove of findings illuminates the experiences of bisexual men and women in key aspects of life, as well as common mental health issues in the face of stigma, prejudice, and outright denial from the heterosexual and homosexual communities. Throughout, contributors examine the paradoxical invisibility of bisexuality even as society and science have become more inclusive of lesbians and gay men, and emphasize the critical role of thoughtful, respectful support across societal and mental health domains. Among the topics covered: Defining bisexuality: challenges and importance of and toward a unifying definition. Plurisexual identity labels and the marking of bisexual desire. Binegativity: attitudes toward and stereotypes about bisexuals. Female bisexuality: identity, fluidity, and cultural expectations. Romantic and sexual relationship experiences among bisexual individuals. Bisexuality is a substantial reference for psychologists, scholars and graduate students in LGBTQIA+ studies, and clinicians seeking both theoretical and applied perspectives on the research into bisexuality. It also offers instructors a supplemental research-based textbook option for teaching courses related to sexuality and bisexuality.

This comprehensive guide is designed to empower you in your quest for eBooks. We'll explore various methods of finding Bisexuality In The Lives Of Men online, from legal sources to community-driven platforms. You'll learn how to choose the best eBook format, where to find your favorite

titles, and how to ensure that your eBook reading experience is both enjoyable and ethical.

Whether you're new to eBooks or a seasoned digital reader, this Bisexuality In The Lives Of Men eBook has something for everyone. So, let's dive into the exciting world of eBooks and discover how to access a world of literary wonders with ease and convenience.

### **Understanding Bisexuality In The Lives Of Men**

Before you embark on your journey to find Bisexuality In The Lives Of Men online, it's essential to grasp the concept of Bisexuality In The Lives Of Men eBook formats. Bisexuality In The Lives Of Men come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

## **Different Bisexuality In The Lives Of Men eBook Formats Explained**

### 1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

### 2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

### 3. PDF (Portable Document

Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

### 4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

### 5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for

textbooks and reference materials.

### 6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Bisexuality In The Lives Of Men eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

**EPUB:** Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

**MOBI:** Primarily compatible with Amazon Kindle devices and apps.

**PDF:** Readable on almost all devices, but may require zooming and scrolling on

smaller screens.

**AZW/AZW3:** Exclusive to Amazon Kindle devices and apps.

**HTML:** Requires a web browser or specialized eBook reader with HTML support.

**TXT:** Universally compatible with nearly all eReaders and devices.

Understanding Bisexuality In The Lives Of Men eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks. In the next chapters, we'll explore the various sources where you can find Bisexuality In The Lives Of Men eBooks in these formats.

## **Bisexuality In The Lives Of Men eBook Websites and Repositories**

One of the primary ways to find Bisexuality In The Lives Of Men eBooks online is through dedicated eBook websites and

repositories. These platforms offer an extensive collection of eBooks spanning various genres, making it easy for readers to discover new titles or access classic literature. In this chapter, we'll explore Bisexuality In The Lives Of Men eBook and discuss important considerations of Bisexuality In The Lives Of Men.

### Popular eBook Websites

#### 1. *Project Gutenberg:*

Project Gutenberg is a treasure trove of over 60,000 free eBooks, primarily consisting of classic literature.

It offers eBooks in multiple formats, including EPUB, MOBI, and PDF.

All eBooks on Project Gutenberg are in the public domain, making them free to download and read.

#### 2. *Open Library:*

Open Library provides access to millions of eBooks, both

contemporary and classic titles.

Users can borrow eBooks for a limited period, similar to borrowing from a physical library.

It offers a wide range of formats, including EPUB and PDF.

#### 3. *Internet Archive:*

The Internet Archive hosts a massive digital library, including eBooks, audio recordings, and more.

It offers an "Open Library" feature with borrowing options for eBooks.

The collection spans various genres and includes historical texts.

#### 4. *BookBoon:*

BookBoon focuses on educational eBooks, providing free textbooks and learning materials.

It's an excellent resource for

students and professionals seeking specialized content.

eBooks are available in PDF format.

### 5. *ManyBooks*:

ManyBooks offers a diverse collection of eBooks, including fiction, non-fiction, and self-help titles.

Users can choose from various formats, making it compatible with different eReaders.

The website also features user-generated reviews and ratings.

### 6. *Smashwords*:

Smashwords is a platform for independent authors and publishers to distribute their eBooks.

It offers a wide selection of genres and supports multiple eBook formats.

Some eBooks are available for free, while others are for purchase.

## **Bisexuality In The Lives Of**

## **Men Legal Considerations**

While these Bisexuality In The Lives Of Men eBook websites provide valuable resources for readers, it's essential to be aware of legal considerations:

**Copyright:** Ensure that you respect copyright laws when downloading and sharing Bisexuality In The Lives Of Men eBooks. Public domain Bisexuality In The Lives Of Men eBooks are generally safe to download and share, but always check the copyright status.

**Terms of Use:** Familiarize yourself with the terms of use and licensing agreements on these websites. Bisexuality In The Lives Of Men eBooks may have specific usage restrictions.

**Support Authors:** Whenever possible, consider purchasing Bisexuality In The Lives Of Men eBooks to support authors and publishers. This helps sustain a vibrant literary ecosystem.

### Public Domain eBooks

Public domain Bisexuality In The Lives Of Men eBooks are those whose copyright has expired, making them freely accessible to the public. Websites like Project Gutenberg specialize in offering public domain Bisexuality In The Lives Of Men eBooks, which can include timeless classics, historical texts, and cultural treasures.

As you explore Bisexuality In The Lives Of Men eBook websites and repositories, you'll encounter a vast array of reading options. In the next chapter, we'll delve into the world of eBook search engines, providing even more ways to discover Bisexuality In The Lives Of Men eBooks online.

### Bisexuality In The Lives Of Men eBook Search

eBook search engines are invaluable tools for avid readers seeking specific titles, genres, or authors. These search engines crawl the web

to help you discover Bisexuality In The Lives Of Men across a wide range of platforms. In this chapter, we'll explore how to effectively use eBook search engines and uncover eBooks tailored to your preferences.

### Effective Search Bisexuality In The Lives Of Men

To make the most of eBook search engines, it's essential to use effective search techniques. Here are some tips:

#### 1. Use Precise Keywords:

Be specific with your search terms. Include the book title Bisexuality In The Lives Of Men, author's name, or specific genre for targeted results.

#### 2. Utilize Quotation Marks:

To search Bisexuality In The Lives Of Men for an exact phrase or book title, enclose it in quotation marks. For example, "Bisexuality In The Lives Of Men."

#### 3. Bisexuality In The Lives Of

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2021-05-31 by guest*

Men Add "eBook" or "PDF":

Enhance your search by including "eBook" or "PDF" along with your keywords. For example, "Bisexuality In The Lives Of Men eBook."

#### 4. Filter by Format:

Many eBook search engines allow you to filter results by format (e.g., EPUB, PDF). Use this feature to find *Bisexuality In The Lives Of Men* in your preferred format.

#### 5. Explore Advanced Search Options:

Take advantage of advanced search options offered by search engines. These can help narrow down your results by publication date, language, or file type.

#### Google Books and Beyond

##### Google Books:

Google Books is a widely used eBook search engine that provides access to millions of eBooks.

You can preview, purchase, or find links to free *Bisexuality In The Lives Of Men* available elsewhere.

It's an excellent resource for discovering new titles and accessing book previews.

##### Project Gutenberg Search:

Project Gutenberg offers its search engine, allowing you to explore its extensive collection of free *Bisexuality In The Lives Of Men*.

You can search by title *Bisexuality In The Lives Of Men*, author, language, and more.

##### Internet Archive's eBook Search:

The Internet Archive's eBook search provides access to a vast digital library.

You can search for *Bisexuality In The Lives Of Men* and borrow them for a specified period.

##### Library Genesis (LibGen):

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2021-05-31 by guest*

Library Genesis is known for hosting an extensive collection of Bisexuality In The Lives Of Men, including academic and scientific texts.

It's a valuable resource for researchers and students.

eBook Search Engines vs. eBook Websites

It's essential to distinguish between eBook search engines and eBook websites:

**Search Engines:** These tools help you discover eBooks across various platforms and websites. They provide links to where you can access the eBooks but may not host the content themselves.

**Websites:** eBook websites host eBooks directly, offering downloadable links. Some websites specialize in specific genres or types of eBooks.

Using eBook search engines allows you to cast a wider net when searching for specific titles Bisexuality In The Lives Of Men or genres. They serve

as powerful tools in your quest for the perfect eBook.

### **Bisexuality In The Lives Of Men eBook Torrenting and Sharing Sites**

Bisexuality In The Lives Of Men eBook torrenting and sharing sites have gained popularity for offering a vast selection of eBooks. While these platforms provide access to a wealth of reading material, it's essential to navigate them responsibly and be aware of the potential legal implications. In this chapter, we'll explore Bisexuality In The Lives Of Men eBook torrenting and sharing sites, how they work, and how to use them safely.

Find Bisexuality In The Lives Of Men Torrenting vs. Legal Alternatives

Bisexuality In The Lives Of Men Torrenting Sites:

Bisexuality In The Lives Of Men eBook torrenting sites operate on a peer-to-peer (P2P)

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2021-05-31 by guest*

file-sharing system, where users upload and download Bisexuality In The Lives Of Men eBooks directly from one another.

While these sites offer Bisexuality In The Lives Of Men eBooks, the legality of downloading copyrighted material from them can be questionable in many regions.

Bisexuality In The Lives Of Men Legal Alternatives:

Some torrenting sites host public domain Bisexuality In The Lives Of Men eBooks or works with open licenses that allow for sharing.

Always prioritize legal alternatives, such as Project Gutenberg, Internet Archive, or Open Library, to ensure you're downloading Bisexuality In The Lives Of Men eBooks legally.

Staying Safe Online to download Bisexuality In The Lives Of Men

When exploring Bisexuality In The Lives Of Men eBook

torrenting and sharing sites, it's crucial to prioritize your safety and follow best practices:

1. Use a VPN:

To protect your identity and online activities, consider using a Virtual Private Network (VPN). This helps anonymize your online presence.

2. Verify Bisexuality In The Lives Of Men eBook Sources:

Be cautious when downloading Bisexuality In The Lives Of Men from torrent sites. Verify the source and comments to ensure you're downloading a safe and legitimate eBook.

3. Update Your Antivirus Software:

Ensure your antivirus software is up-to-date to protect your device from potential threats.

4. Prioritize Legal Downloads:

Whenever possible, opt for legal alternatives or public domain eBooks to avoid legal

complications.

### 5. Respect Copyright Laws:

Be aware of copyright laws in your region and only download Bisexuality In The Lives Of Men eBooks that you have the right to access.

### Bisexuality In The Lives Of Men eBook Torrenting and Sharing Sites

Here are some popular Bisexuality In The Lives Of Men eBook torrenting and sharing sites:

#### 1. The Pirate Bay:

The Pirate Bay is one of the most well-known torrent sites, hosting a vast collection of Bisexuality In The Lives Of Men eBooks, including fiction, non-fiction, and more.

#### 2. 1337x:

1337x is a torrent site that provides a variety of eBooks in

different genres.

#### 3. Zooqle:

Zooqle offers a wide range of eBooks and is known for its user-friendly interface.

#### 4. LimeTorrents:

LimeTorrents features a section dedicated to eBooks, making it easy to find and download your desired reading material.

### A Note of Caution

While Bisexuality In The Lives Of Men eBook torrenting and sharing sites offer access to a vast library of reading material, it's important to be cautious and use them responsibly. Prioritize legal downloads and protect your online safety. In the next chapter, we'll explore eBook subscription services, which offer legitimate access to Bisexuality In The Lives Of Men eBooks.
