Finding Contentment (Women of the Word Bible Study Series) Sharon A. Steele 2011-01-19 Many women--even Christians!--are dissatisfied with their lives. They are strangers to the rich, contented life that Jesus promised to His followers. Through this Women of the Word Bible study, women will discover that the secret to peace and contentment is knowing and living with Jesus Christ. Finding Contentment introduces readers to the apostle Paul's life and his letter to the Philippian church--both demonstrate the everyday joy that does not depend on circumstances but on an intimate friendship with the Lord. Eight sessions of Bible study offer such faith-building challenges as "Trust in Jesus," "Overcome Worry," "Forget the Past," and "Set Proper Priorities." Readers will get to know Paul and the challenges he faced, dig into the teachings of Scripture about inner peace, and reflect on their own struggles with living contentedly. Each session wraps up with action steps for applying to their everyday lives what readers learn from God's Word. Plus a brand-

Being God's Man by Understanding a Woman's Heart Stephen Arterburn 2010-05-19 How to be God's man in relationship with a woman. Few men would ever embark on an important project, a significant career change, or a major athletic challenge without gathering all the tactical knowledge possible to insure a good outcome. Yet, when it comes to relationships with women, most men fail to apply the simple principles that make them successful in other areas of life. It may be easy to get into a relationship with a woman, but it's not so easy to make the relationship work well. It takes energy. It demands effort. It requires education and understanding. God is available to help. But there's a catch: God's man must connect with God's purposes before he can truly connect with his wife (or wife-to-be). God uses the marriage relationship to promote growth in men's lives, because it shows us our character gaps and drives us to Him for solutions. If you want true intimacy and connection with a woman, you'll need to grow up and graduate from God's school of character. This book, *Being God's Man by Understanding a Woman's Heart*, is the perfect start. Special Features:

- Practical studies facilitate personal encounters with God and other men
- Questions encourage genuine reflection and help build godly convictions
- “Real Life” case studies show how the truths you discover have worked out in other men's lives
- “Standing Strong” section gives you the opportunity to form and express your action steps with God and your group

Building Your House on the Lord Steve Brestin 2000-03-07 Living on Solid Ground Most couples struggle at some point in their relationship with hard questions of marriage and family life, such as, what is God's primary purpose for marriage? What does it mean for a man to be the head of a home? Is divorce ever acceptable? How do we raise children who will love God? What does God have to say about the way we communicate, or about sexual intimacy? Authors Steve and Dee Brestin have wrestled with these questions in their own marriage and have found that God's Word is the only reliable blue-print for marriage and family life. This study will guide you through the encouragement that the Bible gives for those relationships. Jesus told us the storms will come and batter our homes, but if we obey him, our house will stand firm.

bad news. The media recounts stories of natural disasters, violence, and conflict. In the midst of all this heartbreak, we can't lose sight of the fact that God has given us good news. We call it the gospel. It reminds us that God loves us and longs to redeem our suffering. He stepped out of eternity and into time to send us His one and only Son. The gospel truths shared with the early church at Rome echo into our day, reminding us that we still have good news to embrace personally and to share with others. In this six-week study of the Book of Romans, we will be highlighting significant concepts regarding the good news about faith, grace, daily life, God's plan, relationships, and eternity. Whatever bad news we may receive, in Romans we will find good news to encourage and transform us. Join Melissa in taking a posture of listening and learning as we approach this powerful book packed with good news. Let's ask God to do a mighty work in and through us as we study so that we might be inspired with a spiritual renewal that spreads to those around us! "All too often, God's Word can seem intimidating and hard to understand even, especially with books like Romans. In this study Melissa helps us take in the truths of Romans in a way that makes a difference in our lives today. Getting beyond the surface of reading God's Word for feel-good feelings, Melissa helps us read to know God better and, as a result, build godly confidence that will stand no matter what may come in our lives." —Lynn Cowell, Author of *Make Your Move* and *Brave Beauty*, and Proverbs 31 Ministries speaker and writer In a bad-news world, how deeply we need to bathe our hearts afresh in the good news of the Gospel! The Delicate Balance Adrienne Evans Johnson 2011-10-05 Marriage is in crisis. The divorce rate is high and both men and women have gravitated to roles that are unstable, unhealthy and unnatural. The thing that we desire the most seems to give the most turmoil. How can it be that God created marriage as the foundational relationship for society and yet it is the most difficult of relationships? How is it that God said, "It is not good for man to be alone", yet every time man and woman get together their union brings more smoke than fire? Is it the two becoming one that creates the problem or the choices we make in marriage? God has a wonderful plan for marriage that carefully blooms into a delightful union when you choose Him as your guide. Every woman who desires a marriage "made in heaven" will appreciate Adrienne's honest, open and real approach to the difficult areas of marriage. She shares real life experiences that inspire, encourage and re-affirm the value of womanhood and the beauty of holy matrimony.

Origin of Woman Sam Kneller 2020-08-14 In no country around the world are women treated with equality. Patriarchy is rampant, and affects women physically, economically, and professionally. Will the equal rights movements obtain justice? Are women destined to be a second-class gender or will they become equal citizens? Women have so much to offer society. They are teachers, family builders, listeners, peacemakers, counselors. In the COVID-19 crisis, what would we do without their compassion, caring, sharing, and support? What lurks behind closed doors with male chauvinism is unspeakable. Reported violence and statistics do not tell the story of mental heartbreak, insults, ignorance, and hardship. Scars that mar little girls for life, secrets of obsessions, passions, and overpowering impositions. All we know is but the tip of the iceberg. Women aspire to warm relationships between the genders. They want loving homes, fulfilling roles in society, support in parenting, partnerships for our children. A woman craves sensitivity, empathy, being understood, emotional connection. They desire a gentleman, compliments, conversation, looking into their eyes, romance, and appreciation. How long can we afford to have gender war, suspicion, the waning of binding relationships? Online masculine domination in pornography and match-making for fast sex could be pounding the final nail in the coffin. How can we not only save the genders from one another but draw them closer together? If men don't participate in this challenge it's a lost cause. Marcel R. says about the author's approach to this commentary on Genesis 2, based on Biblical

Legitimate shame is a tool in the hands of a forgiving God; we feel it when we recognize our sin and turn to Him. In *From Shame to Beauty*, readers will discover how to arm themselves against false shame and live confidently in the knowledge of God's love. This interactive study, ideal for individuals or small groups, guides readers through a process of healing

kingdom of God has presented a paradox for believers. Although it's both here and at hand, it's also not quite here in all its fullness. That's where we come in. In Kingdom Building, Grace Biskie offers insight into how Christians can collaborate with the Creator of the universe and bring this Kingdom into the here and now. We do this in community with other believers; and we start with the poor, our enemies, and those we despise. Building the kingdom of God isn't easy. Sometimes it happens inch by inch. Sometimes it makes us uncomfortable. But few things are more satisfying for a Christian than being involved in God's plan for changing the world, and it starts in our world. Because whether we know it or not, we're all longing for God's kingdom to be here entirely. And when that happens, God will make all things new. Converge Bible Studies is a series of topical Bible studies. Each title in the series consists of four studies on a common topic or theme. Converge can be used by small groups, classes, or individuals. Primary Scripture passages from the Common English Bible are included for ease of study, as are questions designed to encourage both personal reflection and group conversation. The topics and Scriptures in Converge come together to transform readers' relationships with others, themselves, and God.

Women in the Bible Jaime Clark-Soles 2020-12-01 What was it like to be a woman in the biblical period? It depended, in part, on who you were: a queen, a judge, a primary wife, a secondary wife, a widow, a slave, or some other kind of "ordinary woman." In Women in the Bible, Jaime Clark-Soles investigates how women are presented in Scripture, taking into account cultural views of both ancient societies as well as our own. While women today are exercising leadership in churches across a number of denominations and our scholarly knowledge related to women in the Bible has grown immensely, challenges remain. Most of Christendom still excludes women from religious leadership, and many Christians invoke the Bible to circumscribe women's leadership in the public square and in the home as well. It is more urgent than ever, therefore, to investigate closely, honestly, and intrepidly what the Bible does and doesn't say about women. In a multipronged approach, Clark-Soles treats well-known biblical women from fresh perspectives, highlights women

who have been ignored, and recovers those who have been erased from historical memory by particular moves made in the transmission and translations of the text. She explores symbolic feminized figures like Woman Wisdom and the Whore of Babylon and reclaims the uses of feminine imagery in the Bible that often go unnoticed. Chapters focus on themes of God's relationship to gender, women and violence, women as creators, and women in the ministry of both Jesus and Paul. Yet for most of us, we find ourselves on the way to burnout and anxiety from sometimes pointless pursuits. What if meaningful struggle can instead lead us to growth, depth, and even joy? The apostle Paul understood hard work and struggle better than most. But even in prison, where we'd expect him to be at his lowest, he wrote a letter to his Philippian friends filled with thankfulness, generosity, and joy. This letter shows us how we can blossom by finding the meaning

in our struggles.
