How to Be a Good Girlfriend and Keep Your Boyfriend Happy - Andres Munsel 2015-04-12

Why should the women of today - who want to be treated equally to men - be motivated to go above and beyond in their relationship? The truth is, some women don't feel any desire to go out of their way to make their partners especially happy, and that's their prerogative. But contributing that bare minimum to a relationship makes you far from perfect, and makes the relationship far from perfect too. Even more so now that 21st century men are increasingly realizing their own shortcomings

and attempting to correct them. Luckily, you're here reading this now because you probably aren't among the status quo: You're ready to take a path of self-improvement for the benefit of your relationship and the happiness of your boyfriend. Kudos! The perfect woman (in the opinion of most men) is an assertive and confident leader at work, a gourmet chef at home, a goddess in bed, and a master organizer. She's not only skilled, intuitive, intelligent, well-read, witty, and positive, but can put her hair in a pony-tail and whoop ass better than the best, when needed. Sure, this massive expectation isn't exactly fair, but that's the meaning and price of perfection. Getting into a relationship is easy, but keeping a relationship happy is hard

work - even more so if you wish to be the unequivocal owner of your man's heart and mind.

Please-Don't-Rain Suitcase - K.L. Smith
2020-06-22

Please-Don't-Rain Suitcase is a fictional novel that tells the story of the hardships and adjustments that Blake Davis experiences when he becomes an orphan. The story highlights the emotions he feels when he loses everything in life that matters to him. He is forced to put the shattered pieces of his life together and move forward through his tears, grief, fears of the unknown, feelings of hopelessness and emptiness, and the loss of dreams. In 1950, eight-year-old Blake Davis is thrown into foster care after his mother dies and his father is unable to care for him and his siblings. The Welfare Department intervenes, and the siblings are split up and scattered. Blake's story highlights the good and bad experiences that he lives through in foster care and later in an

orphanage. Blake is placed in three different foster homes over a six-year period. He experiences both good and bad foster care. Blake is powerless and at the mercy of his caregivers. Not having a mother or father to intervene in his well-being leaves him vulnerable to abuse. The instability of foster care makes it impossible for Blake to put down roots. At the age of fourteen, Blake is placed in an orphanage in Western North Carolina. The story follows Blake through his years in the orphanage and how the orphanage helps prepare him for life in the outside world. When he graduates from high school, the orphanage sends him out into the world with a Bible, a twenty-dollar bill, and a please-don't-rain cardboard suitcase. All his belongings are packed into the one flimsy suitcase. Blake's story follows him into life outside the orphanage and focuses on how he copes and overcomes the circumstances of his shattered life in his search of love, happiness, and the place where he fits best in the world.

The Christmas Girlfriend - Taylor Hart

2018-11-08

First year MBA Harvard student, Mike Hamilton, doesn't want to go back to his hometown, Snow Valley, to attend his sister's wedding and spend Christmas, especially after his Boston girlfriend dumps him. The pressure of showing up in a small town with a million family members to pity him feels crushing. When he sees a woman standing on the top of a storage unit praying, he feels compassion for her, so he runs up to the top of the building to join her. Aspiring singer and down on her luck, Zoey Harper, can't believe this guy just ran to the top of the building to join her, and when they both fall, she tells him he tried to kill her. Which he adamantly disagrees with and tells her-he saved her life. After some other near misses, where the guy seems to have some hero complex, she is shocked when he asks her to be his fake Christmas girlfriend! What? No! Double no! But

when she finds herself without a job, without a car, and wanting to go to a try out for 'The Voice' to fulfill her dream, she agrees to be the fake girlfriend. But no kissing!-except small pecks on the cheek in public! This is NOT real!So how does she end up in full on fight with Mike's high school girlfriend, spilling her secrets as they cannon ball in the hot springs, and really liking his grumpy grandpa? She's not sure when things started to change; the first time she kissed him, or when he ran up to the top of that roof to save her. When their lies fall apart, they are left with a choice-forget the past four days they spent together-or tell the truth and possibly get a Christmas miracle.

stand out in any room. You'll never have to hesitate or feel like you've run out of things to say. You'll bleed confidence in any social situation, captivate the room, and know how to attract women that you most desire. Whether you want to know how to get a girlfriend or just date around, *The Charm her Pants off* has the answers that have worked for tons of men. The girl of your dreams is out there...will you get her? *Charm her Pants Off* is the ultimate and only guide to getting girls and to understand women once and for all. This is why guys that read it don't read or recommend anything else. Because the few men who "get it" spend the rest of their lives enjoying sexy girls in abundance - and so can you. You can learn to get ANY girl you want, the same way that all men who are naturally good with women have. The only difference is that you may learn it much FASTER, instead of wasting tons of time and money on fruitless dates or a new car/haircut/shirt that you BELIEVE will make you more attractive - but

really doesn't. You see; men LACK success with women because they either don't understand what women are attracted to, or because they THINK that they do know, but have the wrong ideas and hence waste a lot of time - sometimes their entire life - chasing things they don't need. You know you have to get this book if you believe women want men with money, cars, or anything else that is man-made, because that doesn't make any sense. If women really were attracted to something unnatural, how did men meet women before any of those things were invented? The approach you'll learn in *The Manual* is very different from conventional dating and the advice you find in the mainstream media because it focuses on natural attraction - on what women REALLY want - not what they CLAIM they want or what males in general BELIEVE women want. It incorporates men's and women's socialization and explains phenomena's such as why men think women are attracted to things such as money (yet money is a man-made

invention that has not even EXISTED very long) and why women "play hard to get" (a well-known phrase which amusingly reveals that women ARE easy but only pretend not to be). This is why the beginning of the book addresses your basic beliefs and mindset, because if you learn to THINK correctly, you will automatically behave correctly around women. Even if they are so stunning they normally take your breath away, your mind goes blank, and you run out of words. You already have what it takes to seduce women. Like, if you never run out of words around your close friends or family, you should be able to talk to a hot girl without making a fool out of yourself. You the man, prove it to her!!!

The Mystery Method - Mystery 2007-02-06
"One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming

relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself.

There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed

literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical

*Downloaded from

Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into,

and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
