Brioche Knit Love - Michele Lee Bernstein 2021-10-19

Cowl Girls - Cathy Carron 2010

Presents over forty knitting patterns and designs for cowls, collars, and necklaces, and provides resources on fabric choice and equipment.

Graphic Knits - Alexis Winslow 2014-10-17

Go bold with gorgeous color blocking and graphic knitting projects.

Graphic Knits is a collection of 20 patterns featuring modern colorwork inspired by geometric motifs. Fresh and bold, the knitting projects are created by an up-and-coming design star. Author Alexis Winslow makes use of color-knitting techniques such as stripes, Fair Isle, intarsia, and slipped stitches. With each knitting pattern, she demonstrates how to use these techniques to create visually appealing garments. Flattering silhouettes expertly integrate vibrant colorwork or graphic detail for maximum effect. These two elements--shape and pattern--engage in a playful and mutually flattering relationship across each knitting pattern. Many of the 20 pieces have unexpected, modern details: an oversized, chunky cable scarf is given vivid personality through color blocking. A shapely sweater sports a pretty pattern around the collar--but instead of a traditional Scandinavian motif, bright polka dots create something fresh and new.

Also available from Norah Gaughan: Norah Gaughan's Knitted Cable Sourcebook, Comfort Knitting & Crochet: Babies & Toddlers, and Comfort Knitting & Crochet: Afghans.

For those new to bulky yarns, Barbara Benson shows you how these yarns work best in lace designs and provides tips and tricks for reading and executing lace patterns. Then you are ready to knit any of the 20 patterns for beautiful lacy shawls, mitts, hats, cowls, blankets, and more.
