Feral Vanessa Vale 2020-06-18 Pack Rule #3: The alpha must mate. The stronger the alpha, the greater the danger. Moon madness could claim me any time now. I've looked all over the continent, gone to mating games, but I still haven't found the she-wolf meant to be mine. I've already become too feral in bed. I'm not safe—not for random females. Especially not the human variety. One just moved into the ranch next door. She's way too tempting. And I'm way too dangerous. I have to stay away. I don't dare get near her. Because I would die before I ever let anything harm the little human. Including me. Sons of Lyra Felicity Heaton 2011-03-08 Sons of Lyra is an anthology of four science fiction romance stories. In *Slave Princess*, Captain Lyra II is one of the sons of Lyra, the handsome princes with passionate hearts. The second eldest son, he's content with the adventure that life with the Lyran Imperial Army offers him. What he isn't content with is his current situation. Not only has he been forced to stop at a backwater port for supplies, but he's leaving with more than he expected—a beautiful and spirited slave woman! In *Runaway Hearts*, Heir Prince Lyra I hates his life, and it's only getting worse. His parents have gone and arranged his marriage. Unable to stand the thought of getting married before he's seen the stars and tasted adventure, he decides to run away. When he meets a beautiful woman with the same agenda, he agrees to go with her, not realising just what twist their future is about to take. In *Fight For Love*, Lieutenant Lyra IV is as sinfully handsome as his brothers, but the one woman he wants is immune to his charm. Every man in his squadron is falling over themselves to win her. Literally. When the reward is getting to see her, he can't stop himself from getting hurt in training. Losing feels like winning when he ends up on her inspection table, and the pain means nothing when she touches him. In *Stranded*, Captain Lyra III is known for his vicious attitude and brilliance in battle. Second youngest of the infamously handsome sons of Lyra, he's a born leader and doesn't take no for an answer. Except this time. Acer is facing a future that seems like a nightmare, a future that has made him realise that the one thing he truly wanted in life may have just slipped through his grasp—his engineer, Stella.
