*Enemies Abroad* - R S Grey 2022-01-20

It's simple: Noah Peterson and I are enemies. Our fellow teachers know it, our friends know it-even the Starbucks drive-through lady knows it since every Monday she scrawls the name A. Hole for me on Noah's cappuccino when I pick up the weekly group order. The shrill whine of the school bell announces the start of each day's no-holds-barred grudge match. Since neither of us is looking to get fired or thrown in prison, we war with our words and our wits. We prefer banter that bites. All day, I'm on edge, looking around every corner, expecting him to do his worst. Just when I think I can't take the sight of his (regretfully) handsome face for one more minute, the school day is done. Summer usually offers the sweetest relief-a two-month Noah detox-but not this year. "We need two volunteers to chaperone a group of eighth graders in Rome" becomes a game of chicken neither one of us is willing to lose. We both want that bonus check. "Back out," I tell him. "Scared?" he taunts. No one thinks it's a good idea for us to go to Rome together, least of all me. Taking this battle abroad will only lead to mayhem and misery. DING. Ladies and gentlemen of flight UA447 with service to Rome, fasten your seatbelts. We're bound to have a bumpy ride.

Her one-nighter is her boss's ex-husband, Chance Dixon. One Hot Roomie Reese Dixon wants to score an American girl like his brother Chance did, but only for a bit of fun, not a relationship. 9-Nov - Colleen Hoover 2016-10-04

One Hot Roomie - Anna Durand 2020-05-01

She's off limits, but that's the hottest setup of all. I want a bit of fun, not a relationship, and I've come to New York to find that. When a mix-up forces me to share an apartment with a sexy little American, it sounds like my dream come true. Except Arden Clover Pesti is my almost sister-in-law's best friend, and she's a virgin. And slightly insane. I shouldn't touch her. But when she purrs that she loves my British accent and sashays around in her skimpy underwear... Arden talks about auras and aliens and microwaves frying our brains. Still, she has the sort of body any man would kill to enjoy for fourteen whole days. And I'm starting to realize she might not be as barmy as I thought. Still, I shouldn't get naked with her. It would be wrong. When she begs me to be her first time, I forget all the reasons we shouldn't do this. After all, I'm the Dixon brother who does the wrong thing the right way. One Hot Roomie is the second book in the Hot Brits series from Anna Durand, author of the bestselling Hot Scots series. Don't miss the audiobook featuring Shane East & Vanessa Edwin!

*Kiss Me Like You Mean It: Inspired By A True Story* - J.R. Rogue 2018-03-22

My love is poison. His kiss is mine. "The first time he saw me I was shattered glass, and he was a shadow. If I had stayed, he would have just faded away." It's strange how easy it is to tell our stories to a stranger's eyes. The truth about Connor Stratford and I had always been a sad tale. Over ten years of chasing, tears, lies, vows, and leaving. Two people who never loved each other at the same time, but couldn't let each other go. Now here I was telling our story over drinks midday in an airport bar with my old diary clutched in my hand. Telling some version of our story, anyway. I left him once with no goodbye. Now I was returning home to give him what he needed to move on. "It's important. It's what you're thinking." I knew what his message meant, sent in the middle of the night after I woke from a fever dream. He was finally ready, and so was I. I just needed to finally give him the kiss he begged for. The one that meant goodbye.

**Doctor Dearest** - R S Grey 2020-02-06

NatalieDr. Easton is part man, part myth. He's a formidable surgeon. Highly respected in his field.He also happens to be an ex-collegiate quarterback with a classically handsome face.Are you catching on yet?He's horrible.Beautiful.A walking Ralph Lauren ad.He's also so off limits he should come with a warning label: This way lies heartache.Not only is he an attending at the hospital where I'm training, he's also my brother's best friend. If you've lost count, that's two reasons why I plan on putting this ridiculous crush behind me. Besides, it's definitely not mutual. Dr. Easton has never once paid me special attention. No tempting smirks. Not even one subtle innuendo. To him, I'm just another resident-all but invisible.ConnorFor the last five years, I've mentored Natalie in the OR, stayed in line, and kept my hands to myself, but it's been agonizing.Natalie is trouble in scrubs. A walking temptation I've been forced to ignore. For so long, I've wanted her in silence. By the time fate finally gets around to throwing me a bone, my patience has run out.Natalie's brother is leaving town, and he wants me to watch over her while he's gone.He has no idea how I feel about her.Neither does she.But she will.Haven't you heard good things come to those who wait, Natalie? Well...I've done my waiting.

**Love the One You Hate** - R S Grey 2020-05-17

Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure—I intend to find out.

Things We Never Got Over - Lucy Score 2022-06-23

THE NEW YORK TIMES BESTSELLER\* THE UNMISSABLE TIKTOK SENSATION\* OVER 1.6 MILLION COPIES SOLD WORLDWIDE Grumpy, small-town barber + hopelessly romantic runaway bride = great big bust ups, all the tension and lots of steamy encounters! Escaping her seemingly perfect wedding, Naomi Witt arrives in rough-around-the-edges Knockemout, Virginia, running to the rescue of her estranged twin, Tina. Too bad for Naomi her evil twin hasn't changed at all. After helping herself to Naomi's car and cash, Tina leaves her with something unexpected: the 11-year-old niece she didn't know she had. Now she's stuck in town with no job, no plan, no home and a whole lot of extra responsibility. There's a reason local barber Knox doesn't do complications or high-maintenance women, especially not the romantic ones. But since Naomi's life imploded right in front of him, the least he can do is help her out of her jam. And just as soon as she stops getting into trouble, he can leave her alone and get back to his peaceful, solitary life. At least that's the plan, until their lives begin to entwine in ways they never imagined . . . \*New York Times bestseller, 18 weeks from October 2022 - February 2023\* \*With 78.9 million views on #thingswenevergotover as of April 2023\* 'I laughed. **By a Thread** - Lucy Score 2023-07-13

From Sunday Times and #1 New York Times bestselling author of Things We Never Got Over Dominic: I got her fired. Okay, so I'd had a bad day, but there's nothing innocent about Ally Morales. Maybe her colourful, annoying, inexplicably alluring personality brightens up the magazine's offices that have felt like a prison for the past year. Maybe I like that she argues with me in front of the editorial staff. And maybe my after-hours fantasies are haunted by her brown eyes and sharp tongue. She's working herself to death at half a dozen dead-end jobs for some secret reason. And I'm going to fix it all. Don't accuse me of caring. She's nothing more than a puzzle to be solved. If I can get her to quit, I can finally peel away all those layers. Then I can go back to salvaging the family name and forget all about the dancing, beer-slinging brunette. Ally: Ha. Hold my beer, Grumpy Grump Face.

**Date Me Like You Mean It** - R S Grey 2021-01-05

I'm good at hiding my feelings. Having to pretend I'm not in love with my best friend? Pfft. That's child's play. Here's how I do it: I avert my eyes when he walks out of his room, shirtless in all his toned glory. I squash the butterflies that fill my stomach every time he slowly unfurls a dimpled smile. And, most importantly, I keep an arsenal of "personal massagers" in my bedside drawer. Wink. Not to brag, but Aiden Smith isn't hard to resist if you've been doing it for as long as I have. In fact, we might have continued as best friends forever if not for the fact that I needed him to play the part of my fake boyfriend. Date me like you mean it, I told him. Nudge nudge. C'mon, just go along with a little lie, help a girl out, and then we can all return to life as we know it. Except he veered from the plan. He crossed the line. Flirting with me when no one else was around? Pinning me down and kissing me like that? Okay, how exactly is taking off my bra part of the ruse, Aiden?! I'd ask him about it if I could, but well...things got ugly and we're not best friends anymore. In fact, we're the exact opposite. Now, I have to play nice even though I want to crush his heart in the palm of my hand. Pretending not to love Aiden was the easy part. Pretending not to hate him? Well...I might need a little more practice.

Book Lovers - Emily Henry 2022-05-03

"One of my favorite authors."—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora

keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

**Never Let Me Go** - Sachin Garg 2012

Hotshot Doc - R. S. Grey 2019-01-04

A full-length STANDALONE romantic comedy from USA TODAY bestselling author R.S. Grey. Dr. Russell has a bad reputation around our hospital. The scrub techs say he's cold-blooded, the nurses say he's too cocky for his own good, and the residents say he's the best surgeon in the world--really, just a swell guy!--on the off chance he's within earshot. I try to avoid him and his temper at all costs. It's just as easy to admire his sexy, grip-it-while-he's-ravishing-you hair and chiseled jaw from a healthy distance, preferably from the other end of the hallway...half-hidden behind a plant. Unfortunately, my plan crumbles when my trusty ol' boss decides to swap his white coat for a Hawaiian shirt. His retirement leaves me with two terrible options: switch specialties and spend months retraining, or take an open position as Dr. Russell's surgical assistant. That means I have to stand near him in the OR for hours on end and anticipate his every need without letting his biting words and bad attitude intimidate me. Oh, and as if that's not difficult enough, my silly crush on him--the one I've tried to stomp on until it disappears--might just be reciprocated. It's fine. I'm fine. I take my job seriously. There will be no smoldering bedroom eyes across the operating table, no angry almost-kisses in the supply closet. (Well, no more of those.) What's the phrase? An apple a day keeps the doctor away? Maybe I should go for a whole damn bushel. **HOTSHOT DOC** is a full-length romantic comedy. For a limited time, I've also included an excerpt from my #1 bestseller **ANYTHING YOU CAN DO!**
