Private - Kate Brian 2012-10-11

Fifteen-year-old Reed Brennan is delighted when she wins a scholarship to Easton Academy - it's the golden ticket out of her suburban life and away from her pill-popping mother. But when she arrives at the beautiful, tradition-steeped campus, everyone is more sophisticated, more gorgeous and a WHOLE lot wealthier than she is. Reed may have been accepted to the Academy, but she certainly hasn't been accepted by her classmates. She feels like she's on the outside, looking in... until she meets the Billings Girls. They're the most beautiful, intelligent and powerful girls on campus. And, boy, do they know it. Reed vows to do whatever it takes to be accepted into their inner circle. But once she's in, she discovers much more than designer clothes hiding in their closets - there are also plenty of skeletons... Secrets which must be kept PRIVATE. Whatever the cost. This compelling series full of dark secrets, mystery and satire is a must for fans of Gossip Girl, Pretty Little Liars and Mean Girls?.

The Art Of Seduction - Robert Greene
2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.
