Expert Witness - Sal Fariello 2010-09

The public's fascination with all things forensic is about to get a steroid shot. *Expert Witness* pushes all of the envelopes. This book doesn't knock gently. It blows the doors off their hinges. Co-author Sal Fariello's real-life experience as one of the country's best forensics experts adds oomph and wows at nearly every turn of the page. Inspired by real court cases, *Expert Witness* is a steamy, erotically charged expose that blows the lid off

corruption in America's legal system. Self-serving lawyers, corrupt judges, expert witnesses for sale, a beautiful young woman whose life will be forever compromised by the lot of them - *Expert Witness* weaves a compelling insider's tale about the putrid underbelly of American justice and the scoundrels who are responsible for its rot. This book is bound to make judges and lawyers very nervous, while non-legal readers will be horrified, enlightened, and perhaps most importantly, entertained by gritty courtroom drama, suspense, erotic tension, bare knuckled confrontations, gutsy social commentary, "CSI" forensics, and lots more!
