The Mammoth Book of Women's Erotic Fantasies - Sonia Florens 2011-01-01

What do women really want? What are their most intimate erotic desires? The confessions gathered together in this volume come from 50 perfectly ordinary women from all parts of the United Kingdom, elsewhere in Europe, North America and Australia. They offer up their most private dreams and most closely kept sexual secrets. Some of their fantasies are shocking, others playful, but all are utterly captivating. The stories lay bare the often bizarre nature of female desire, a buried thread in sometimes mundane lives. Juices run freely at breakfast with Tiffany; another woman enjoys a knickerless ride on public transport; a student experiences an oral examination by the professor of poetry; a housewife joins Club Ped in a foot-fetish fantasy; another woman sleeps her way across America with Kerouac. Erotic and illuminating, these are stories for open-minded, sensual readers.

Dirty Bad Secrets - Jade West 2016-02-17

It's been three years since I set foot in Club Explicit, and three long years since I set eyes on Andy Morgan. He doesn't want me here, doesn't want to know me, doesn't want to even hear my name. But I'm back on his doorstep, in his office, in his life... with a suitcase full of dirty bad secrets. Faye Devere is out to claim her old life back. Three years in Italy have come at a heavy price, and she's running back to the only anchor she has left: her fifty-fifty share of Club Explicit, and the man she left to pick up her pieces. But Andy Morgan's long over it. Long over her. Club Explicit is his baby now. His club, his rules, his way. Andy's not a man who shares easily. And certainly not with the woman who upped and left without so much as a goodbye. When your battlefield is London's horniest playground, and sex is the sole weapon left in your arsenal, it's only a matter of time before the fight gets dirty... and the secrets get dirty bad. WARNING: As is always the case with Jade West novels, please proceed with caution. The book contains hardcore BDSM and sexual practices that may offend some readers. Please use your own discretion. Most definitely 18+ **Dirty** - Megan Hart 2012-09-01

I met him at the candy store. He turned and smiled at me and I was surprised enough to smile back. This was not a children's candy store, mind you—this was the kind of place you went to buy expensive imported chocolate truffles for your boss's wife because you felt guilty for having sex with him when you were both at a conference in Milwaukee. Hypothetically speaking, of course. I've been hit on plenty of times, mostly by men with little finesse who thought what was between their legs made up for what they lacked between their ears. Sometimes I went home with them anyway, just because it felt good to want and be wanted, even if it was mostly fake. The problem with wanting is that it's like pouring water into a vase full of stones. It fills you up before you know it, leaving no room for anything else. I don't apologize for who I am or what I've done in—or out—of bed. I have my job, my house and my life, and for a long time I haven't wanted anything else. Until Dan. Until now.

Walk away with nothing but my freedom... Or rise to his challenge and win my fortune back. I bargained. I lost. Now Jafar owns me, body and soul. Even as my mind rails against his rules, my body loves the punishments he deals out when I break them. But a gilded cage is still a prison, I'll do anything to obtain my freedom.
