R. Crumb's Sex Obsessions - R. Crumb 2007

Randy Robert: Crumb's secret fantasies revealed They have little to do with the standard procreative urge, Mr. Crumb admits. He has also said he finds nothing more boring than someone else's sexual obsessions, and yet through his long career the world's most famous underground cartoonist has felt compelled to include his own sex fantasies in his art. He explains it as a compulsive catharsis, while fans call R. Crumb's erotic fantasies the Master at his

best. Now Crumb has selected his most intimately revealing comic strips and single page drawings to create a 256 page encyclopedic trip through his sexual psyche. All images were created between 1980 and 2006, and all strips are colored for a lush vibrancy never seen in his comic books. In total the book features 14 complete stories, including My Troubles With Women II, If I Were a King, A Bitchin' Bod and How To Have Fun With a Strong Girl, as well as 62 single page drawings. This signed, slipcased, limited edition of 1,000 copies is a work of art in itself, with every part of the book's case, front and back covers, spine, introduction and pre-introduction pages created for this project by Robert Crumb. Each book also comes with a

print on mould-made age-resistant hahnemuehle paper pulled from an original watercolor by Robert Crumb. The artist admits it's a little scary to see his most fevered obsessions collected and to end like this, but fans will find R. Crumb's Sex Obsessions a fascinating peek inside an often tortured, always brilliantly talented mind, as well as an unparalleled collector's item.

Valentina - Guido CREPAX 2017-05-17

Sophisticated, sensual, erotic, irreverent, ironic, surreal: the character of Valentina, created by the great Italian illustrator Guido Crepax (1933-2003), has entranced readers of different generations in every part of the world. She has become such an icon of sensuality and strong symbol of women's emancipation that she has appeared in film. The fashion photographer with the jet black pageboy hairstyle, which frames a face poised between dreaminess and innocence - a look inspired by the American silent cinema actress, Louise Brooks - has treated readers with unforgettable stories and atmospheres, the

mirror and portrait of her time; they have become a cult today. The marvellous drawings of Valentina and the dreamlike art of her "father"/illustrator co 96 pages * 25 x 25 cm me to life in this colouring book, AUTHOR: Guido Crepas (15 July 1933 in Milan - 31 July 2003 in Milan), better known by his nom de plume Guido Crepax, was an Italian comics artist. He is most famous for his character Valentina, created in 1965. The Valentina series of books and strips became noted for Crepax's sophisticated drawing, and for the psychedelic, dreamlike storylines, generally involving a strong dose of eroticism. A film based on his work called Baba Yaga, featuring the character Valentina, was made in 1973. In which the refined illustrations of the comic strip can be easily coloured, while maintaining their elegant, melancholy glamour. In this book, you can feel the emotion of interacting with one of the greatest masters of the comic strip, relive the adventures of one of the best-loved characters of the imagination, and

The Story of Sex - Philippe Brenot 2017-10-31

The first graphic history of sex chronicles sexuality and human intimacy through the ages, from our primate pasts to our robotic futures. Humans have had sex on the brain since pre-civilization either for pleasure, power, revenge, a desire for children, or simply because it isn't allowed. Today, sex is all around us but it's rarely explained and almost never taught. In *The Story of Sex*, sexologist Phillippe Brenot combines anthropology, sociology, psychology and history with witty comics by Latetita Coryn for an in-depth explanation of this essential aspect of humanity. Organized chronologically into sections like *Babylon: Free Love*, *The Middle Ages: Heaven and Hell*, and *The 20th Century: Sexual Liberation*, Brenot explores what eroticism really is, how our ancestors behaved sexually, when the first couple was established, how superstition and morality laws shaped

sexuality, the use of pornography in the digital age, and how some ancient civilizations were far ahead of their time when it came to gender equality. Full of fascinating details like Cleopatra's invention of the vibrator and a Dutch shopkeeper's accidental discovery of the existence of sperm--all accompanied by hilarious comics and dialogue -- *The Story of Sex* is informative, unique, and entertaining book.

[Why Comics?](#) - Hillary Chute 2017-12-05

A *New York Times* Notable Book Filled with beautiful color art, dynamic storytelling, and insightful analysis, Hillary Chute reveals what makes one of the most critically acclaimed and popular art forms so unique and appealing, and how it got that way. "In her wonderful book, Hillary Chute suggests that we're in a blooming, expanding era of the art... Chute's often lovely, sensitive discussions of individual expression in independent comics seem so right and true." — *New York Times* Book Review Over the past century, fans have elevated comics from the

back pages of newspapers into one of our most celebrated forms of culture, from *Fun Home*, the Tony Award-winning musical based on Alison Bechdel's groundbreaking graphic memoir, to the dozens of superhero films that are annual blockbusters worldwide. What is the essence of comics' appeal? What does this art form do that others can't? Whether you've read every comic you can get your hands on or you're just starting your journey, *Why Comics?* has something for you. Author Hillary Chute chronicles comics culture, explaining underground comics (also known as "comix") and graphic novels, analyzing their evolution, and offering fascinating portraits of the creative men and women behind them. Chute reveals why these works—a blend of concise words and striking visuals—are an extraordinarily powerful form of expression that stimulates us intellectually and emotionally. Focusing on ten major themes—disaster, superheroes, sex, the suburbs, cities, punk, illness and disability, girls, war, and

queerness—Chute explains how comics get their messages across more effectively than any other form. "Why Disaster?" explores how comics are uniquely suited to convey the scale and disorientation of calamity, from Art Spiegelman's representation of the Holocaust and 9/11 to Keiji Nakazawa's focus on Hiroshima. "Why the Suburbs?" examines how the work of Chris Ware and Charles Burns illustrates the quiet joys and struggles of suburban existence; and "Why Punk?" delves into how comics inspire and reflect the punk movement's DIY aesthetics—giving birth to a democratic medium increasingly embraced by some of today's most significant artists. Featuring full-color reproductions of more than one hundred essential pages and panels, including some famous but never-before-reprinted images from comics legends, *Why Comics?* is an indispensable guide that offers a deep understanding of this influential art form and its masters.

Effigy: Idle Worship - Tim Seeley 2015-09-01
 Chondra Jackson is a star who fell to Earth. A preteen actress who was an idol to millions, she solved space crimes before dinnertime, playing Bebe Soma on the smash-hit kids' TV show Star Cops. But all stars fade, and after Chondra aged out of the spotlight, the sex tape she made in an attempt to extend her 15 minutes wound up destroying her career. Now she works as a beat cop in her hometown of Effigy Mound, Ohio, where she's about to catch a case as crazy as anything the Star Cops ever faced. Chondra's fans, it turns out, are still obsessively dedicated to her, having built a close-knit community through message boards, conventions and cosplay. And someone is killing them, one by one. Someone who knows the strange truth behind Star Cops' fiction and the reclusive writer who created it. Someone who knows that fandom is the new true religion. Someone who knows that God is an alien life-form, and that real stars shine on forever... Co-creators Tim

Seeley and Marley Zarcone put the "cult" back in "pop culture" with EFFIGY: IDLE WORSHIP-a small-town supernova of sex, sci-fi and celebrity! Collects EFFIGY #1-7.

25,000 Years of Erotic Freedom - Alan Moore
2013-04-15

With each new technological advance, pornography has proliferated and degraded in quality. Today, porn is everywhere, but where is it art? *25,000 Years of Erotic Freedom* surveys the history of pornography and argues that the success and vibrancy of a society relates to its permissiveness in sexual matters. This history of erotic art brings together some of the most provocative illustrations ever published, showcasing the evolution of pornography over diverse cultures from prehistoric to modern times. Beginning with the Venus of Willendorf, created between 24,000-22,000 bce, and book-ended by contemporary photography, it also

contains a timeline covering major erotic works in several cultures. *25,000 Years of Erotic Freedom* ably captures the ancient and insuppressible creative drive of the sexual spirit, making this book a treatise on erotic art.

In Bed with David & Jonathan - Tom Bouden
2006

David & Jonathan are two innocent-looking young men who meet each other amidst the prowlers in the park late one night - at least that is what seems to be the case at the outset. Just behind their angelic fašades, however, are devils in disguise. This `second skin' is what we get to see - details from the boys' public and private lives. The hard, cold facts from the story of David & Jonathan contrast wonderfully to the first impression of nāvet© in these comics, drawn in a style reminiscent of the world-famous Tintin.
