Lost Boi - Sassafras Lowrey 2015-04-06

Lambda Literary Award finalist In Sassafras Lowrey's gorgeous queer punk reimagining of the classic Peter Pan story, prepare to be swept overboard into a world of orphaned, abandoned, and runaway bois who have sworn allegiance and service to Pan, the fearless leader of the Lost Bois brigade and the newly corrupted Mommy Wendi who, along with the tomboy John Michael, Pan convinces to join him at Neverland. Told from the point of view of Tootles, Pan's best boi, the lost bois call the Neverland squat home, creating their own idea of family, and united in their allegiance to Pan, the boi who cannot be broken, and their refusal to join ranks with Hook and the leather pirates. Like a fever-pitched dream, Lost Boi situates a children's fantasy within a subversive alternative reality, chronicling the lost bois' search for belonging, purpose, and their struggle against the biggest battle of all: growing up. Sassafras Lowrey is a straight-edge queer punk who won the Lambda Literary Emerging Writer Award and was named to the inaugural Trans 100 list by We Be Trans. Sassafras's books, *Kicked Out*, *Roving Pack*, and *Leather Ever After*, have been honored by organizations ranging from the National Leather Association to the American Library Association.

The Age of Absurdity - Michael Foley 2011-02-03

In a world that demands conspicuous consumption, high-octane relationships and perpetual youth, we can find ourselves tormented by dissatisfaction and anxiety, fearful that everyone is having a better time than we are

Sex & God - Darrel Ray Ed D. 2012

Why are all the major religions consumed with sex? What makes sex so important, whether Buddhism or Islam, Christianity or Mormonism? What is the impact of religion on human sexuality? This book explores this and more. It ventures into territory that has never been examined. You will be surprised at how much religion has influenced your sexuality, who you marry, the pleasure you get or don't get from sex, and what you can do about it.

Scum Cinema - W Richard Benash 2020-05-06

Scum Cinema is a social and cultural journey through the 100-year history of America's most critically derided, culturally reviled, and often misunderstood style of filmmaking - exploitation. From the very first feature-length exploitation film, 1913's *Traffic in Souls*, to *Reefer Madness*, *Mom and Dad*, *The Immoral Mr. Teas*, *Blood Feast*, *It's Alive*, *Ilsa: She-Wolf of the SS*, *The Toxic Avenger*, *The Human Centipede*, and many other films in between, exploitation films have been alternately called crude, disgusting, trashy, and occasionally brilliant. Their makers were often figures on society's social, cultural, and political margins. Some were hucksters looking to make a quick buck and others were passionate artists attempting to make a deeply-felt personal statement despite having few resources at their disposal. Exploitation films are far from a cultural oddity; they have existed for as long as film itself. Despite their reputation as a form of low culture, they were hardly garbage for the sake of being so; in their crudity and audacity they revealed unique observations about the society that produced them. Scum Cinema is the story of exploitation films and those who made them. Its research was conducted with academic rigor, but it is written in a style that will appeal to both the film student and the casual fan. Scum Cinema is one of the most detailed examinations of an often ignored style of American film, and is an essential addition to any serious library of film literature.

The Illuminati Manifesto - Solomon Tulbure 2001

"...By the late 1600s Masonic lodges were abandoning the rules of the masters and all forms of infighting took place. The Masonic Brotherhood was to remain a secular institution, but renegades started their own Masonic Lodges, invented initiation rituals, and permitted just about anyone whom wished and had wealth or position of power to join their Lodges. The Church, even though it banished and denounced the Masonic Order, sent agents (Jesuit priests) to infiltrate the organization, which until the 1700 was comprised of secularists, philosophers and the educated elite and men of influence. In 1701 a group of friends gathered together at the house of a host whom had invited them to his birth day party. It is during this occasion, while the 13 of them were in the host' cellar admiring the fine wine collection and relaxing in the cool of the

chamber that the issue of politics and religion was brought up. These wealthy friends decided then and there to seek out all the Masons whom were atheists, deists, agnostics and freethinkers and initiate them into "a circle of friends" with the goal to eradicate religion and seek to free man kind from the chains of superstition. The new initiates were taught the art of the Craft and learned to master it and use it to find potential new recruits. Adam Weishaupt was soon called before the council and asked if he would be the "Initiator of the Order" later to be known as The Illuminati Order. Weishaupt was very successful, as he had deep and far-reaching connections as well as close friendship with the Enlightened Masons of Europe. He set up many Illuminati Lodges within the European Lodges, and charged a group of loyal friends to start Lodges in America and recruit every liberal minded person of notoriety. The Circle of Friends already had special friends in America and the founding fathers of the US constitution were among the strongest Illuminists, having recruited many industrialists and bought many others with funds provided by the Circle of Friends. John Adams had established many institutions in France, Germany, and England, after which the Illuminati were ordered to operate from deep underground cover."

Corruption Runs Deep - Futa Contractor 2016-11-01

When Jillian is browsing online she comes across lewd images of Futanari women with Horse endowments. Faced with shame she is then humiliated by a witch who knowingly curses her to live like the images she ran across. Can Jillian find a cure before succumbing to her inner desires?

Rapture - Susan Minot 2003

A chronicle of a relationship from alternate perspectives. Benjamin remembers when he first met Kay and the choices that faced him. Kay recalls the dread and the thrill of their first night together and wonders how she has let him slip back into her life. A powerful, sensuous new novel from the author of 'Evening'.

Arrogant Bastard - Zara Cox 2017-09-12

'This sizzling hot read will take you to places you've never been before' The Sun on Beautiful Liar I'm known as the Black Widow because the desires I hide inside are pure poison. I was a different person once. Faith, a young wife, hoping to become a mother. My life was pleasant. Stable. It was hell. Until Killian Knight opened my eyes to a world of espionage and intrigue. He saw something in me, something I was too afraid to acknowledge. I didn't want to be excited by the danger. Didn't want to crave the wicked passion only he could provide. But I did want, so now I run. And I pay. I never meant to corrupt her, but I'm not sorry. After all, I'm already damned. After four years of searching and longing, I've finally found her. Faith, the one person in the world I breathe for. She lives beneath my skin as surely as I wear proof of our transgressions inked on my body. And like the forbidden fruit that doomed us from the beginning, our end is inevitable. We lived with no regret. We loved without inhibition. We betrayed those closest to us. We killed for that love. Now . . . we will burn in hell together. Praise for Beautiful Liar: 'An exotically filthy, devastatingly beautiful story, that will captivate and tease you long after the book is finished' Audrey Carlan, No.1 New York Times bestselling author 'Zara Cox is known for scorching reads and she delivers again with Beautiful Liar. Add in a twisty plot and the pages fly by on this read!' Jana Aston, New York Times bestselling author 'Wow! This book is so well written, it blows me away! Do whatever you have to do before you start reading, because you won't be able to put the book down once you start it, and prepare yourself for a fabulous, smoking hot read which will wring out your emotions and leave you totally satisfied!' Tabitha A Lane, bestselling author of Trade 'This is Fifty Shades and then some. I recommend it to anyone that loved Mr Grey. As well as raunchy sex scenes, the emotional power is immense and will stay with you long after you finish the book' Rachael Stewart

Who Do You Love - Jennifer Weiner 2015-08-11

From the "hilarious, heartbreaking, and insightful" (The Miami Herald) bestselling author Jennifer Weiner comes a sweeping, modern day fairy tale about first romance and lasting love. Rachel Blum and Andy Landis are eight years old when they meet late one night in an ER waiting room. Born with a congenital heart defect, Rachel is a veteran of hospitals, and

she's intrigued by the boy who shows up all alone with a broken arm. He tells her his name. She tells him a story. After Andy's taken back to the emergency room and Rachel's sent back to her bed, they think they'll never see each other again. Rachel, the beloved, popular, and protected daughter of two doting parents, grows up wanting for nothing in a fancy Florida suburb. Andy grows up poor in Philadelphia with a single mom and a rare talent that will let him become one of the best runners of his generation. Over the course of three decades, through high school and college, marriages and divorces, from the pinnacles of victory and the heartbreak of defeat, Andy and Rachel will find each other again and again, until they are finally given a chance to decide whether love can surmount difference and distance and if they've been running toward each other all along. With honesty, wit, and clear-eyed observations about men and women, love and fate, and the truth about happy endings, Jennifer Weiner delivers two of her most memorable characters, and a love story you'll never forget.

The Sexual Life of Catherine M. - Catherine Millet 2014-09-18

The sensational erotic memoir that shocked the world, now a Serpent's Tail Classic.

Have More Money Now - John Layfield 2007-11-01

So you're holding this book in your hand, wondering: Just what does this WWE Superstar know about the world of finance? Have you ever been down to your last twenty-seven dollars, out of a job, and wondering what you were going to do? If anyone needed to learn about finance, it was that person -- and he was me. I've had to learn through my own mistakes, and now you can learn from me. I break it all down for you in easy-to-understand language: Give Yourself a Pay Cut Set Your Goals Before You Start Living Within Your Means You Can't Crash-Diet -- Or Crash-Budget Good Debt vs. Bad Debt How Much Can You Spare? Keep It Simple Buy-and-Hold Doesn't Mean Buy-and-Ignore I might not work on Wall Street nor have a finance degree, but I've learned how to save, how to invest. And you too can Have More Money Now.

The Witch and the Dragon - Levana Hyll 2013-02-01

Zachariel Wilder is adored by some as a rockstar, abhorred by others as one of the original seven Alpha Angels, and feared by more as a demonic fallen angel. He prides himself on control-over his emotions, over his body, and over his beastly side. But mostly, over those that take the chance to play by the golden weredragon's rules, where he is Lord and Master. So you can imagine his surprise when he finds his jaded heart ensnared by the spell of a little Arborian witch. Alluna is sweet, innocent, untouched, and Zak can't get her out of his mind. It's driving him insane. Alluna needs punishment for daring to enslave his heart. Now, if he can only convince himself he really wants to break the spell...especially when loving her feels sooo right.

Empire of Illusion - Chris Hedges 2009-07-28

Pulitzer prize-winner Chris Hedges charts the dramatic and disturbing rise of a post-literate society that craves fantasy, ecstasy and illusion. Chris Hedges argues that we now live in two societies: One, the minority, functions in a print-based, literate world, that can cope with complexity and can separate illusion from truth. The other, a growing majority, is retreating from a reality-based world into one of false certainty and magic. In this "other society," serious film and theatre, as well as newspapers and books, are being pushed to the margins. In the tradition of Christopher Lasch's *The Culture of Narcissism* and Neil Postman's *Amusing Ourselves to Death*, Hedges navigates this culture — attending WWF contests as well as Ivy League graduation ceremonies — exposing an age of terrifying decline and heightened self-delusion.

Bad Behaviour - Mary Gaitskill 2019-05-02

Mary Gaitskill's tales of desire and dislocation in 1980s New York caused a sensation with their frank, caustic portrayals of men and women's inner lives. As her characters have sex, try and fail to connect, play power games and inflict myriad cruelties on each other, she skewers urban life with precision and candour. 'Stubbornly original, with a sort of rhythm and fine moments that flatten you out when you don't expect it, these stories are a pleasure to read' Alice Munro 'An air of Pinteresque menace hangs over these people's social exchanges like black funereal hunting ... Gaitskill writes with such authority, such radar-perfect detail' Michiko Kakutani, *The New York Times*

Master of the Universe - Snowqueens Icedragon 2013-08-08

Bella Swan is drafted in to interview the reclusive enigmatic Edward Cullen, multi-millionaire CEO of his company. It's an encounter that will change her life irrevocably, leading her to dark realms of desire. The *Fifty Shades* trilogy was developed from a Twilight fan fiction series originally titled *Master of the Universe* and published episodically on fan-fiction websites under the pen name "Snowqueen's Icedragon". The piece

featured characters named after Stephenie Meyer's characters in *Twilight*, Edward Cullen and Bella Swan.

Accelerando - Charles Stross 2010-11-04

His most ambitious novel to date, *ACCELERANDO* is a multi-generational saga following a brilliant clan of 21st-century posthumans. The year is some time between 2010 and 2015. The recession has ended, but populations are ageing and the rate of tech change is accelerating dizzyingly. Manfred makes his living from spreading ideas around, putting people in touch with one another and leaving a spray of technologies in his wake. He lives at the cutting edge of intelligence amplification technology, but even Manfred can take on too much. And when his pet robot cat picks up some interesting information from the SETI data, his world - and the world of his descendants - is turned on its head.

Being a Man For Himself - Grillytilly 2017-02-24

At his mother's funeral Henry realizes he's not happy with his life. He about his job where no one appreciates what he does. He's not happy with his wife who ignores him and his needs. He's not happy and he wants to do something about it. Then Henry discovers that the world doesn't like change and it will try to keep him caged in his tiny box. But Henry isn't going to take it anymore and he's breaking his way out.

The Pisces - Melissa Broder 2018-05-01

LONGLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE
LONGLISTED FOR THE WOMEN'S PRIZE FOR FICTION "Bold, virtuosic, addictive, erotic - there is nothing like *The Pisces*. I have no idea how Broder does it, but I loved every dark and sublime page of it." —Stephanie Danler, author of *Sweetbitter* Lucy has been writing her dissertation on Sappho for nine years when she and her boyfriend break up in a dramatic flameout. After she bottoms out in Phoenix, her sister in Los Angeles insists Lucy dog-sit for the summer. Annika's home is a gorgeous glass cube on Venice Beach, but Lucy can find little relief from her anxiety — not in the Greek chorus of women in her love addiction therapy group, not in her frequent Tinder excursions, not even in Dominic the foxhound's easy affection. Everything changes when Lucy becomes entranced by an eerily attractive swimmer while sitting alone on the beach rocks one night. But when Lucy learns the truth about his identity, their relationship, and Lucy's understanding of what love should look like, take a very unexpected turn. A masterful blend of vivid realism and giddy fantasy, pairing hilarious frankness with pulse-racing eroticism, *THE PISCES* is a story about falling in obsessive love with a merman: a figure of Sirenian fantasy whose very existence pushes Lucy to question everything she thought she knew about love, lust, and meaning in the one life we have.

India in Love - Ira Trivedi 2014

A ground-breaking look at the sexual revolution that is beginning to sweep through urban India. The National Bestseller *India in Love: Marriage and Sexuality in the 21st Century* is a ground-breaking look at the sexual revolution that is starting to sweep through urban India. Bestselling author Ira Trivedi travelled from Shilling in the northeast to Chennai in the south, Konark in the east to Mumbai in the west and over a dozen other cities and towns in order to gain unprecedented insights into changing sexual habits, marriage and love everywhere in the country. The book explores the mating habits of young Indians on college campuses and in offices, examines the new face of Indian pornography and prostitution, probes India's gay revolution and delves into history, economics and sociology to try and understand how the nation that gave the world the *Kamasutra* could have become a closed, repressed society with a shockingly high incidence of rape and violence against women the dark underside to the greater sexual freedom that men and women in our cities have begun to enjoy today. Trivedi goes deep into one of the most enduring institutions of Indian society marriage and investigates how it is faring in modern times. She interviews marriage brokers, astrologers, lawyers, relationship counsellors, 'love commandos', parents and nervous young brides and grooms, amongst others, to present a nuanced picture of the state of marriage in the country. She discovers that love marriages are skyrocketing and even the age-old arranged marriage is undergoing a transformation. Also on the rise are divorces, extra-marital affairs, open marriages, live-in-relationships and the like. Supporting her eye-opening reportage with hundreds of interviews, detailed research, authoritative published surveys and discussions with experts on various aspects of sexuality and marriage, Trivedi has written a book that is often startling, sometimes controversial, but is always entertaining and original.

Invisible Armies - Jon Evans 2007-06-26

From the mines of remote India, to the streets of Paris and the lights of

Las Vegas, Danielle Leaf is pursued by a terrible secret. Danielle came to India to find herself. Then she agreed to deliver a passport for her ex-boyfriend, legendary computer hacker Keiran Kell. It seemed like a simple favor for a friend - until she was abducted by thugs and imprisoned in a nightmarish cell. She is soon joined by another captive: Laurent, a Foreign Legionnaire turned international activist. Their daring escape is only the beginning. Now Danielle has been drawn into a war between a transnational mining company that is poisoning thousands of Third World farmers, and the invisible armies of anti-corporate protestors who oppose it. A cause, finally, that she can believe in. Amidst a whirlwind romance on the Goa coast, bloody street battles in Paris,

cyberspace duels between shadowy hackers, and a bomb gone wrong in London, Danielle, Laurent and Keiran grow more deeply involved in this battle than they ever expected ... until the line between right and wrong begins to blur. For both sides of this war are willing to kill for their cause - and both sides hide deadly secrets. Award-winning author Jon Evans returns with new heroes and a compulsive, fast-paced story that examines issues of corporate exploitation and the extreme edge of anti-globalization activism. Invisible Armies is Cold War suspense for the modern age, a thriller that looks behind the power of protests and the politics of big business.
