Materijali za istorijata na Makedonija - 1982

The Publishers Weekly - 1987

Culture, Society and Sexuality - Richard Guy Parker 1999

This work offers an introduction to the central debates in sexuality research. Among the issues examined are the social and cultural dimensions of sex, human sexuality and sex research.

Sexualities: Sexualities and their futures - Kenneth Plummer 2002

Volume 3: Difference and Diversity of Sexualities. This section examines the politics, power and critique of sexual categories -including bisexuality, sex addiction, prostitution and sadomasochism.

The Time of AIDS - Gilbert Herdt 1992-01-29

The widespread tragedy of the AIDS epidemic is forcing social scientists to change the way they think about and study subgroups within the majority culture. How is the concept of culture relevant to the study of AIDS? How can social science methods be used to uncover the epidemiology of this deadly disease? And, how can social scientists deploy what they learn to help solve the problems posed by AIDS? The Time of AIDS explores and provides provocative insights on these three critical issues. By examining research conducted with various cultural groups and in different countries, the authors offer insight on how to identify the distinct way different communities respond to the threat of this disease. These studies demonstrate that a single theory and method will not capture the importance of the AIDS epidemic, but a close look at the culture and psychology of a society can inspire more effective ways of education, intervention, and arrest of the transmission of the virus. Researchers and practitioners in anthropology, psychology, sociology, and nursing will benefit from this enlightening volume.

Flesh - Winston Leyland 1982

True Homosexual Experiences from S.T.H. Volume 2 A re-issue of the gay classic in the famous S.T.H. series. Men write 'with no holds barred' about their most intimate sexual experiences. Puts the 'sex' back into homosexuality.

American Book Publishing Record - 1996

Medical and Health Care Books and Serials in Print - 1997

Handbook of Studies on Men and Masculinities - Michael S. Kimmel 2005

The handbook provides a broad view of masculinities primarily across the social sciences, but including important debates in areas of the humanities & natural sciences.

Culture, Society And Sexuality - Peter Aggleton 2002-01-04

Since the beginnings of time, people have been interested in sex - the form it takes, the pleasure it can give, the circumstances in which it occurs, and what it means - both for the individuals concerned and to society more generally. Often seen as a synonym for love, sometimes as an expression of power, and infrequently as a means of exploitation and abuse, sex is a complex and multi-faceted aspect of human behaviour that has been written about by numerous writers and theorists worldwide. This book offers an introduction to the central debates in sexuality research. Among the issues examined are the social and cultural dimensions of sex, human sexuality and sex research. It will be of use to students of sociology, cultural studies, and health and behavioural studies.

Queer Frontiers - Joseph Allen Boone 2000

From the history of gay and lesbian studies to the emergence of video bars, from an interview with Cherrie Moraga to a photo record of 1950s gay Los Angeles these essays tackle the past, present and future of gay sexuality from all directions.

Gay Roots - Winston Leyland 1991

Essays, fiction, and poetry originally published in Gay sunshine journal by Gay Sunshine Press.

AB Bookman's Yearbook - 1983

Books In Print 2004-2005 - Bowker Editorial Staff 2004

Forthcoming Books - Rose Arny 1999

Paperbound Books in Print - 1992

Small Press Record of Books in Print - Len Fulton 1993

Flesh - Boyd McDonald 1982

Manual do pedólatra amador - Glauco Mattoso 1986

Books in Print Supplement - 1985
