To Be an Israeli - Roberta Kagan 2016-03-04

This is the story of Elan Amsel, a man who has sacrificed everything for his beloved Israel. It is also the story of the women who loved him: Katja, the girl he cherished but could never marry; Janice, the spoiled American he married to fill a void and who has a devastating secret; and Nina, the beautiful Mossad agent he longed to protect.

The Demon in the Freezer - Richard Preston 2003-08-26

"The bard of biological weapons captures the drama of the front lines."—Richard Danzig, former secretary of the navy The first major bioterror event in the United States—the anthrax attacks in October 2001—was a clarion call for scientists who work with "hot" agents to find ways of protecting civilian populations against biological weapons. In *The Demon in the Freezer*, his first nonfiction book since *The Hot Zone*, a #1 New York Times bestseller, Richard Preston takes us into the heart of Usamriid, the United States Army Medical Research Institute of Infectious Diseases at Fort Detrick, Maryland, once the headquarters of the U.S. biological weapons program and now the epicenter of national biodefense. Peter Jahrling, the top scientist at Usamriid, a wry virologist who cut his teeth on Ebola, one of the world's most lethal emerging viruses, has ORCON security clearance that gives him access to top secret information on bioweapons. His most urgent priority is to develop a drug that will take on smallpox—and win. Eradicated from the planet in 1979 in one of the great triumphs of modern science, the smallpox virus now resides, officially, in only two high-security freezers—at the Centers for Disease Control in Atlanta and in Siberia, at a Russian virology institute called Vector. But the demon in the freezer has been set loose. It is almost certain that illegal stocks are in the possession of hostile states, including Iraq and North Korea. Jahrling is haunted by the thought that biologists in secret labs are using genetic engineering to create a new superpox virus, a smallpox resistant to all vaccines. Usamriid went into a state of Delta Alert on September 11 and activated its emergency response teams when the first anthrax letters were opened in New York and Washington, D.C. Preston reports, in unprecedented detail, on the government's response to the attacks and takes us into the ongoing FBI investigation. His story is based on interviews with top-level FBI agents and with Dr. Steven Hatfill. Jahrling is leading a team of scientists doing controversial experiments with live smallpox virus at CDC. Preston takes us into the lab where Jahrling is reawakening smallpox and explains, with cool and devastating precision, what may be at stake if his last bold experiment fails.

The Joy of Basketball - Ben Detrick 2021-11-09

A vibrant, unconventional, highly opinionated guide to the triumphs, joys, struggles, and heartbreaks of the modern era of the game, for every obsessive basketball fan who loves to hate hot takes *The Joy of Basketball* celebrates the meteoric rise of basketball over the last quarter century by ignoring the bland, traditionalist binary of wins or losses. Instead, the book's focus is on everything else. Using text, charts, and illustrations that upend conventional jock wisdom, the book details the most incredible players in history, draft flops, long-limbed oddballs, superteams, the international talent wave, brawls, scandals, the rapid evolution of contemporary gameplay, coaching, fashion, crime, positional erosion, tragic tales, memes, and the sacred Kardashian Blessing. Bouncing between witty graphics and keen sociopolitical observations, *The Joy of Basketball* is a subversive sports manifesto camouflaged as a colorful reference book for your coffee table.

You Are My Sunshine - Roberta Kagan 2023-10-12

Animal Liberation - Peter Singer 2015-10-01

How should we treat non-human animals? In this immensely powerful and influential book (now with a new introduction by Sapiens author Yuval Noah Harari), the renowned moral philosopher Peter Singer addresses this simple question with trenchant, dispassionate reasoning. Accompanied by the disturbing evidence of factory farms and laboratories, his answers triggered the birth of the animal rights movement. 'An extraordinary book which has had extraordinary effects... Widely known as the bible of the animal liberation movement' Independent on Sunday In the decades since this landmark classic first appeared, some public attitudes to animals may have changed but our continued abuse of animals in factory farms and as tools for research shows that the underlying ideas Singer exposes as ethically indefensible are still dominating the way we treat animals. As Yuval Harari's brilliantly argued introduction makes clear, this

book is as relevant now as the day it was written.

If This Gets Out - Sophie Gonzales 2021-12-07

"If This Gets Out is an absolute showstopper! Equal parts edgy and adorable, this bright, joyful book has everything I look for in a queer YA romance." - Phil Stamper, bestselling author of *The Gravity of Us* One of the world's biggest boy bands. A secret love. What happens if the world finds out? A queer YA boy band romance from Sophie Gonzales and Cale Dietrich, perfect for fans of *Only Mostly Devastated* and *What If It's Us*. Eighteen-year-olds Ruben Montez and Zach Knight are two members of the boy-band Saturday, one of the biggest acts in America. Along with their bandmates, Angel Phan and Jon Braxton, the four are teen heartbreakers in front of the cameras and best friends backstage. But privately, cracks are starting to form: their once-easy rapport is straining under the pressures of fame, and Ruben confides in Zach that he's feeling smothered by management's pressure to stay in the closet. On a whirlwind tour through Europe, with both an unrelenting schedule and minimal supervision, Ruben and Zach come to rely on each other more and more, and their already close friendship evolves into a romance. But when they decide they're ready to tell their fans and live freely, Zach and Ruben start to truly realize that they will never have the support of their management. How can they hold tight to each other when the whole world seems to want to come between them? "Deftly explores the dark side of fame and the giddy thrill of first - and forbidden - love." - Mackenzi Lee, New York Times bestselling author "A sweet and swoon-worthy romance. Zach and Ruben are a pitch-perfect duet!" - Caleb Roehrig, author of *Last Seen Leaving* "Dazzles . . . with a narrative of queer boy-bandmates who wrestle with newfound fame, and newfound feelings for each other. Readers will fall in love." - Adam Sass, author of *Surrender Your Sons* "Blends the ache and the beauty of coming out under the lights of celebrity with the ways in which queer love is told to stay hidden, even when it's the only thing keeping the music going." - L.C. Rosen, author of *Camp*

Life and Labors of Elder John Kline, the Martyr Missionary - John Kline 2022-09-04

DigiCat Publishing presents to you this special edition of "Life and Labors of Elder John Kline, the Martyr Missionary" (Collated from his Diary by Benjamin Funk) by John Kline. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Sarah and Solomon - Roberta Kagan 2022-02-20

"?Fathers and mothers: Give me your children!" - Chaim Rumkowski It is September 1942, and the already battered occupants of the Lodz Ghetto have just been dealt another horrendous blow from Hitler's iron fist. They must surrender their sick, elderly, and children for 'deportation.'Zelda, a distraught mother, decides she must do whatever it takes to save her two young children from the certain death that was sure to follow. She must take the ultimate risk. But, her daring escape meets with a snag: she cannot fit through the barbed wire. The heartbreaking reality is the little ones must escape without her. Nine-year-old Solomon and five-year-old Sarah must grope their way through a dark world wrapped in a fog of hatred and treachery. But, even in the darkest hour, there is always a flicker of light. The perilous path of these two young, innocent souls will be lit by people whose warm lights will always shine in our memories.

The Manchurian Candidate - Richard Condon 2013-09-05

'Brilliant...wild and exhilarating' New Yorker Sgt Raymond Shaw is a hero of the first order. He's an ex-prisoner of war who saved the life of his entire outfit, a winner of the Congressional Medal of Honor, the stepson of an influential senator...and the perfect assassin. Brainwashed during his time as a POW he is a 'sleeper', a living weapon to be triggered by a secret signal. He will act without question, no matter what order he is made to carry out. To stop Shaw, his former commanding officer must uncover the truth behind a twisted conspiracy of torture, betrayal and power that will lead both to the highest levels of the government. - and to Shaw's own past...

Forever, My Homeland - Roberta Kagan 2016-05-15

A group of Americans have traveled to Israel with their synagogue. Meanwhile, a group of radical Islamists plans to use the tour group as a pawn in a game to free member terrorists who are being held in Israeli prisons. The terrorists, however, much contend with Elan Amsel, a Mossad agent who has devoted his life to the survival of his beloved Israel.

A Flicker of Light - Roberta Kagan 2012

As of 5/22/12 this entire book has been rewritten and reedited. In 1935, the Nazis established a program called "The Lebensborn." Their agenda, to genetically engineer perfect Aryan children. These children were to be the new master race, once Hitler had cleared all undesirable elements out of Europe. Within a year the first institution was built. The year is 1943....The forests of Munich are crawling with danger under the rule of "The Third Reich," but in order to save the life of her unborn child Petra Jorgenson must escape from the Lebensborn Institute. Alone, seven months pregnant, and penniless avoiding the watchful eyes of the armed guards in the overhead tower, she waits until the dead of night. Then, Petra climbs under the flesh shredding barbed wire that surrounds the institute and at the risk of being captured and murdered she runs headlong into the terrifying desolate woods. Even during one of the darkest periods in the history of mankind, when horrific acts of cruelty became commonplace and Germany seemed to have gone crazy following the direction of a madman, unexpected heroes came to light. And although there were those who would try to destroy it, true love would prevail. Here, in this lost land ruled by human monsters, Petra will learn that even when one faces what appears to be the end of the world if one looks hard enough one will find that there is always "A Flicker Of Light."

The Pandemic Century - Mark Honigsbaum 2019-03-09

Like sharks, epidemic diseases always lurk just beneath the surface. This fast-paced history of their effect on mankind prompts questions about the limits of scientific knowledge, the dangers of medical hubris, and how we should prepare as epidemics become ever more frequent. Ever since the 1918 Spanish influenza pandemic, scientists have dreamed of preventing catastrophic outbreaks of infectious disease. Yet, despite a century of medical progress, viral and bacterial disasters continue to take us by surprise, inciting panic and dominating news cycles. From the Spanish flu and the 1924 outbreak of pneumonic plague in Los Angeles to the 1930 'parrot fever' pandemic and the more recent SARS, Ebola, and Zika epidemics, the last 100 years have been marked by a succession of unanticipated pandemic alarms. Like man-eating sharks, predatory pathogens are always present in nature, waiting to strike; when one is seemingly vanquished, others appear in its place. These pandemics remind us of the limits of scientific knowledge, as well as the role that human behaviour and technologies play in the emergence and spread of microbial diseases.

Damn Delicious - Rhee, Chungah 2016-09-06

The debut cookbook by the creator of the wildly popular blog Damn Delicious proves that quick and easy doesn't have to mean boring. Blogger Chungah Rhee has attracted millions of devoted fans with recipes that are undeniable 'keepers'-each one so simple, so easy, and so flavor-packed, that you reach for them busy night after busy night. In Damn Delicious, she shares exclusive new recipes as well as her most beloved dishes, all designed to bring fun and excitement into everyday cooking. From five-ingredient Mini Deep Dish Pizzas to no-fuss Sheet Pan Steak & Veggies and 20-minute Spaghetti Carbonara, the recipes will help even the most inexperienced cooks spend less time in the kitchen and more time around the table. Packed with quickie breakfasts, 30-minute skillet sprints, and speedy takeout copycats, this cookbook is guaranteed to inspire readers to whip up fast, healthy, homemade meals that are truly 'damn delicious!'

The Normal Heart - Larry Kramer 1993

Kramer's epoch-making polemic about the AIDS crisis: the autobiographical companion piece to *The Destiny of Me*. Searing and passionate, *The Normal Heart* follows one man attempting to break through a conspiracy of silence, indifference and hostility and gain recognition for the seriousness of the disease - as his friends die around him.

A Web of Secrets - Roberta Kagan 2021-11-30

A Web of Secrets brings Roberta Kagan's riveting historical WW2 series: *Jews*, *The Third Reich*, and *A Web of Secrets* to a deservedly climactic end. As Hitler's murderous reign inches steadily towards a disastrous end, the intricate web of secrets woven by each character begins to unravel. Oskar, handsome but terrifying, is on the verge of madness. What torments him so? What dark secrets are buried deep within Kara's loving heart? Anka's affection for her husband Ludwig is all but gone. Will he turn to the ever-open arms of a secret life? And...What about Abram? Will he find a way to keep his vow to God? Will he ever be with his family again?

All My Love, Detrick - Roberta Kagan 2023-09-27

An act of kindness creates an unbreakable bond of friendship and love between a German boy-Detrick Haswell, and Jacob Abendstern's Jewish family. However, during the height of the Nazi Party's genocidal conquest, Detrick must join the Party to protect his family and the Abendsterns from the Nazis-especially Leah Abendstern, the love of his life. As Detrick takes on the treacherous roles of unwilling Nazi poster boy and traitor to the Party, he knows there will be hell to pay for forbidden love and kindness in Hitler's hateful world. Join Detrick and other relatable characters as they battle the Nazi death machine in this captivating introduction to Roberta Kagan's WW2 historical fiction series, *All My Love Detrick*.

Under the Sycamore Tree - James Keith 2020-12-14

A story about the hunger for food, life, and opportunity. After stealing a loaf of bread, Edward was running to escape when he slammed into Dorothy. In that moment, fate intervened, and a love began that would span the years. Desperate to make a better life for himself and be a man worthy of Dorothy, Edward takes a job in the mines. When catastrophe strikes, he finds his world in a state of upheaval once more. But his isn't the only future at stake. War is looming and the desire to stand for his country is staring Edward in the face. In the midst of battle, surrounded by pain and suffering, it's his love of Dorothy that keeps him fighting. Will he find his way back to her, under their favorite sycamore tree? Or will his hunger to be a better man end in tragedy? From author James Keith comes, *Under the Sycamore Tree*, a gripping tale of life, love, and hope.

In His Stead - Judith Sanders 2012-11-10

Retired Army Ranger Thomas Lane once burned for the taste of gunpowder and the thrill of the battle. But as he struggles to cope with his own PTSD and the death of his eldest son, killed by an IED in Afghanistan, Lane learns that the price of war is far too dear. When the National Guard calls up Lane's youngest son to serve, Lane knows he will do anything to save his child--even if it means going in his place, a pursuit unheard of since the Civil War when slaves were sent to war in place of their masters. "In His Stead," Judith Sander's second novel, follows Thomas Lane's crusade against the United States Army, its JAG corps, a vengeful officer, the very son he is desperate to save, and his own wife, who has the Solomon-like choice of losing either a husband or a son. Capturing the essence of family life in wartime--the good, the bad, and the hopeful--"In His Stead" explores what it means to be a father and a man.

The Stolen Child - Roberta Kagan 2021-11-26

Hide Karl in plain sight. That was the idea. It was meant to be foolproof. Who would think of finding an Aryan-looking Jewish child in the household of a high-ranking Nazi officer? What could possibly go wrong? When four-year-old Karl, Kara's son, suddenly disappears, Kara's worst fear becomes her painful reality. Has someone seen through her cover? An increasingly frustrating search for the missing boy ensues. Kara is succored by Oskar, an SS officer who would do anything to have Kara's love. His compassion is in stark contrast to his office's macabre nature. As her world is turned upside down, the grim nature of the Third Reich becomes much more apparent to Kara. The rot has eaten deep into many German hearts, even that of her beloved sister Anka. As a fog of fear and evil envelops Kara's life, the hope of a love she had always ached for stirs ever so slightly. How far would one go to get a hold of what they so desperately want? Will Kara see her son ever again? *Stolen Child* is the second book in Roberta Kagan's totally gripping WW2 historical series: *Jews*, *The Third Reich*, and *A Web of Secrets*.

Behold a Pale Horse - William Cooper 2012-04-11

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a

psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one

of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.
