

Freedom Seeker Live More Worry Less Do What You Love

The Art of War - Sun Tzu 2020-10-08

The ultimate Chinese classic. "The Art of War" helps in finding decisions.

The Journalist And The Murderer - Janet Malcolm 2011-12-01

'Every journalist who is not too stupid or too full of himself to notice what is going on knows that what he does is morally indefensible' In equal measure famous and infamous, Janet Malcolm's book charts the true story of a lawsuit between Jeffrey MacDonald, a convicted murderer, and Joe McGinniss, the author of a book about the crime. Lauded as one of the Modern Libraries "100 Best Works of Nonfiction", The Journalist

and the Murderer is fascinating and controversial, a contemporary classic of reportage.

Nirvana - Yogi Kanna 2011

Imagine everlasting freedom and fulfillment. Does it seem elusive? Do you have to keep striving and competing endlessly to attain it? Can you breathe a sigh of relief once you have enough wealth, fame, power and recognition? Will you be satisfied once you find your perfect soul mate? Or do you have to wait for the afterlife to rest in peace? In Nirvana, you are taken on a journey of deep inquiry to help uncover your own truth. You learn about a much

simpler and more effective way to reconnect with your true Self and rediscover the forgotten treasure that lies buried deep within you. Once you learn to tap into this inner treasure, you begin to experience a state of freedom from worry, freedom from dependence, freedom from suffering; a state so deeply fulfilling that no objective experience can even come close. Thus commences our journey to absolute freedom: Nirvana.

Seeker - William Nicholson 2007

The first book in the Noble Warriors sequence, now in paperback, includes an exclusive interview with the author and a teaser chapter to "Jango," the next book in the sequence.

The Real Reason You Have Lungs - Allegra King 2020-02-13

Discover a path of transformation and healing through the power of love, self-knowledge and grace. From poet and meditation guide, Allegra King, comes a beautiful collection of 108 poems and quotes for yoga teachers who want to offer

their students inspiration and love on and off the mat and for anyone else on the spiritual path looking for insightful truths and practices. Inspired by many different wisdom traditions and Allegra's life-long exploration of the nature of Self, these readings are the perfect length for opening or closing a yoga class. The words weave a path through the mystery of our inner lives and what it means to be unapologetically our selves. They explore the breath and its connection to the universe, unconditional love as a practice to freedom and finding the Grace that lives in all moments. "Love everyone, serve everyone, remember God, and tell the truth." Neem Karoli Baba

Peace Is a Practice - Morgan Harper Nichols 2022-02-15

When you breathe in all the grace available to you and release everything that is outside of your control, you'll discover peace that surpasses your circumstances. All it takes is practice. If you feel overwhelmed with anxiety

about the future, you're far from alone. For many of us, when we're not worrying about what is to come, we find ourselves wrestling with things from the past. Where does that leave us today? Morgan Harper Nichols has learned the answer to this question. She has examined stories from her own life and the lives of people around the world and noticed a common thread: we all long for peace. We're all seeking light and life. But these things don't happen passively. Peace Is a Practice invites you to become a peacemaker in your own life, starting right where you are, and in some of the most unexpected places. As these words and images inspire you to take daily steps toward peace, you'll uncover the key to: Embracing the beauty of the present Letting go of regret of the past and fear of the future Developing a path toward meaning and authenticity Approaching life's challenges with faith and a calm confidence Feeling peace even in the midst of uncertainty or difficult times In every moment, there is

something as deep and boundless as a winding river waiting to be found--a true peace that flows, beckoning you to rest . . . and be still.

Snow in the summer - Ven. Sayadaw U Jotika
2021-10-22

This book is a compilation of extracts from letters written by Sayadaw U Jotika, a Burmese Buddhist monk, to his Western students - ten to fifteen years ago. These letters have been collated under the topics as indicated by the chapter headings below. Chapter 1. Mind, Mindfulness and Meditation Chapter 2. Solitude Chapter 3. Parental Love and Guidance Chapter 4. Life, Living and Death Chapter 5. Learning and Teaching Chapter 6. Value and Philosophy Chapter 7. Friendship, Relationships and Loving-kindness "Dhamma is in living your life, not in books. If you don't understand your life, meaning your experience at this moment, you don't understand Dhamma, no matter how much book knowledge you have. Without understanding your life, talking about Dhamma

is just an intellectual game."

It's Great to Suck at Something - Karen Rinaldi

2019-05-07

Discover how the freedom of sucking at something can help you build resilience, embrace imperfection, and find joy in the pursuit rather than the goal. What if the secret to resilience and joy is the one thing we've been taught to avoid? When was the last time you tried something new? Something that won't make you more productive, make you more money, or check anything off your to-do list? Something you're really, really bad at, but that brought you joy? Odds are, not recently. As a sh*tty surfer and all-around-imperfect human Karen Rinaldi explains in this eye-opening book, we live in a time of aspirational psychoses. We humblebrag about how hard we work and we prioritize productivity over play. Even kids don't play for the sake of playing anymore: they're building blocks to build the ideal college application. But we're all being had. We're told

to be the best or nothing at all. We're trapped in an epic and farcical quest for perfection. We judge others on stuff we can't even begin to master, and it's all making us more anxious and depressed than ever. Worse, we're not improving on what really matters. This book provides the antidote. (It's Great to) Suck at Something reveals that the key to a richer, more fulfilling life is finding something to suck at. Drawing on her personal experience sucking at surfing (a sport she's dedicated nearly two decades of her life to doing without ever coming close to getting good at it) along with philosophy, literature, and the latest science, Rinaldi explores sucking as a lost art we must reclaim for our health and our sanity and helps us find the way to our own riotous suck-ability. She draws from sources as diverse as Anthony Bourdain and surfing luminary Jaimal Yogis, Thich Nhat Hanh, and Jean-Paul Sartre, among many others, and explains the marvelous things that happen to our mammalian brains when we

try something new, all to discover what she's learned firsthand: it is great to suck at something. Sucking at something rewires our brain in positive ways, helps us cultivate grit, and inspires us to find joy in the process, without obsessing about the destination. Ultimately, it gives you freedom: the freedom to suck without caring is revelatory. Coupling honest, hilarious storytelling with unexpected insights, (It's Great to) Suck at Something is an invitation to embrace our shortcomings as the very best of who we are and to open ourselves up to adventure, where we may not find what we thought we were looking for, but something way more important.

We Are In This Together - Beth Kempton

2020-05-21

This global pandemic has disrupted life as we know it, in ways we could never have imagined. Even with the gradual easing of restrictions, many material challenges remain. The time has come to consider what happens next. If this

experience has made you realise you want to prioritise different things from now on, and set yourself up so you feel less vulnerable to sudden change in future, We Are in This Together will help you do that. If you are feeling anxious about the uncertainty, and the long-term implications of the pandemic, We Are in This Together will help you cope with that. If your industry or livelihood has been impacted and you need to find new and meaningful ways to generate income while juggling your other responsibilities, We Are in This Together will help you prioritise so you can do that. It is a practical and inspiring compass for navigating these turbulent times, helping you to stay calm, figure out what matters most, and lay the groundwork for renewal so you can re-imagine life beyond this. The road ahead is long, but we are in this together, and we will get through this together. And maybe, just maybe, the world will be a better place on the other side.

This Is an Invitation to Take Your Power Back! What happened to the spark you had as a child that powered curiosity, engagement with life, and creativity? Has it burned out? Are you feeling emotionally and physically exhausted and cynical, wondering if you've got what it takes to make it in this rapidly changing world? Burnout looks a lot like depression, but it's not a biological bogeyman that medication or simple stress management can cure. It's a disorder of hope and will that sucks the life out of competent, idealistic, hardworking people like you; and it will be an ongoing challenge for you to take your power back! In this breakthrough work, Joan Borysenko, Ph.D.—a Harvard-trained medical scientist, psychologist, and renowned pioneer in stress and health—straddles psychology, biology, and soul in a completely fresh approach to burnout. Joan's deeply human (and often amusing) personal accounts of burnout and recovery; the science of helplessness, hopelessness, and empowerment;

and the rich wisdom of people who have gone from fried to revived—including many of Joan's vibrant community of 5,000 Facebook Friends—make this powerful and practical book a must-read for our times.

Wabi Sabi - Beth Kempton 2018-08-30

'A truly transformative read' Sunday Times STYLE 'More than ever, we need books like this' Jessica Seaton, Co-Founder of Toast and author of Gather, Cook, Feast A whole new way of looking at the world - and your life - inspired by centuries-old Japanese wisdom. Wabi sabi ("wah-bi sah-bi") is a captivating concept from Japanese aesthetics, which helps us to see beauty in imperfection, appreciate simplicity and accept the transient nature of all things. With roots in zen and the way of tea, the timeless wisdom of wabi sabi is more relevant than ever for modern life, as we search for new ways to approach life's challenges and seek meaning beyond materialism. Wabi sabi is a refreshing antidote to our fast-paced, consumption-driven

world, which will encourage you to slow down, reconnect with nature, and be gentler on yourself. It will help you simplify everything, and concentrate on what really matters. From honouring the rhythm of the seasons to creating a welcoming home, from reframing failure to ageing with grace, wabi sabi will teach you to find more joy and inspiration throughout your perfectly imperfect life. This book is the definitive guide to applying the principles of wabi sabi to transform every area of your life, and finding happiness right where you are.

[Calm Christmas and a Happy New Year](#) - Beth Kempton 2020-10-20

A delightful guide to a stress-free holiday season filled with mindfulness, joy, self-care, and festive magic. What if the month of December were soothing instead of stressful? Now you can celebrate a new kind of holiday season—one where you radiate calm and cultivate delight. [Calm Christmas and a Happy New Year](#) leads you out of the darkness of winter and back to the

enchantment of an authentic and attainable Christmas season filled with merry gatherings, thoughtful gift-giving, and meaningful observations of annual traditions. Covering the time period from late November to early January, this joyful guide embraces all the festive holiday build-up and then welcomes the new year in a holistic, nurturing way. Author Beth Kempton gently encourages you to prioritize your holiday hopes and take a slower, more mindful approach to your celebrations. Kempton also offers helpful suggestions for making the most of winter, and recommends using this quiet time to dream new dreams, set goals, and aspire toward a beautiful year ahead. Filled with personal stories, tips, and advice for staying calm and connecting with others, [Calm Christmas and a Happy New Year](#) provides a cozy retreat from the pressure of striving for perfection. Instead of starting the New Year exhausted, in debt, and filled with regret, you will rejoice in the memories of the season feeling

rested, rejuvenated, inspired, and calm.

Joy Seeker - Shannon Kaiser 2019-10-29

“One of the freshest voices in mental health and wellness.” —Marci Shimoff, New York Times bestselling author of *Chicken Soup for the Woman’s Soul* Do you feel like you’re not where you’re supposed to be, off track or simply exhausted from trying so hard to make things work? Your “true self” has an easier plan—and is just aching to show you the way. The relentless pressure to succeed, measure up, and reach for ever higher goals can leave us feeling like we’re just not good enough—or that something’s missing. At the end of the day, after giving it our all, the last thing we want to feel is hopeless, anxious, and disconnected. International speaker and empowerment coach Shannon Kaiser understands why so many of us, despite our best intentions, cling to these patterns. Better yet, Kaiser knows how to get us out of the vicious, draining cycle. Committed to finding meaning, connection, and joy in our day-to-day lives, she’s

traveled the world in search of the universal truths and spiritual wisdom we desperately need today. Joy Seeker is her transformational approach to life, drawn from her own life-changing experiences. It is a path to discovering our true self—the hero within. The Joy Seeker plan:

- Get unstuck and discover what matters most
- Regain hope and faith in yourself, others, and the world
- Discover the “poetry within”—that special thing that makes you so unique
- Gain the courage to actualize yourself and your deepest desires
- Live with more purpose, passion, and freedom

The path of the Joy Seeker is an intimate, active pursuit filled with opportunities for journaling as well as “Joy Jaunts”—exercises designed to help us break out of our comfort zone. It’s time to become your best self. It’s time to live worry-free in your wildest dreams. It’s time to be your own Joy Seeker. “Who couldn’t use some more joy in their life? Shannon is an expert in all things happiness, and this guidebook shows us what’s

possible when we remove fear and choose love.”

co-author of The Spirit Almanac: A Modern
Guide to Ancient Self-Care

Freedom Seeker - Beth Kempton 2021-10-12
Do you feel stressed, exhausted and weighed
down by responsibility? Are you itching to do
something different, but don't know what or
how? Is fear holding you back from living the life
you want? Beth Kempton went from being a life-
loving, risk-taking adventurer to a grown-up,
settled-down mother, wife and business owner,
before realizing the life she had built was
suffocating her. She set out on a journey to find
personal freedom, and along the way
encountered many others who were also feeling
trapped - by their circumstances, relationships,
finances, beliefs, doubts and fears. Freedom
Seeker brings together the insights, techniques
and wisdom that Beth learned on her journey to
freedom, including her unique system of 8
Freedom Keys which will help you to: • Get

clarity on what really matters to you • Figure
out how to live the life you want, whatever your
circumstances • Make a shift from worry and
fear to feeling alive and inspired • Find the
courage and confidence to shape your future •
Reignite old passions, and discover new ones •
Feel much freer, and happier, every single day
Full of profound lessons, powerful exercises and
inspiring tales, this honest and courageous book
will help you to live more, worry less and find a
way to do what you love, every day.

The 48 Laws of Power - Robert Greene
2000-09-01

Amoral, cunning, ruthless, and instructive, this
multi-million-copy New York Times bestseller is
the definitive manual for anyone interested in
gaining, observing, or defending against
ultimate control - from the author of The Laws
of Human Nature. In the book that People
magazine proclaimed “beguiling” and
“fascinating,” Robert Greene and Joost Elffers
have distilled three thousand years of the history

of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The Five Elements - Dondi Dahlin 2016-09-27

The Five Elements brings the wisdom of an ancient healing system to modern readers, helping them understand themselves--why they do what they do--better. Dondi Dahlin shows us that we are all born with individual rhythms that go beyond the influence of our genes and

upbringing. The five elements originated in ancient Chinese medicine over 2,000 years ago--when scholars theorized that the universe is composed of five forces: water, wood, fire, earth, and metal. Understanding these elements helps us stay in balance physically, mentally, spiritually, and emotionally. By explaining the efficacy of wood, the depth of water, the joy of fire, the compassion of earth, and the wisdom of metal, this book helps people understand themselves and form lasting connections to others, answering the age-old question of why we do what we do.

Wired for Joy! - Laurel Mellin 2010-06-15

Can you imagine a world where drug companies throw bake sales to make ends meet? A world without all the jaw clenching, nail biting, and stress-induced melt downs? Eighty percent of health problems today are due to the downstream effects of stress, so learning to break free from stress could dramatically improve your mood, your relationships, your

health—and your life. In *Wired for Joy*, researcher and New York Times -bestselling author Laurel Mellin presents a simple yet proven way to train your brain to move through stress and back to joy. Her method has been called the missing link in health care, as it focuses on rewiring the emotional brain—the caldron of our stress—rather than the thinking brain, which has been the focus of most other stress-busting methods. Based on the cutting-edge science of neuroplasticity, Mellin outlines the five states of the emotional brain. For each state she presents a specific tool that easily and quickly switches the brain back to a state of well-being. Once you know how to make that switch, life becomes easier, and stress symptoms—depression, anxiety, overeating, high blood pressure—tend to fade. Finally, instead of focusing on the symptoms of stress, we can change the wiring that triggers it and experience new sense of freedom in our lives.

Love Does - Bob Goff 2012

Recounts lessons the author learned through taking on challenging and unique opportunities, offering commentary on the inherent compatibility of adventure and the Christian life as well as love's ability to encourage and inspire action.

Loneliness as a Way of Life - Thomas Dumm 2008

“What does it mean to be lonely?” Dumm asks. His inquiry takes us beyond social circumstances into the deeper forces that shape our very existence as modern individuals. The modern individual, Dumm suggests, is fundamentally a lonely self. This book challenges us, not to overcome our loneliness, but to learn how to re-inhabit it in a better way.
