Good Trouble - Joe Biel 2016-03-15

The history of Microcosm Publishing, from its origins as a record label and zine distro in Joe Biel's bedroom closet in Cleveland to a thriving, sustainable publisher of life-changing books. The book comes out to mark Microcosm's 20th anniversary and all the shit and splendor that's gone into making us who we are. In 1996, everything about Joe Biel's life seemed like a mistake. He was 18, he lived in Cleveland, he got drunk every day, and he had mystery health problems and weird social tics. All his friends' lives were as bad or worse. To escape a nihilistic, apocalyptic worldview and to bring reading and documentation into a communal punk scene, he started assembling self-published misfit zines and bringing them in milk crates to underground punk shows. As he applied the economics and values of underground punk rock music to publishing books, his worldview expanded along with his business, and so did the punk community's idea of what was possible. Eventually this became Microcosm Publishing. But all was not rosy. Biel's head for math was stronger than his ability to relate to people, and for everything that added up right, more things broke down. He developed valuable skills and workarounds, but it wasn't until he was diagnosed with Asperger's Syndrome that it all began to fall into place. *Good Trouble* is a tale of screwing up, trying again, and always finding a way to do it better. It's a book for anyone who has ever failed big and dreamed bigger. It's about developing a toolkit for turning your difficulties into superpowers, building the world that you envision, and inspiring others to do the same. This is the story of how, over 20 years, one person turned a litany of continuing mistakes and seemingly wrong turns into a happy, fulfilled life and a thriving publishing business that defies all odds. With a foreword by Sander Hicks, founder of Soft Skull Press, and an introduction by

Joyce Brabner, co-author with Harvey Pekar of *Our Cancer Year*.

Radical Candor - Kim Scott 2017-03-23

Featuring a new preface, afterword and Radically Candid Performance Review Bonus Chapter, the fully revised & updated edition of *Radical Candor* is packed with even more guidance to help you improve your relationships at work. 'Reading *Radical Candor* will help you build, lead, and inspire teams to do the best work of their lives.' - Sheryl Sandberg, author of *Lean In*. If you don't have anything nice to say then don't say anything at all . . . right? While this advice may work for home life, as Kim Scott has seen first hand, it is a disaster when adopted by managers in the work place. Scott earned her stripes as a highly successful manager at Google before moving to Apple where she developed a class on optimal management. *Radical Candor* draws directly on her experiences at these cutting edge companies to reveal a new approach to effective management that delivers huge success by inspiring teams to work better together by embracing fierce conversations. *Radical Candor* is the sweet spot between managers who are obnoxiously aggressive on the one side and ruinously empathetic on the other. It is about providing guidance, which involves a mix of praise as well as criticism - delivered to produce better results and help your employees develop their skills and increase success. Great bosses have a strong relationship with their employees, and Scott has identified three simple principles for building better relationships with your employees: make it personal, get stuff done, and understand why it matters. *Radical Candor* offers a guide to those bewildered or exhausted by management, written for bosses and those who manage bosses. Drawing on years of first-hand experience, and distilled clearly to give practical advice to the reader, *Radical Candor* shows you how to be successful while retaining your integrity

and humanity. Radical Candor is the perfect handbook for those who are looking to find meaning in their job and create an environment where people love both their work and their colleagues, and are motivated to strive to ever greater success.

The Unplugged Alpha - Richard Cooper 2020-11-26

Most men today are sent off into society with a broken belief system, which they use to make choices, that get them terrible results with life and women. Men have been conditioned to be the quintessential "nice guy." They're trained to be overly humble, kind to a fault, and that just "being themselves" is enough to attract and keep the woman of their dreams. Men are told to believe that conventional masculinity is toxic, and to put women ahead of their own interests, passions, and purpose. This has led to an entire generation of men forming very unhealthy attachments to women that they, unfortunately, often make their sole focus of their lives. The playbook to women and life has changed, but most men missed the memo. Do you want to succeed, and level up in every area of your life? If so, then this book explains: - The importance of maximizing your looks, money, social status, and game. - Why it's essential to get genuine burning desire from a woman who wants to date you. - The top 20 red flags that you must vet women for a long term relationship. - How to become one of the top 20% of men that women swipe right for on online dating. - Why smart men avoid marriage. And much more. This book exposes the comforting lies you've been told throughout your life for what they really are. Enabling you to become a truly authentic Alpha that chases excellence, and leads a successful

passion-filled life.

Find Out Anything From Anyone, Anytime - James O. Pyle 2014-01-20

“A new book by an army intelligence interrogator could help you get the answers to your most pressing questions.” —Time The secret to finding out anything you want to know is amazingly simple: Ask good questions. Most people trip through life asking bad questions—of teachers, friends, coworkers, clients, prospects, experts, and suspects. Even people trained in questioning, such as journalists and lawyers, commonly ask questions that get partial or misleading answers. People in any profession will immediately benefit by developing the skill and art of good questioning. Find Out Anything From Anyone, Anytime will give you the power to: Identify and practice good questioning techniques Recognize types of questions to avoid Know the questions required when hearing unconfirmed reports or gossip Practice good listening techniques and exploit all leads Determine when and how to control the conversation Gain real expertise fast Within professional interrogation circles, author James Pyle is known as a strategic debriefer—meaning there is no one around him more skilled at asking questions and getting answers. He has been training other interrogators in questioning techniques since 1989. “With his style of questioning alone, Jim Pyle can get more information than most other interrogators using multiple techniques.” —Gregory Hartley, co-author of How to Spot a Liar

Faith Unraveled - Rachel Held Evans 2014-04-08

From New York Times bestselling author Rachel Held Evans: a must-read for anyone on the journey of doubt, deconstruction, and ultimately faith reborn. Eighty years after the Scopes Monkey Trial made a spectacle of Christian fundamentalism and brought national attention to her hometown, Rachel Held Evans faced a trial of her own when she began to have doubts about her faith. In *Faith Unraveled*, Rachel recounts growing up in a culture obsessed with apologetics, struggling as her own faith unraveled one unexpected question at a time. In order for her faith to survive, Rachel realizes, it must adapt to change and evolve. Using as an illustration her own spiritual journey from certainty to doubt to faith, Evans challenges you to disentangle your faith from false fundamentals and to trust in a God who is big enough to handle your tough questions. In a changing cultural environment where new ideas seem to threaten the safety and security of the faith, *Faith Unraveled* is a profoundly moving, fearlessly honest, and relentlessly hopeful story of survival. This book was previously titled *Evolving in Monkey Town*.

101 Questions to Ask Before You Get Engaged - H. Norman Wright 2004-06-01

The Perfect Remedy for Cold Feet! More than half of all couples who become engaged this year will never make it to the altar. Why? Leading experts believe it's because couples fail to really get to know their potential mate before getting engaged. Relationship expert and noted couples counselor Norm Wright steers potential brides and grooms through a series of soul-searching questions to discern if they've really met "the One." Couples will be much more confident about whether or not to pursue marriage after completing these in-depth and personal questions. Norm also addresses the delicate subject of calling off the wedding if readers discover that a potential mate isn't actually meant to be a life partner.

Women Don't Ask - Linda Babcock 2021-01-05

The groundbreaking classic that explores how women can and should negotiate for parity in their workplaces, homes, and beyond When Linda Babcock wanted to know why male graduate students were teaching their own courses while female students were always assigned as assistants, her dean said: "More men ask. The women just don't ask." Drawing on psychology, sociology, economics, and organizational behavior as well as dozens of interviews with men and women in different fields and at all stages in their careers, *Women Don't Ask* explores how our institutions, child-rearing practices, and implicit assumptions discourage women from asking for the opportunities and resources that they have earned and deserve—perpetuating inequalities that are fundamentally unfair and economically unsound. *Women Don't Ask* tells women how to ask, and why they should.

True Love Dates - Debra K. Fileta 2013-10-08

It is possible to find true love through dating. In *True Love Dates*, Debra Fileta encourages singles not to "kiss dating goodbye" but instead to experience a season of dating as a way to find real love. Through powerful, real-life stories and Fileta's personal journey, this book offers profound insights from the expertise of a professional counselor. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They're bombarded by Christian

books that shun dating, idolize courting, fixate on spirituality, and in the end, offer little real relationship help. *True Love Dates* provides honest help for dating by providing a guide into vital relationship essentials. Debra is a professional Christian counselor who reaches millions with her popular blog, Truelovedates.com, and her book offers sound advice grounded in Christian spirituality. She delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of hundreds of young men and women who have pursued the search for true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating.

The Driveway Rules - Marc Sander 2020-01-28

The Driveway Rules is my book of memoirs. It focuses on my struggles when it comes to dating but also has fun entries about various adventures in my life. I am introspective and have learned a lot about my struggles through the years. The point of our struggles is to use them as an opportunity for growth and perhaps to help others later in life. This book is poignant, philosophical and humorous. Next to penicillin laughter is the best medicine.

Does This Dress Make Me Look Fat? - Stephen James 2007

With this book as a guide, the authors hope that men and women can move beyond the question of Why are women the way they are? to see the authentic heart of a woman. (Relationships)

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want

to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Art of Asking - Amanda Palmer 2014-11-11

Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for-as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of *The Art of Asking*. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. *The Art of Asking* will inspire readers to rethink their own ideas about asking, giving, art, and love.

We Should Get Together - Kat Vello 2020-01-04

We Should Get Together is the handbook for anyone who's ready for better friendships, now. Have you recently moved to a new city and are struggling to make friends? Do you find yourself constantly making plans with friends that fall through? Are you more likely to see your friends' social media posts than their faces? You aren't alone. Millions of adults struggle with an uncomfortable and persistent ache: platonic longing, which is the unfulfilled wish for authentic, resilient, close friendships. But it doesn't have to be this way. Making and maintaining friendships during adulthood can be hard--or, with a bit of intention and creativity,

joyful. Author Kat Vello, experience designer and founder of Better Than Small Talk, tackles the four most common challenges of adult friendship: constant relocation, full schedules, the demands of partnership and family, and our culture's declining capacity for compassion and intimacy in the age of social media. Combining expert research and personal stories pulled from conversations with hundreds of adults, *We Should Get Together* is the modern handbook for making and maintaining stronger friendships. With this book you will learn to: Make and maintain friendships when you (or your friends) keep moving Have deeper and more meaningful conversations Triumph over awkwardness in social situations Become less dependent on your phone Identify and prioritize quality connections Find time for friendship despite your busy calendar Create closer, more durable friendships Full of relatable stories, practical tips, 60 charming illustrations, 55 suggested activities, a book club discussion guide, and 300+ conversation starters, *We Should Get Together* is the perfect book for anyone who wants to have dedicated, life-enriching friends, and who wants to be that kind of friend, too.

Girl Defined - Kristen Clark 2016-05-10

In a Culture of Distortions, Discover God-Defined Womanhood and Beauty In a culture where airbrushed models and career-driven women define beauty and success, it's no wonder we have a distorted view of femininity. Our impossible standards place an incredible burden of stress on the backs of women and girls of all ages, resulting in anxiety, eating disorders, and depression. One question we often forget to ask is this: What is God's design for womanhood? In *Girl Defined*, sisters and popular bloggers Kristen Clark and Bethany Beal offer women a countercultural view of beauty, femininity, and self-worth. Based firmly in God's design for their lives, this book helps women rethink what true success and beauty look like. It invites them on a liberating journey toward a radically better vision for femininity that ends with the discovery of the kind of hope, purpose, and fulfillment they've been yearning for. *Girl Defined* helps readers · discover God's design for femininity and his definition of a successful woman · uncover the secrets of lasting worth, purpose, and fulfillment · be equipped and empowered

to live out a radically better vision for womanhood · gain personal insight through the chapter-by-chapter study guide
