Deeper Dating - Ken Page 2014-12-30

With exercises, practical tools, and inspiring stories, *Deeper Dating* will guide you on a journey to find the love—and personal fulfillment—you long for. Lose weight. Be confident. Keep your partner guessing. At the end of the day, this soulless approach to dating doesn't lead to love but to insecurity and desperation. In *Deeper Dating*, Ken Page presents a new path to love. Out of his decades of work as a psychotherapist and his own personal struggle to find love, Page teaches that the greatest magnet for real love lies in our "Core Gifts"—the places of our deepest sensitivity, longing, and passion. *Deeper Dating* guides us to discover our own Core Gifts and empowers us to express them with courage, generosity, and discrimination in our dating life. When we do this, something miraculous happens: we begin to attract people who love us for who we are, we become more self-assured and emotionally available, and we lose our taste for relationships that chip away at our self-esteem. Without losing a pound, changing our hairstyle, or buying a single new accessory, we find healthy love moving closer . . . *Deeper Dating* integrates the best of human intimacy theory with timeless spiritual truths and translates them into a practical, step-by-step process.

Win Your Partner Back After A Break Up? - Louisa Jackson 2021-05-08

Those that go searching for love only make manifest their own lovelessness - D.H. Lawrence If you're going through the agony of a break up and you long, desperately, to reunite with your partner - this book is for you. Perhaps you're still with your partner but they're losing interest or pulling away - this book is also for you. Not all relationships can be saved. However, given the right inner conditions, some relationships can - and do - heal. Here you will learn precisely how to cultivate those conditions. Author, Louisa Jackson, describes how her life spiralled downwards after the break-up of a relationship. This triggered a long and intense period of study. Immersed in quantum physics, spirituality and Law of Attraction principles, she started to experiment with these concepts in her day-to-day life. Slowly, her intense suffering transformed into deep peace and happiness. A completely new way of living emerged and miraculous changes to all areas of her life then followed. Her long-term battle with depression, social anxiety and bulimia came to an end. Financial and family difficulties also resolved. So, too, did the cycle of toxic and dysfunctional relationships that she kept repeating over and over. Louisa now enjoys a happy, long-term, relationship - one which was successfully rekindled after applying the techniques and principles outlined in this book. The focus here is what's going on inside you, rather than on the outer circumstances of your life. For when you transform your inner world, you'll find that your outer world transforms in equal measure - sometimes in miraculous ways. As you'll see, this isn't merely a spiritual concept but is backed up by quantum physics principles. This book gets right to the heart of your beliefs about love, happiness and the fundamental nature of reality. It's faulty beliefs in these areas which are so often at the root of dysfunctional relationships. You'll learn what real happiness is, and how to cultivate it. You'll also discover techniques for sustaining the honeymoon period and how to prevent a repeating pattern of heartbreak. With practice,

you'll stop needing love and instead start to radiate love. When this happens, you cannot help but attract love, whether that's from your existing partner or a new one. This is a new way of 'being' which will radiate out into all areas of your life. Whether you want to save a long-term marriage or a short-term romance, the same formula applies. You may even find after reading this book that you no longer want, or need, your partner to return.

I have dissected the term specific person into three case scenarios that are specific and clear to everyone as per their situation or case scenario. When you go through this book, you will learn how to: *Attract a specific person whom you don't know yet. *Attract a specific person whom you know personally or indirectly. *Heal your wounded self after a breakup and discover your self-identity. *Attract your ex back. The majority of people experience loneliness, heartache, breakup, and divorce due to a lack of proper application of the law of attraction in their lives. I have coached countless people from all around the world regarding attracting a specific person and vibrant relationship with great results. I have presented action-oriented steps for each case scenario of attracting a specific person in a very simple manner. I decided to write this book because I saw my article " How To Attract A Specific Person For A Serious relationship By Applying The Law of Attraction?" getting a huge number of views on Google. Once you have clarity regarding the qualities or traits of the specific person you want to attract, then you have to be a person with similar qualities to attract a person with similar vibes into your physical experience. You can attract your ex back into your life by practicing the techniques scripted in this book. I have shared everything from my personal experience. Magnetic Partners - Stephen Betchen 2010-05-18

Do you and your partner argue about the same things over and over again? Are you often confused about why your partner is so angry with you? Are things getting worse and worse even though you've tried everything you can think of to make them better? In this breakthrough guide to repairing romantic relationships, therapist and marriage researcher Dr. Stephen Betchen presents a powerful new explanation of what leads to this kind of escalating conflict in couples and how you can repair your relationship and find a whole new level of happiness. Based on his extensive experience as a couples' therapist, Dr. Betchen has discovered that the prevailing idea that opposites attract is wrong. Instead, one of the strongest forces that attracts people to one another is that they share a hidden, inner conflict in their lives—an unconscious struggle within themselves that each of them developed growing up—which he calls a "master conflict." The fact that a couple shares a master conflict acts as an almost magnetic force of attraction, but, over time, master conflicts often begin to push a pair apart—many of the very things you most appreciated about each other start to grate on you, producing increasing hostility. The good news is that by identifying the master conflict that you share, you and your partner can take the steps to break the cycle of fighting and come to a new place of understanding and happiness in your relationship. Often, just the realization that you have this hidden conflict acts as a powerful cure, allowing you to appreciate each other once again and to be empathetic about the things that have been irritating you both. From his years of work with couples, Betchen has identified the nineteen most common master conflicts—such as getting your needs met vs. caretaking; giving vs. withholding; commitment vs. freedom; power vs. passivity—and for each he provides vivid stories of couples who have struggled with them, as well as simple tests that help you to: • Identify the core master conflict that is causing your relationship problems • Understand the origins of your conflict and how it drew you to your partner • Diagnose how the conflict is now pushing you apart • Come to new terms with the conflict to save your relationship As Dr. Betchen writes, knowledge of a master conflict is power, and *Magnetic Partners* is an empowering guide that will help you not only to identify and control your master conflict, but also to bring your relationship to a new level based on deeper understanding, ultimately leading to greater fulfillment and long-term resilience.
