

Girl Like Me Piano

The Oxford Handbook of Music Making and Leisure - Roger Mantie 2017

"Music has been a vital part of leisure activity across time and cultures. Contemporary commodification, commercialization, and consumerism, however, have created a chasm between conceptualizations of music making and numerous realities in our world. From a broad range of perspectives and approaches, this handbook explores avocational involvement with music as an integral part of the human condition. The chapters in *The Oxford Handbook of Music Making and Leisure* present myriad ways for reconsidering and refocusing attention back on the rich, exciting, and emotionally charged ways in which people of all ages make time for making music. The contexts discussed are broadly Western, including an eclectic variety of voices from scholars across fields and disciplines, framing complex and multifaceted phenomena that may be helpfully, enlighteningly, and perhaps provocatively framed as music making and leisure. This volume may be viewed as an attempt to reclaim music making and leisure as a serious concern for, amongst others, policy makers, scholars, and educators who perhaps risk eliding some or even most of the ways in which music - a vital part of human existence - is integrated into the everyday lives of people. As such, this handbook looks beyond the obvious, asking readers to consider anew, "What might we see when we think of music making as leisure?"--publisher's website

[Really Easy Piano Duets: Pop Favourites](#) - Wise Publications 2012-08-28

Easy Piano Duet arrangements of 16 favourite pop songs. Complete with song background notes, and playing hints and tips. Includes Someone Like You, Mamma Mia, Chasing Cars, Brown Eyed Girl and many more.

Piano Notes - Charles Rosen 2002-10-29

Charles Rosen is one of the world's most talented pianists -- and one of music's most astute commentators. Known as a performer of

Bach, Beethoven, Stravinsky, and Elliott Carter, he has also written highly acclaimed criticism for sophisticated students and professionals. In *Piano Notes*, he writes for a broader audience about an old friend -- the piano itself. Drawing upon a lifetime of wisdom and the accumulated lore of many great performers of the past, Rosen shows why the instrument demands such a stark combination of mental and physical prowess. Readers will gather many little-known insights -- from how pianists vary their posture, to how splicings and microphone placements can ruin recordings, to how the history of composition was dominated by the piano for two centuries. Stories of many great musicians abound. Rosen reveals Nadia Boulanger's favorite way to avoid commenting on the performances of her friends ("You know what I think," spoken with utmost earnestness), why Glenn Gould's recordings suffer from "double-strike" touches, and how even Vladimir Horowitz became enamored of splicing multiple performances into a single recording. Rosen's explanation of the piano's physical pleasures, demands, and discontents will delight and instruct anyone who has ever sat at a keyboard, as well as everyone who loves to listen to the instrument. In the end, he strikes a contemplative note. Western music was built around the piano from the classical era until recently, and for a good part of that time the instrument was an essential acquisition for every middle-class household. Music making was part of the fabric of social life. Yet those days have ended. Fewer people learn the instrument today. The rise of recorded music has homogenized performance styles and greatly reduced the frequency of public concerts. Music will undoubtedly survive, but will the supremely physical experience of playing the piano ever be the same?

First 50 Disney Songs You Should Play on the Piano - Hal Leonard Corp. 2018-10-01 (Easy Piano Songbook). 50 simply arranged, must-know Disney favorites in easy piano notation are included: Beauty and the Beast *

Can You Feel the Love Tonight * Do You Want to Build a Snowman? * Evermore * Friend like Me * Go the Distance * Heigh-Ho * How Far I'll Go * I See the Light * Kiss the Girl * Lava * Mickey Mouse March * Remember Me (Ernesto de la Cruz) * A Spoonful of Sugar * When You Wish upon a Star * You've Got a Friend in Me * Zip-A-Dee-Do-Dah * and more.

The Shattered Dreams - Gita Zikherman-Greisdorf 2017-06-14

The book brings you to a time before World War II, to the life of a young girl whose world is about to change forever. She lost loved ones, her home, all her possessions, and her dream to be a concert pianist. From the ages of nine till thirteen, Gita experienced hunger, hard work, and difficult living conditions. She had dreams of having a dress, a pair of shoes, and a real bed with a mattress and pillows. But most of all, she dreamed to return home to her beloved grandparents. These years have taught Gita to have an appreciation for everything good, to be compassionate to all people, and to tolerate adversity. She learned to understand that life is a battlefield, and you have to do your best to stand your ground, have an open mind, and conquer the difficulties. Then, you become a mensch.

Early Broadway Sheet Music - Donald J. Stubblebine 2015-06-08

This work, a companion to the author's Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993 (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions—plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway—and all the major musicals from Chicago.

A Girl Like Me - Penny Matthews 2010-03-29
 Their lives couldn't be more different, but Emmie can't help liking Bertha Schippan. She's funny and knowing and wild, and she distracts Emmie from the monotony of farm life in their tiny, isolated community. But, as Emmie soon discovers, Bertha has secrets. Terrible secrets. This heartbreaking story is based on a real crime that took place more than a century ago, capturing headlines all around Australia.

Robert Merry's Museum - 1851

Letters from an angel - Elias J. Connor
 2023-07-25

San Francisco, late 1971. Quiet Marvin, a reclusive man in his early 40s, has been convicted of murder. He is sent to the infamous Alcatraz prison, where he ends up on death row awaiting execution. Unlike his fellow inmates, he hopelessly accepts the difficult situation, even though he knows that he is innocent. One day when he receives a mysterious letter from a young girl, he is very surprised. Nevertheless, he begins a pen pal relationship with the shy Shiloh, which gradually grows in deep trust and an inexplicable sense of belonging. But Shiloh seems to be hiding something from Marvin that is slowly threatening to come to light... The moving novel describes the exchange of letters between two lonely people who are connected in

their souls and can thus cope with even the most difficult situations and circumstances.

Totally Truffaut - Anne Gillain 2021

In *Totally Truffaut*, author Anne Gillain answers two complex riddles: How is experience imprinted into films? What draws audiences to theaters? François Truffaut, like Fellini, Bergman or Scorsese, worked with an autobiographical material and *Totally Truffaut*

follows the coded inscription of major life events in his films from his illegitimate birth to his passionate and doomed relationship with Catherine Deneuve. The book focuses first on the process that embeds experience into fictions, and more specifically into visual forms and patterns. It also tries to define the mode of perception film language triggers in the spectator. When entering a movie theater, we expect perceptual pleasure. Truffaut's creative work is devoted to distilling this drug to audiences, an ambition central to the evolution of his style. These two issues are closely connected and Totally Truffaut follows, film after film, their crisscrossing paths. It also highlights the essential role several great actresses-Jeanne Moreau, Françoise Dorléac, Isabelle Adjani, Jacqueline Bisset, Fanny Ardant or Catherine Deneuve- played in the creation of the films.

Rihanna: A Girl Like Me - Rihanna 2006

(Piano/Vocal/Guitar Artist Songbook). Matching folio to the hit sophomore release from Rihanna featuring 13 more dance hits and ballads, including: Break It Off * Dem Haters * Kisses Don't Lie * S.O.S. * Unfaithful * and more.

Take A Girl Like Me - Diana Melly 2012-02-29

Once there was a girl, pretty and smart and sexy. By her mid-twenties, she'd acquired two husbands and two children, and life wasn't going to plan... Then she met a man. Outrageous, brilliant, impossible, charismatic and kind, he was irresistible. Sex, drugs and jazz were a heady combination for the girl from Essex.

Suddenly it was the swinging sixties and she was juggling babies with one hand and popping pills with the other. When George Melly wasn't in jazz clubs, he was fishing - and not just for fish. Brutally honest, hilariously candid, Diana Melly tells the extraordinary story of a turbulent marriage, of the uncharted trajectory of a woman's life from the fifties to the new century - by way of a glitteringly seductive crowd that includes Bruce Chatwin, Jean Rhys, Sonia Orwell, Kenneth Tynan, Jonathan Miller and a host of other luminaries. Written with a unique and clear-eyed self-effacement, here is an addictive, exceptional memoir, glowing with life and love, that breaks your heart, but makes you glad to be alive.

First 50 R&B Songs You Should Play on Piano - Hal Leonard Corp. 2017-01-01

(Easy Piano Songbook). Are you ready to try your piano chops on some R&B classics? A Great Big Girl Like Me - Victoria Sturtevant
2010-10-01

In the first book-length study of Marie Dressler,

MGM's most profitable movie star in the early 1930s, Victoria Sturtevant analyzes Dressler's use of her body to challenge Hollywood's standards for leading ladies. At five feet seven inches tall and two hundred pounds, Dressler often played ugly ducklings, old maids, doting mothers, and imperious dowagers. However, her body, her fearless physicality, and her athletic slapstick routines commanded the screen. Sturtevant interprets the meanings of Dressler's body by looking at her vaudeville career, her transgressive representation of an "unruly" yet sexual body in Emma and Christopher Bean, ideas of the body politic in the films Politics and Prosperity, and Dressler as a mythic body in Min and Bill and Tugboat Annie.
