Po H# on Dope to PhD -

Elaine Richardson 2013-03-30
"There was a time when Elaine Richardson was one of 'the Negroes everybody pointed to as the Negroes you didn't want to become.' The title of this book is no metaphor or allusion, but a literal shorthand for a remarkable, unpredictable journey. She inherits a plain way of talking about horrific pain from a mother who seemed impossible to shock. The way too fast way she grew up was and is too common, but her will to remap her destiny is uncommon indeed. To call her story inspiring would be itself too plain a thing, hers is a heroic life." -dream Hampton, writer and filmmaker

Adventures In Underland -

N. Marie McCormick
2015-11-17
The girl has spent the first part of her childhood with two

loving but unstable parents. The inevitable happens all at once and the girl spends the rest of her childhood in her Mom's old Brooklyn neighborhood that's in the middle of a mafia power struggle. The girl makes friends with kids in situations as bad as, or more disturbing than hers. It's a historical novel that chronicles the events that have led to the present state of affairs in the inner cities. Riots, blackouts, fires, drugs, sexual predation of unprotected minors, inequities in schools, and literally institutional racism through personal experience and much dry humor.

2011-06-28

After a zombie plague infects most of the world, the residents of a New York City apartment, who have escaped infection, fight among

themselves until they spy an uninfected teenage girl outside, not getting attacked.

After 9/11 - Helaina Hovitz
2017-09-05

"You are a herald for your generation....Thank you for using your voice to help us make sense of that dark day, and forge a new beginning."—Hillary Rodham Clinton, in a letter to Helaina Hovitz Helaina Hovitz was twelve years old and in middle school just blocks away when the World Trade Center was attacked. Her memoir encapsulates the journey of a girl growing up with PTSD after living through the events firsthand. After 9/11 chronicles its effects on a young girl at the outset of adolescence, following her as she spirals into addiction and rebellion, through loss, chaos, and confusion. The events of 9/11 were a very real part of Helaina's life and are still vivid in her memory today.

Hundreds were stranded in the neighborhood, including Helaina, without phones or

electricity or anyone to help. Fear and despair took over her life. It would take Helaina more than a decade to overcome the PTSD — and subsequent alcohol addiction — that went misdiagnosed and mistreated. In many ways, *After 9/11* is the story of a generation growing up in the aftermath of America's darkest day — and for one young woman, it is the story of a survivor who, after witnessing the end, got to make a new beginning. This new trade paperback edition includes tips on how to cope with trauma, an FAQ section, and a guide to discussing 9/11 with children. "Inspirational, courageous and beautifully told. *After 9/11* is a testament to the resiliency of the human spirit." — Cathy Free, correspondent, PEOPLE magazine "Helaina Hovitz's engrossing narrative begins in the shadow of the twin towers with her as a backpack-toting twelve-year-old and plays out over the next fifteen years in dramatic - and sometimes distressing - detail. This impressive debut is both deeply

evocative and intensely personal." — Peter Canby, Senior Editor, The New Yorker "A moving and remarkable testament to a time that changed our country, told beautifully by a young woman who never gave up hope that she could reclaim her life, no matter how grim things looked." — Sean Elder, contributor, Newsweek
Reconstructing Amelia - Kimberly McCreight
2013-04-01

Stressed single mother and law partner Kate is in the meeting of her career when she is interrupted by a telephone call to say that her teenaged daughter Amelia has been suspended from her exclusive Brooklyn prep school for cheating on an exam. Torn between her head and her heart, she eventually arrives at St Grace's over an hour late, to be greeted by sirens wailing and ambulance lights blazing. Her daughter has jumped off the roof of the school, apparently in shame of being caught. A grieving Kate can't accept that her daughter would

kill herself: it was just the two of them and Amelia would never leave her alone like this. And so begins an investigation which takes her deep into Amelia's private world, into her journals, her email account and into the mind of a troubled young girl. Then Kate receives an anonymous text saying simply: AMELIA DIDN'T JUMP. Is someone playing with her or has she been right all along? *Navigating the Shadow World* - Liv Spencer 2013-07-11

An exploration as well as a literary celebration of the fascinating young adult fantasy series, this companion guide takes readers deep into the rich universe of Cassandra Clare's *Shadowhunter Chronicles* franchise. With intelligent yet accessible dissections of each volume of both the *Mortal Instruments* series and the *Infernal Devices* series, Liv Spencer delivers the next best thing to a *Shadowhunter* codex with commentary on the books as well as their references to folklore, legends,

and literature. The guide also recounts Cassandra Clare's publishing story, from journalist and fan fiction writer to bestselling author; explores the cast and crew who brought the first book to life in the film "The Mortal Instruments: City of Bones," premiering in August 2013; and delves into the franchise's fans, a passionate community that is anything but mundane. From the Clave to Chairman Meow and demon pox to dastardly ducks, "Navigating the Shadow World" is both an insightful introduction to the world of Cassandra Clare and a satisfying companion book for fans."

The Girl from Sunset Ranch - Amy Bell Marlowe 2015-03-24
"[...] "E-e-e-yow!" came up a faint reply. She saw the green top of the tree stir. Then a face-scratched and streaked with blood-appeared. "For the love of heaven!" called a thin voice. "Get somebody with a rope. I've got to have some help." "I have a rope right here. Pass it

under your arms, and I'll swing you out of that tree-top," replied Helen, promptly. She jumped up and went to the pony. Her rope-she would no more think of traveling without it than would one of the Sunset punchers-was coiled[...]"

An Angry-Ass Black Woman

- Karen E. Quinones Miller
2012-10-02

The autobiographical novel from the author of *Uptown Dreams* and *Satin Doll* Karen E. Quinones Miller is AN ANGRY-ASS BLACK WOMAN

You'd be angry, too . . . if you grew up poorer than poor in Harlem in the 1960s and '70s, a place of unrelenting violence, racism, crime, rape, scamming, drinking, and drugging . . . with a dad permanently checked out in Bellevue and a mom at the end of her rope raising you, your twin sister, and your two brothers, moving every time the money runs out— and doing what it takes to survive. But there's more to her story . . . Ke-Ke Quinones was whip smart and sassy, a voracious reader of everything from poetry to the classics. No matter what, 117th Street—where you could always count on someone to stand up for you—would always be home. And with every hard-knock lesson learned, Ke-Ke grew fiercer, unleashing her inner angry-ass black woman to get through it all. Is this her final chapter? Now, decades later, comatose in a hospital bed after a medical crisis, she reflects on her life—her success as a journalist and renowned author, her tragicomic memories of
