Ghosts - Dolly Alderton 2021-08-03

INTERNATIONAL BESTSELLER • From the author of *Everything I Know About Love* comes a smart, sexy, laugh-out-loud romantic comedy about ex-boyfriends, imperfect parents, friends with kids, and a man who disappears the moment he says "I love you." "An absolute knock-out. Wickedly funny and, at turns, both cynical and sincere... feels like your very favorite friend." —Taylor Jenkins Reid, author of *Malibu Rising* ONE OF THE BEST BOOKS OF THE YEAR: NPR, VOGUE, PEOPLE Nina Dean is not especially bothered that she's single. She owns her own apartment, she's about to publish her second book, she has a great relationship with her ex-boyfriend, and enough friends to keep her

social calendar full and her hangovers plentiful. And when she downloads a dating app, she does the seemingly impossible: She meets a great guy on her first date. Max is handsome and built like a lumberjack; he has floppy blond hair and a stable job. But more surprising than anything else, Nina and Max have chemistry. Their conversations are witty and ironic, they both hate sports, they dance together like fools, they happily dig deep into the nuances of crappy music, and they create an entire universe of private jokes and chemical bliss. But when Max ghosts her, Nina is forced to deal with everything she's been trying so hard to ignore: her father's dementia is getting worse, and so is her mother's denial of it; her editor hates her

new book idea; and her best friend from childhood is icing her out. Funny, tender, and eminently, movingly relatable, Ghosts is a whip-smart tale of relationships and modern life.

Ghosting Online - Darius Guerrero 2020-09-01

All Adam has to do is look at a woman, and he already knows how to make her melt. He knows the perfect compliments, the best suggestions, and just the right promises to make sure that every new fling ends up in his bed by morning. Morning brings a new set of promises, but as soon as she's out the door they all shatter. Adam is a master of ghosting. He's not interested in another night, and he's made a habit of ignoring the desperate messages on ChatSir as they beg for another date. By the evening, he's back on the Flirtello dating app, looking for another girl to repeat the process. When girls start ghosting him for a change, it feels like a best-case scenario-- at least until the messages start drying up before the date itself. As more and more and more girls grow tired of his messages,

Adam is forced to wonder: is it really disinterest driving them away, or is there something sinister going on just behind the screen?

The Unplugged Alpha - Richard Cooper

2020-11-24

Most men today are sent off into society with a broken belief system, which they use to make choices, that get them terrible results with life and women. Men have been conditioned to be the quintessential "nice guy." They're trained to be

overly humble, kind to a fault, and that just "being themselves" is enough to attract and keep the woman of their dreams. Men are told to believe that conventional masculinity is toxic, and to put women ahead of their own interests, passions, and purpose. This has led to an entire generation of men forming very unhealthy attachments to women that they, unfortunately, often make their sole focus of their lives. The playbook to women and life has changed, but most men missed the memo. Do you want to succeed, and level up in every area of your life? If so, then this book explains: - The importance of maximizing your looks, money, social status, and game. - Why it's essential to get genuine burning desire from a woman who wants to date you. - The top 20 red flags that you must vet women for a long term relationship. - How to become one of the top 20% of men that women swipe right for on online dating. - Why smart men avoid marriage. And much more. This book exposes the comforting lies you've been told throughout your
