

Girl I Love You So Bad

Virgin - Kahara 2011-07

Mariah Miles grew up in a single parent home for most of her life. During her teenage years she became bitter with her mother and very rebellious. Becoming a young lady wasn't as easy as she thought. She blamed her mother because her father wasn't there. Circumstances in her life took a turn for the worse because of the choices she made. She grew up too fast on a fast track going nowhere. Family and friends tried to steer her in the right direction. But it was too late if only she could turn back the hands of time and reverse the situation. She fell in love and it felt so good. Then love hurt so much when it was all said and done.

Howdy Folks! I'm Fuster Buskins - Darrell Sroufe 2012-10-11

Howdy Folks! Im Fuster Buskins is a collection of the humorous stories and song poems of hillbilly comedy character Fuster Buskins, as played by actor/singer/songwriter and banjo picker Darrell Sroufe. In an over twenty-five

year career of entertaining at southern theme parks; major entertainment venues; doing road tours throughout America; performing on national radio and television programs; and recording several albums played on radio stations in the United States and Europe, Fuster Buskins built quite a large repertoire of material. As his shows ran from one to two hours in length, Fusters stories and poem songs were cut, changed, added to and discarded over the years. Now, in this volume alone they all appear with enough material to fill a book and enough good old time southern humor to fill hearts with laughter for years to come!

The Greatest Love Poems of All Time - Cook & Brothers 2015-01-09

This book is very humorous, and it gets straight to the point. It could leave you with tears falling from your eyes or make you very angry. My mama was my heart and my soul. She taught me

everything I know. I am the man I am because of her. She was my backbone. She was there for me through hard times and good times. What can I say? Words do not explain the things I feel about my mama. She stood by my side when no one else would. She was truly, truly a mother.

brown paper bag. Her poems have served as her confidant, her advisor, her therapist and her best friend. In this slim volume she shares with the reader her lifetime of experience. Her loves, her life, the many feelings for her family, the beauty that she finds in nature and of course, her love of God. Her life wasn't always easy and was never without insecurity and fear, but that never stopped her from seeing the good around her. This is why we love and understand her. She is us and we are she. When we look into her we see ourselves and that is why we love her.

Soldier Girls - Helen Thorpe 2014-08-05
"A raw, intimate look at the impact of combat
and the healing power of friendship" (People):
the lives of three women deployed to
Afghanistan and Iraq, and the effect of their
military service on their personal lives and
families—named a best book of the year by
Publishers Weekly. "In the tradition of Adrian
Nicole LeBlanc, Richard Rhodes, and other
masters of literary journalism, Soldier Girls is
utterly absorbing, gorgeously written, and
unforgettable" (The Boston Globe). Helen
Thorpe follows the lives of three women over
twelve years on their paths to the military,
overseas to combat, and back home...and then
overseas again for two of them. These women,
who are quite different in every way, become
friends, and we watch their interaction and also
what happens when they are separated. We see
their families, their lovers, their spouses, their

children. We see them work extremely hard, deal with the attentions of men on base and in war zones, and struggle to stay connected to their families back home. We see some of them drink too much, have affairs, and react to the deaths of fellow soldiers. And we see what happens to one of them when the truck she is driving hits an explosive in the road, blowing it up. She survives, but her life may never be the same again. Deeply reported, beautifully written, and powerfully moving, *Soldier Girls* is “a breakthrough work...What Thorpe accomplishes in *Soldier Girls* is something far greater than describing the experience of women in the military. The book is a solid chunk of American history...Thorpe triumphs” (The New York Times Book Review).
