Why Does He Do That? - Lundy Bancroft 2003-09-02

In this groundbreaking bestseller, Lundy Bancroft—a counselor who specializes in working with abusive men—uses his knowledge about how abusers think to help women recognize when they are being controlled or devalued, and to find ways to get free of an abusive relationship. He says he loves you. So...why does he do that? You've asked yourself this question again and again. Now you have the chance to see inside the minds of angry and controlling men—and change your life. In *Why Does He Do That?* you will learn about:

- The early warning signs of abuse
- The nature of abusive thinking
- Myths about abusers
- Ten abusive personality types
- The role of drugs and alcohol
- What you can fix, and what you can't
- And how to get out of an abusive relationship safely

"This is without a doubt the most informative and useful book yet written on the subject of abusive men. Women who are armed with the insights found in these pages will be on the road to recovering control of their lives."—Jay G. Silverman, Ph.D., Director, Violence Prevention Programs, Harvard School of Public Health

The Long Journey Home - Andrew J. Schmutzer 2011-10-01

Maybe the only thing new about sexual abuse is quality discussion from several professions (psychology, theology, and pastoral care). Here are the insights of over two dozen psychologists, theologians, and those in pastoral care, all targeting the issue of sexual abuse. Designed as a resource for Christian educators, therapists, pastors, social workers, group leaders, and survivors, *The Long Journey Home* combines current research in mental health with rich theological reflection, global concern with fervent pastoral wisdom for the local faith community. Whether you are a counselor, professor, pastor, or spouse of a survivor, you hold in your hand a fresh resource of information and advocacy for those suffering from the devastating effects of sexual abuse and rape. The breadth of material, biblical insight, discussion questions, and helpful resources gathered here just may be the tool of a generation.

Surviving Sexual Violence - Thema Bryant-Davis 2011-10-16

Explains the range of different sexual violations, from harassment in the workplace and marital rape to sexual violence in the military and

childhood sexual abuse; and offers tips from experts in the field on various modes of recovery including mind-body practices, psychoeducation, spirituality/religion, and journaling.

Child Sexual Abuse - Esther Deblinger 2015

Preceded by: *Treating sexually abused children and their nonoffending parents: a cognitive behavioral approach* / Esther Deblinger, Anne Hope Heflin. c1996.

Is it Abuse? - Darby A. Strickland 2020

"Providing practical tools and exercises, counselor Darby Strickland shows how anyone can recognize clues suggesting abuse, identify oppressive behavior, and work with a victim to bring clarity, help, and healing"--

Helping Victims of Sexual Abuse - Lynn Heitritter 2006-06-01

How do we minister to victims of sexual abuse? It's a difficult problem for Christian communities. This solidly biblical and sensitive guide is packed full of helpful information that provides a valuable perspective on how abuse affects children and the family dynamics that play into its development. As well, readers will also discover practical tools that can lead adult victims into full recovery in Christ. Required reading for everyone who wants to bring meaningful ministry to those affected by sexual abuse.

Healing the Wounded Heart - Dan B. Allender 2016-02-23

First published in 1989, Dan Allender's *The Wounded Heart* has helped hundreds of thousands of people come to terms with sexual abuse in their past. Now, more than twenty-five years later, Allender has written a brand-new book on the subject that takes into account recent discoveries about the lasting physical, emotional, relational, and spiritual ramifications of sexual abuse. With great compassion Allender offers hope for victims of rape, date rape, incest, molestation, sexting, sexual bullying, unwanted advances, pornography, and more, exposing the raw wounds that are left behind and clearing the path toward wholeness and healing. Never minimizing victims' pain or offering pat spiritual answers that don't truly address the problem, he instead calls evil evil and lights the way to renewed joy. Counselors, pastors, and friends of those who

have suffered sexual harm will find in this book the deep spiritual guidance they need to effectively minister to the sexually broken around them. Victims themselves will find here a sympathetic friend to walk alongside them on the road to healing.

The Man of Sin - Kim Riddlebarger 2006-06-01

The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture, says author Kim Riddlebarger. Unfortunately, it's also one which has been subject to far more speculation than sound biblical exegesis. Until now. Unlike other resources available on the Antichrist, *The Man of Sin* focuses on Scripture, not contemporary events, to uncover the truth about this mysterious entity. With skilled exegesis Riddlebarger asserts that, contrary to popular speculation, the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter-advental age before culminating in an end-times Antichrist. Backing this claim first in Scripture, Riddlebarger also draws from historical teachings including those of the church fathers, the Reformation, and historic Protestantism, before contrasting this evidence to the sensational interpretations of many contemporary writers. Pastors, teachers, and study groups wanting to understand the doctrine of the Antichrist will find *The Man of Sin* to be a unique and comprehensive study.

Becoming a Church that Cares Well for the Abused - Brad Hambrick 2019-06-04

Is your church prepared to care for individuals who have experienced various forms of abuse? As we continue to learn of more individuals experiencing sexual abuse, domestic violence, and other forms of abuse, it's clear that resources are needed to help ministries and leaders care for these individuals with love, support, and in cooperation with civil authorities. This handbook seeks to help the church take a significant step forward in its care for those who have been abused. Working in tandem with the Church Cares resources and videos, this handbook brings together leading evangelical trauma counselors, victim advocates, social workers, attorneys, batterer interventionists, and survivors to equip pastors and ministry leaders for the appropriate initial responses

to a variety of abuse scenarios in churches, schools, or ministries. Though the most comprehensive training is experienced by using this handbook and the videos together, readers who may be unable to access the videos can use this handbook as a stand-alone resource.

Contemporary Religious Ideas - G. Edward Lundin 1996

Twelve experts address contemporary religious issues and literature in this fascinating group of bibliographic essays that cut across faith and denominational boundaries. The result is an enlightening overview of organized religion and spirituality today. Topics include the African American Church, ecology and religious responsibility, spirituality and aging, fiction for the faithful, feminism and theology, Judaism, Islam, Latin American liberation theology, developing a church library, and world religions. Designed for collection development librarians, pastors, rabbis, and religious study group leaders, this collection offers an introduction to each subject covered and lists resources for further study.

Helping the Struggling Adolescent - Les Parrott 1993

A practical resource tool and handbook for everyone striving to help young people through times of struggle. Most of the book is a reference guide to 30 common teenage problems arranged alphabetically--from abuse to suicide. "We need all the help we can get, and Les Parrott has provided a lot of it. Youth workers will find this book invaluable".--Tony Campolo.

American Book Publishing Record - 2005

Sensitive Preaching to the Sexually Hurting - Sam Serio 2016-07-27

Today's church has sadly failed to minister to men and women deeply affected by porn, abortion, rape, casual sex, a sexless marriage, same-sex attraction, or childhood sexual abuse. Church leaders know these broken people sit in their pews. What they don't know is what to say to them. Those who would speak out directly from the pulpit worry that they will be unwise or insensitive, whatever their intent to the contrary. They may even fear being fired and losing their ministry altogether. The truth is that seminary curriculums rarely prepare preachers to talk about sex in

their sermons. Despite the pervasiveness of sexual wounds in the church, preachers tend to either ignore them and say nothing or abhor them without nuance and condemn. Sam Serio posits a powerful and necessary middle ground: preaching that offers forgiveness, transformation, and restoration. *Sensitive Preaching to the Sexually Hurting* is a ready-to-use resource written from a preaching perspective. Serio examines the causes and consequences of the seven most difficult sexual issues of today. Moreover, he provides appropriate wording to use in crafting sermons, along with corresponding Scripture texts. He examines how preachers can prepare their churches, their hearts, and their sermons for the topic, and how these can all work together to build a healthier future for their congregations and the wider church body.

Counseling Techniques - Zondervan, 2018-10-16

Counseling Techniques provides a useful resource for any type of counseling practitioner. Presenting a wide variety of the most effective and commonly used techniques associated with various diagnoses, theoretical bases, and client populations, it offers experienced therapists and students alike a single, trustworthy resource for clinical reference and guidance. Each chapter includes a user-friendly, step-by-step explanation of the techniques covered. Sections survey the following: Basic types of techniques (cognitive, behavioral, experiential, and more) Techniques for children, adolescents, adults, couples, and families Techniques for a wide variety of individual and family issues, including emotional dysregulation, shame, loss, sexual abuse, trauma, domestic violence, attachment wounds, and much more Featuring a lineup of top-notch, highly experienced counselors and thoroughly integrated with a Christian worldview, *Counseling Techniques* will equip therapists and students in various helping disciplines for the frequent clinical issues that arise in all forms of counseling.

A Cry for Justice - Jeff Crippen 2012-11

In many Christian circles this may be a taboo subject-spoken of in hushed tones or behind closed doors. But it is a very real problem that must be

brought into the light of Scripture. Abuse in the church takes different forms, but it is alive and active even in "nice" families in our churches. Typically, the abuser is male, usually a husband--and his character is that of a manipulating deceiver! Countless women and children even many faithful pastors--have been abused by these deceivers. Have you, or someone you know, been a victim? Has an abuser: Threatened physical violence if he does not get away? Intimidated you with abusive language? Denied you affection? Denied you medical attention? Manipulated friends and acquaintances in order to gain allies? Pastor Jeff Crippen uses his over thirty years of experience to rip the lid off this most insidious behavior that is often hidden in plain sight. He not only maintains that Bible believing churches have ignored or failed to face the problem, he insists that when they do counsel a victim of abuse, they get it all wrong! The result is that the victim gets pulled into deeper-even life threatening-danger! This book will come as a life-saver in a raging sea for those under the thumb of an abusive spouse or "friend". The Lord Jesus Christ wants you to be free in him: spiritually, emotionally, and, yes, physically. Every pastor also needs to read this book, either because they too have been a victim, but, more importantly, so that they properly counsel those caught in a cycle of abuse.

Mending the Soul - Steven R. Tracy 2005

This book is a well-researched, biblically, and scientifically based overview of the various types of abuse, the effects, and the means of healing.

Handbook on Sensitive Practice for Health Care Practitioners - Candice Schachter 2008

This handbook is designed to help health care practitioners address the needs of adult survivors of childhood sexual abuse. It provides background information about childhood sexual abuse and illustrates how childhood sexual abuse can adversely affect health care encounters with all types of health care providers. The principles and guidelines of Sensitive Practice presented in the Handbook are the product of dialogue between survivors and health care practitioners, and outline comprehensive, practical suggestions that all health care practitioners

can incorporate into their clinical practice.
