No More Headaches - Juli Slattery 2011-09-09

Both husbands and wives can be extremely frustrated by the differences in sexual needs and expectations between them. This frustration manifests itself as fighting, resentment, feelings of either guilt or rejection, and general marital strife. There are few safe and appropriate places to ask the questions about sex that frustrate and confuse women most. In *No More Headaches*, Juli Slattery provides that place with honest answers that

target women's specific needs. Her warm and compassionate style come through as she examines the underlying issues that prevent couples from having a satisfying sex life. Helping husbands and wives understand and address the sexual relationship with their spouse will improve the marriage by reducing stress and frustration in that area, which will reduce stress in other areas of marriage as well. Each chapter contains questions for reflection and questions for couples to discuss. Juli Slattery has extensive experience speaking to women about marriage, parenting, and family issues at retreats and conferences as well as on television and radio.
