"Beautiful, lyrical writing and a dangerously suspenseful plot. . .an unforgettable novel that readers will love." --Lucy Connors, author of *The Lonesome Young* Sometimes secrets kill. Maybe slowly, maybe painfully. Maybe all at once. Melissa smiles. She flirts. She jokes. But she never shows her scars. Eight months after tragedy ripped her from her closest friend, Melissa is broken. Inside her grows a tumor, fed by grief, rage, and the painful memory of a single forbidden kiss. Javier has scars of his own: a bullet wound, and the memory of a cousin shot in the heart. Life in the States was supposed to be a new beginning, but a boy obsessed by vengeance has no time for the American dream. To honor his familia, Javier joins the gang who set up his cousin's murder. The entrance price is blood. Death is the only escape. These two broken souls could make each other whole again-- or be shattered forever. Our time will come. And we'll be

ready. Praise for *Before You*

Three Holiday Romances to Bring you Love, Laughter, and Good Cheer! Mistletoe Madness What Eve wanted for Christmas was a dancing naked Santa. What she got was her best friend falling in love with her. Radio talk show host, Eve Kingston, would have said her neighbor down the street was one of her best friends in the world. After a simple kiss under the mistletoe, Sam now says he wants to sleep with her. Eve thinks maybe she wants to see Sam dancing naked in a Santa hat. Madness has obviously taken over both of them. Will either of them get their crazy wish for Christmas? Saving Santa Her Marine training hadn't quite prepared her for saving St. Nick Like all bad deeds, her nickname for Nicolas North had finally come back to bite her on the butt. The too nice man she admired was determined to play Santa for the local Christmas parade while some shooting stalker was out there after him. Vixen says there's no elfing way she's going to let a Bad Santa like him break her heart a second time. Having learned the hard way how short and precious life is, Dash can't handle the thought of missing his second chance.

Mere Words Can Only Say - Theresa Gasca 2003-04-23
Mere words say so much sometimes they can mean more than a simple touch. Many ways to win a heart, and yet many ways it breaks apart. Poems and rhymes created by lovers' minds to share with you

the same feelings you feel too. [Finding Happily; No Rules, No Frogs, And No Pretending](#) - Collette Gee 2021-08-22
After Collette Gee found herself in another failed relationship she began researching every dating and relationship book on the market. She researched lessons on how to make it past the first date, what to say and not to say, how to dress and when and how to ration out the first kiss. Book after book were filled with detailed instruction on how to be and how not to be. The more she read and compared notes, the stronger these questions became: When is it okay to stop pretending? Do we ever get to just be themselves? In this cutting-edge book, *Dating and Relationship Specialist*, Collette Gee reveals the true meaning behind living "happily ever after". "Most dating and relationship books advise women to follow every tip and trick out there in order to 'capture the heart' of Mr. Right," says Collette. "But, the truth is, when it comes to

This is not another one of those dating and relationship how-to-guide that over promises, but under

deliver. Instead, what this book offers that no other book does is a deeper introspection as to what real relationships look like. "While life can be challenging; dating and relationships don't have to be." Therefore, what you will not find in this book are cookie-cutter instructions on how to "catch and keep a man." Instead through the series of stories outlined in this book you will learn how to develop your own unique successful approach to dating and relationships.
