Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

Dorothy in the Land of Monsters - Garten Gevedon 2019-10-11

Shifters, Zombies, and Vampires? Oh my! My name is Dorothy Gale, and I think I might be dead. When my dog Toto and I got swept up in a twister, we landed in hell. A very colorful hell. Like a rainbow dripping in blood. Now it looks as though this dreadful underworld plagued with vampires, zombies, and shifters will be the site of my eternal damnation. They say this terrifying land called Oz isn't hell or purgatory and escape is possible, but first I must survive the journey down the blood-soaked yellow brick road to the only place in Oz where vampires dare not tread—The City of Emeralds. With enchanted footwear and the help of my three new friends—a friendly zombie, a massive shifter lion, and a heartless axe murderer of evil night creatures (who also happens to be the hottest guy I've ever seen)—Toto and I have a chance to make it to the Vampire Free Zone. When we get there, I must convince the most powerful wizard in this magical land of monsters to send us out of this radiant nightmare and back to the world of the living. They say he's just as frightening as this monstrous land, that he detests visitors, and even the most horrifying creatures cower in his presence. But I must seek him out. And when I find him, I'll do whatever it takes to make him send me home.

Beyond the Breakup - Andrew Aitken 2015-04-21

Written by a man with extensive experience on the topic, *Beyond the Breakup* explains how men think about breakups, their ex-girlfriend, and how they perceive her behavior in the wake of a relationship's end. It also explains the implications this has for girls who are going through a breakup: what will and won't have an emotional effect on him, how to maximize your chances of getting him back, how and when you should contact him, what you should (and shouldn't) say, how to deal with seeing him again, and much more. The list of the chapter titles below give a good overview of the content. This book is not written for women with a weak spirit. It isn't going to tell you how to mitigate the pain you feel in the wake of a breakup, and it isn't going to tell you that everything is going to be fine. And while it will tell you how to maximize your chances of getting your ex back, it isn't going to pretend that there are any 'tricks' to make that outcome likely. However, it will do something much more important: it will give you a strong insight into your ex's state of mind and male psychology in general. This will give you the foundation you need to

navigate the breakup and – more importantly – propel yourself into honest and successful relationships with the men in your future. Chapter List: Introduction PART I – UNDERSTANDING WHAT HAPPENED Men Don't Fall in Love the Same Way Women Do The Analogy Between Sex and Commitment Why This Always Happens to You Changing Your Perspective Why You Didn't See It Coming Men Don't Have "Commitment Problems" The Difference Between Liking You and Liking You Enough Why Men "Fade Out" You Weren't Dating Him in the First Place The Small Things Didn't Matter Anyway Why Your Ex (Who Dumped You) Is Still Contacting You Your Ex and Guilt Your Ex and Pride Your Ex and Decisiveness Interpreting His Emotions What's Going Through His Mind PART II – HOW TO HANDLE THE BREAKUP The Importance of Silence after a Breakup No, You Can't Be "Just Friends" How to Know If You Should Cut Him Off Why It's Never Too Late Why You Should Tell Him That You Are Cutting Him Off What to Say Managing Your Expectations When You Should Fight to Save Your Relationship Exceptions to the Rule How to Know If You Should Dump Him First When He Cheats The Anatomy of Missing Him PART III – FOLLOWING THROUGH WITH THE BREAKUP Making Him Jealous Doesn't Work Seeing Him at Work Being Connected with Your Ex on Social Media Returning His Things and Getting Yours Back What to Do When He Contacts You When He Says He Wants Another Chance Reason and Distraction Stop Sleeping with Your Ex to Prove He Likes You PART IV – MOVING ON AND REBUILDING You Are Responsible for Your Own Romantic Happiness Stop Letting Him Waste Your Time Know Why You Want Him Back Why Getting Him Back Won't Help Why Getting Dumped Is a Good Thing The Importance of Emotional Honesty Dating Again Putting the Breakup in Perspective When You Can Contact Him Again Reframing the Future A Final Word

This book was birthed out of nature walks where I longed to be alone with God and where I sought to hear his voice in the Echoes of the Refreshing Springs. I yearned to seek God's face and escape the norm, the noisy crowds and the masses of people I pass on this journey called life. As a mother of five, my life revolves around them, and as much as I love my children, I do need a break from them at times. These nature walks became my pavilion, my hiding place where just God and I could spend time together. LaShawn Ferguson, a.k.a. Desmonia Adedayo, is a minister at New Home Baptist Church under the leadership of Pastor Bobby Hicks. She is the author of Nuggets of Wisdom: Reflections of a Journey. She graduated from Evangel School of the Bible with a major in Biblical studies. She is the founder of the Poetic Voices Ministry at New Home Baptist Church and is also the founder of the Poets Corner, located in Brookland Manor Apartments, NE, Washington, D.C., serving the DC inner city gifted youths. She has been blessed to travel to the Motherland, Kenya, Africa, to preach the Gospel. She has a passion for people and believes that when the Saints of truly come together then we can evangelize the nations. Her desire is to one day have a home for women that have suffered abuse and are unsure of what their purpose is in life. She is a woman that can relate to pain and adversity in life, feeling forsaken by all and loved by none and would love for all humanity to taste of the goodness of God's everlasting love.

How to Get Your Ex Girlfriend Back - C. Powell 2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

This book is the combination of three books I started writing when I was 14. Ten years later, I am able to look at the material with fresh eyes and even better advice than before. I wrote this book and the first two as therapy to help me find a way through. The fact that I was able to help many others was just a bonus. In this book, I talk about different issues in different aspects of your life and give solutions to the problems that may arise. My only hope is that this book helps you to gain a little more clarity in life and helps you to grow as a person.
