Most pearls in their natural state are not the perfectly round orbs we see in the jewelry store showcase. By the time a pearl gets to the jewelry store showcase it has been refined and polished to show its true beauty. You might say it has been transformed into its true self. In many ways

you and I are pearls. We are the result of being covered in layers and layers of life-events. These events shape us and mold our personalities and outlook on life. Only when we allow God's love and grace to polish and transform us by polishing away the residue of life's difficulties and the sin in our lives can we be seen for who we truly are. So for all the love that was never shown, all the birthdays never celebrated, the accomplishments never recognized, hugs never given, hair bows never tied, and the childhood you were never allowed to enjoy...this book is for you. It is your reminder that God loves you. Cherishes you. Adores you. He is ready and waiting to polish you and bring you to your most beautiful self
