**The Book of Pook** - Pook 2018-03-19

The complete collection of writings by the legend himself! A few years ago there was a man who posted on a PUA forum called So Suave and had his own blog called Pook's Mill. His basic message was that the PUA techniques were too simple, and focused on external manipulations, and focusing on others rather than focusing on yourself and your own masculinity. Sadly Pook disappeared from the scene, but his teachings live on in this ebook.

**Keatyn Unscripted** - Jillian Dodd 2016-11-22

**The Doctor Rowena Halley Series Books 1-4** - Sid Stark 2022-02-19

They say knowledge is power. For newly minted PhD Rowena Halley, all her book learning isn't enough to keep her safe. She'll have to rely on her Moscow-honed street smarts instead. Get the first four books in the Doctor Rowena Halley series and three bonus companion novellas in one boxed set! "Brilliantly-written and highly entertaining, a must read..." The Prairies Book Review "A charming blend of academic inspection and social commentary that weaves an engrossing personal perspective into a blend of social observation and evolving romance." D. Donovan, Senior Reviewer, Midwest Book Review Meet Rowena Halley, a former human rights activist turned academic. Rowena thought teaching on US college campuses would be a lot safer than interviewing torture victims in Russia. Boy, was she wrong. Rowena quickly gets caught up in campus intrigue that threatens to turn deadly. Meanwhile, the life and lover she thought she'd left behind in Moscow might not be so firmly back in the past as she'd believed. Written by a Russian professor with extensive insider knowledge of the topic, these books take a deep dive into the dark underbelly of American higher education. Serious and satirical in turn, they combine mystery, dark humor, and a touch of romance in a searingly funny examination of contemporary American and Russian society. \*Content warning\*: These books contain adult language—and have the one-star reviews to prove it. Worse than that, they have been accused of peddling philosophy and political science. You've been warned. Foreign Exchange (bonus novella) Rowena travels to Moscow to spend the holidays with her fiancé, opposition journalist Dima Kuznetsov. But a story he's investigating takes a potentially deadly turn—for their love, and maybe for their lives. Campus Confidential Newly single and fresh from her dissertation defense, Rowena starts her first faculty job.

She was expecting poor treatment and lousy pay. Murder seems a bit much. Permanent Position The good news: Rowena has a new job and maybe even a new boyfriend. The bad news: the job pays starvation wages, and the boyfriend is three states away. Oh, and Dima seems to want to be back in her life—if his death wish doesn't get him first. But it's when Rowena gets sucked into a nasty domestic dispute between a student and his mail-order Belarusian bride that things get really dangerous. Summer Session Rowena is looking forward to a fun interlude with American boyfriend Alex while teaching an intensive summer program. But their weekend getaway is interrupted when a student goes missing. Oh yeah, and Dima seems ever more determined to stay in the picture. Summer Break (bonus novella) Dima has spent the last year and a half in the comparative safety of the war zone in the Donbass. But now his past is catching up with him. A life-or-death confrontation might force him to rethink everything. Trigger Warning Rowena is starting a new job that almost pays a living wage (!!!). But when a prominent female gamer and feminist activist is targeted by a student men's rights organization, Rowena gets drawn into a potentially deadly stew of toxic misogyny and heartbreak. Winter Break (bonus novella) When the commander of a separatist battalion in the Donbass makes Dima an offer he can't refuse, he finds himself one step closer to finding out who's behind the hit that's been put out on him. But if he gets too close, he might not survive long enough for it to matter.

**Ice** - Cin Medley 2020-09-30

Alison Hampton, Olympic Gold Medalist, suffered a great loss and tragedy, ending her career. For years, she struggled to even put her skates back on, but vowing to do what every doctor told her she would never do again, she was skating. One evening while on the ice, she tried the impossible, a triple axle. Her body was in perfect motion, doing what she had programmed it to do her whole life, but when she hit the ice, her leg buckled, sending her slamming into the boards. Kameron Broker played amateur hockey with his friends. As he strolled through the bar above the rinks they played on, he happened to the window to see poetry in motion. When his eyes locked with the woman on the ice, everything changed for him. Everything changed for her. She was full of fear. He had a broken heart. Together, they would learn to heal one another and to trust.

**I Want To Kiss You In Public** - Zelda French 2020-06-16

With over 550 positive reviews on Amazon (and over 750 on Goodreads), Zelda French's debut novel is now available on Google Play! Louis thought he had it all figured out. He couldn't have been more wrong. If you ask Louis, he's a rock star. Just the right amount of sarcastic, cute, and only slightly delusional. He attends the best high school — in Paris no less — has the coolest best friend and the fiercest girlfriend, and he's absolutely, a hundred per cent straight. So no, Michael, the new British student, with his dark curls and sweet smiles, doesn't interest him whatsoever. And when a teacher pairs the two to write an essay together and Louis gets all worked up about it, he can always tell himself he doesn't have a choice. Slowly and inevitably, the two of them become friends, and perhaps a little more. Soon, they're close enough that Louis grows increasingly confused. Michael's presence in his life makes him question everything: his lifestyle, his friendships, and whether he actually ever liked girls. In this coming out story, Louis, an anxious and cynical student at an international high school, struggles to admit the truth to himself and his loved ones as he comes to terms with his sexuality. Will he find the courage to accept who is he before it's too late? I Want To Kiss You In Public is a story about friendship, love, truth and heartbreak, with a hint of over-the-top comedy, suitable for fans of Skam, Sex Education, Heartstopper and Boyfriend Material. (This ebook also contains an extract from Colette International Book 2 as a bonus.)

**Last Christmas** - TJ Lee 2022-07-01

It all started with a party. My 19th to be exact. My twin brother, or rather his girlfriend, planned and decorated. I overheard them make a bet, concerning me and the game Seven Minutes in Heaven. My brother bet I would just sit there and talk to the guy. His girl bet I would kiss him. They both thought they were slick putting our older brother's best friend in there with me. He's in med-school. He's responsible. He's practically family. To get back at my twin, Noah agreed to kiss me. Only, it wasn't what either of us expected. That one kiss led to a lot more. While he and I were discovering something that had been right in front of us all along, darkness was hanging over our family. Too many secrets have been kept. Some, more important than others. Last Christmas broke my heart. But I had Noah there to stitch it back together.
