Lady Chatterley's lover - David Herbert Lawrence 2001

Lady Editor - Melanie Kirkpatrick 2021-08-03

For half a century Sarah Josepha Hale was the most influential woman in America. As editor of Godey's Lady's Book, Hale was the leading cultural arbiter for the growing nation. Women (and many men) turned to her for advice on what to read, what to cook, how to behave, and—most important—what to think. Twenty years before the declaration of women's rights in Seneca Falls, NY, Sarah Josepha Hale used her powerful pen to promote women's right to an education, to work, and to manage their own money. There is hardly an aspect of nineteenth-century culture in which Hale did not figure prominently as a pathbreaker. She was one of the first editors to promote American authors writing on American themes. Her stamp of approval advanced the reputations of Edgar Allan Poe, Harriet Beecher Stowe, and Nathaniel Hawthorne. She wrote the first antislavery novel, compiled the first women's history book, and penned the most recognizable verse in the English language, "Mary Had a Little Lamb." Americans' favorite holiday—Thanksgiving—wouldn't exist without Hale. Re-imagining the New England festival as a patriotic national holiday, she conducted a decades-long campaign to make it happen. Abraham Lincoln took up her suggestion in 1863 and proclaimed the first national Thanksgiving. Most of the women's equity issues that Hale championed have been achieved, or nearly so. But women's roles in the "domestic sphere" are arguably less valued today than in Hale's era. Her beliefs about women's obligations to family, moral leadership, and principal role in raising children continue to have relevance at a time when many American women think feminism has failed them. We could benefit from re-examining her arguments to honor women's special roles and responsibilities. Lady Editor re-creates the life of a major nineteenth-century woman, whose career as a writer, editor, and early feminist encompassed ideas central to American history.

Sir Owen Fairfax - Lady Emily Charlotte Mary Ponsonby 1866

[The Lady Herbert's Gentlewomen](#) - Eliza Meteyard 1862

Men Chase, Women Choose - Dawn Maslar 2016-10-18

The first book to offer cutting-edge research that explains how the brain works when two people first meet, start to date, fall in love, and then move into long-term, real love.

[Hearing Aids, Lipreading, and Clear Speech](#) - Sir Alexander William Gordon Ewing 1967

[How to Be a Lady](#) - Candace Simpson-Giles 2012-01-10

Whether a woman is a contractor, a stay-at-home mother, or a high-powered attorney, the suggestions in How to Be a Lady will cause others to think "Wow! She's got it all together!" If a lady is on a diet, she does not speak of it at the table A lady never eats a meal while behind the wheel of a car A lady makes it a point to know the names of the teams playing in the Super Bowl The roles women play in society today are drastically different than they were 25 years ago, and some of the rules are different as well. "Somewhere along the way," says the author, "the art of being a lady was lost in the shuffle to become a self-sufficient, straight shooting, aggressive survivor in the world . . . Some of us lost sight of the rewards that being a lady could bring." How to Be a Lady is a practical book of etiquette that is not snobbish, boring, or intimidating. Designed for a new century, it addresses such issues as how to dress for the workplace, the importance of knowing self-defense, and how to deal with divorced friends and unmarried couples.

A lady's four perils - James McGrigor Allan 1888

The Lady's Companion, Or, Sketches of Life, Manners, and Morals, at the Present Day - Lady 1854

Talk Like a Pirate - Lady Wench 2013-02-14

Arrr! Learn to talk like a real pirate the easy way. This handy guide to pirate talk combines fact, fiction, and a lot of fun, with over 450 pirate and nautical terms - plus a Quick-Start Guide - so you'll be talking like a pirate in minutes. The "pirate talk" definitions are loaded with fascinating tips and trivia. You'll soon know the very worst pirate insults, the proper way to compliment a woman (and a few words never to use), authentic recipes for grog and sangaree, how to mix a mean bimbo, and whether a captain has to go down with his ship. (He doesn't.) You'll sail through pirate history, learning who the buccaneers really were (and why you should thank them every time you enjoy barbecued meat), where the Spanish Main was, why there are many "seven seas," plus when Julius Caesar was captured by pirates... and how he got even with them. Finally, you'll discover ways to craft a pirate character and tips to dress the part. From weird trivia to fascinating facts, this is an ideal mix of history and vocabulary. Perfect for "Talk Like a Pirate Day," pirate enthusiasts, students, and anyone who'd like to talk like a pirate for a day... or every day!

Diaries of A Lady of Quality from 1797 to 1844 - Frances W. Wynn 2022-03-11

Reprint of the original, first published in 1864.

[Language and Woman's Place](#) - Robin Tolmach Lakoff 2004-07-22

The 1975 publication of Robin Tolmach Lakoff's Language and Woman's Place, is widely recognized as having inaugurated feminist research on the relationship between language and gender, touching off a remarkable response among language scholars, feminists, and general readers. For the past thirty years, scholars of language and gender have been debating and developing Lakoff's initial observations. Arguing that language is fundamental to gender inequality, Lakoff pointed to two areas in which inequalities can be found: Language used about women, such as the asymmetries between seemingly parallel terms like master and mistress, and language used by women, which places women in a double bind between being appropriately feminine and being fully human. Lakoff's central argument that "women's language" expresses powerlessness triggered a controversy that continues to this day. The revised and expanded edition presents the full text of the original first edition, along with an introduction and annotations by Lakoff in which she reflects on the text a quarter century later and expands on some of the most widely discussed issues it raises. The volume also brings together commentaries from twenty-six leading scholars of language, gender, and sexuality, within linguistics, anthropology, modern languages, education, information sciences, and other disciplines. The commentaries discuss the book's contribution to feminist

research on language and explore its ongoing relevance for scholarship in the field. This new edition of *Language and Woman's Place* not only makes available once again the pioneering text of feminist linguistics; just as important, it places the text in the context of contemporary feminist and gender theory for a new generation of readers.
