To my crush - Brendon Thutso 2019-10-15
This book is a concoction of the poet's thoughts on a person they have an unquenchable crush on. The poet is not a very direct person and uses metaphors, riddles, and many other language tricks to embody what they intend to say. In the poem, "The Dream", the poet talks about watching the earth flood as he sits at the brink of the cumulonimbus, but as he continues through the poem it unravels to the reader that the poet is not talking about the real flood or cumulonimbus, instead the poet uses all those meteorological terms as a way to censor their language. In many other poems like "imagine",

the poet expresses their love and admiration for their crush and the things they wish they could do together. contact: brentee01@gmail.com (author)

How to Attract Women if You're Not That Attractive - Enrique Voltaire 2017-04-13

What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. How to Attract Women if You're Not That Attractive answers everything you need to know about attracting women if you do not look like Prince Charming.

The Girls' Guide to Friends - Julie Taylor

2010-05-12

Hey, girlfriend! Would you just die if your best friend moved away? Or what if that guy chatting you up in science class turns out to have a crush on your pal and not you? Are you fighting with a friend because she is constantly breaking plans with you to hang with her “cooler” buddies? Do you wish you could come up with more creative ways to spend time with your friends that don’t involve shopping, or watching television? Well, if you are like most girls, your friends are the most important people in the world and you can’t imagine life without them—even when they are working your last nerve. In *The Girls’ Guide to Friends*, relationship expert Julie Taylor gives you the inside scoop on creating real friendships that will last. Filled with the wisdom of a cool big sister who truly understands your feelings, *The Girls’ Guide to Friends* offers advice on making the most of the time you spend with your friends, and how to deal with tough issues, too.

With a quiz at the end of every chapter, *The*

Your Child's First Crush - What It Means and How To Talk About It - Cynthia Malu
2012-03-04

ABOUT THE BOOK From the giggly four-year old who proclaims that he wants to marry his teacher to the pre-teen who gushes over the cute boy who sits next to her in class, your child's first crush is a new frontier, and its best to prepare yourself long before it happens. As a parent, you can take an active part in helping your child navigate his or her romantic feelings. To be a positive part of your child's first

experience with puppy love, the most important thing you can do is help your child feel comfortable communicating with you. A crush is no more than an infatuation. Unlike a true romantic relationship, when two individuals acknowledge their deep feelings for one another, a crush is often a one-sided attraction. When children have a crush, they are not focused on loving the object of their affection as an entire person, flaws and all. Instead, they build up a fantasy of sorts in their minds, and spend time daydreaming about what it would be like to be together. EXCERPT FROM THE BOOK Try to find out how your child's crush is responding to him. Ask him if his crush talks to him at school. This will help you gauge the level of intensity and the direction things are headed. If his crush returns his feelings, he may be on the verge of a relationship. While you won't be able to change the eventual outcome of your son's crush, you can guide him as he navigates the unfamiliar waters of romantic feelings. The way you

approach the subject will depend on your child's age. For a young child, be positive but truthful when you talk about the crush. Explain that it's normal to have strong feelings for people when you like their looks and behavior, but make sure your child knows that it's not necessary to act on those feelings. Guide him or her in making appropriate decisions. For instance, if your daughter wants to give a gift to a boy she likes on Valentine's Day, help her choose something that won't be overwhelming for either party. If the object of your young child's affection is an adult, don't be overly concerned. According to Dr. Laura Rocker, a pediatric physician, children often experience their first crush on a celebrity or an adult they find attractive. This behavior is normal, and as a child grows older, he or she will become interested in peers his or her own age... Buy a copy to keep reading! Connected With Your Child + ...and much more *Far From Simple: Life After Being Not Your Average Teen* - Brittany Krystantos 2017-11-14 Far From Simple: Life After Being "Not Your Average Teen" written by 20 year old Canadian author, Brittany Krystantos, recalls the ever-so common high school struggles with self identity, friendships and lack thereof, popularity and stereotypes, and continues into young adulthood consisting of the terrible tinder dates including the time her date told her they'd have cute babies on their first date... run, oh yes! Britt shares with us her awful attempt at friends-with-benefits or should we say FWB, and heartbreak from the time her boyfriend broke up with her over text. Maybe, the heart healed from eating the entire jar of chocolate ice cream or maybe not; but it sure felt better in the moment. In this narrative nonfiction, she describes that "kind of girl" that is within all of us: ambitious, different, free spirited, wild, adventurous, yet innocent at the heart of things. She has gone through pain

down the street was one of her best friends in the world. After a simple kiss under the mistletoe, Sam now says he wants to sleep with her. Eve thinks maybe she wants to see Sam dancing naked in a Santa hat. Madness has obviously taken over both of them. Will either of them get their crazy wish for Christmas? Saving Santa Her Marine training hadn't quite prepared her for saving St. Nick Like all bad deeds, her nickname for Nicolas North had finally come back to bite her on the butt. The too nice man she admired was determined to play Santa for the local Christmas parade while some shooting stalker was out there after him. For a geek, the man could nearly kiss the hard-ass Marine right out of her. Only she couldn't let him. At least not until she'd managed to save Santa. No ELFing Way What's on Dasher Sleigh's list for the holidays? Fixing his blunder with Vixen Dunder. Single dad and widower, Dasher Sleigh, is hoping for a much better Christmas this year. He'd have one too, if he could just talk Vixen and

her daughter into spending it with him and Nicky. Playing Bad Santa to Vixen's Sexy Elf is a lot of fun. Next he'd like to see Vixen in his lap and both their children playing under his tree. Vixen says there's no elfing way she's going to let a Bad Santa like him break her heart a second time. Having learned the hard way how short and precious life is, Dash can't handle the thought of missing his second chance.

humans have existed, they have been preyed upon by a powerful enemy. One that targets both males and females, old and young. It doesn't care how much money you have, where you live, or how successful you are. It can sicken your mind, make your day a living hell, and hinder your career. And it affects every single person on the planet. Yes, we're talking about self-doubt. It is one of the strongest feelings in the world, one that can take down even the most powerful individuals and can cause mayhem in anyone's life. There are many causes of insecurity, and it doesn't manifest the same in everyone. Some people hide themselves behind baggy clothes because they don't feel pretty enough. Others stay at home and avoid social events, worried that they might say something "stupid" and embarrass themselves. No matter what form your insecurity takes, the result is always the same: you are missing out on life. You could be out there, making friends, finding love, getting promoted, if your self-doubt wasn't

holding you back. It's a tough rival to beat. But just like any other predator, self-doubt has a natural enemy, one that conquers it every time: confidence. Yes, confidence is the king of the jungle. Once you arm yourself with it, you're ready for the battle, and insecurities have no chance against this power. But becoming a strong, confident individual is easier said than done. Or is it? In this book, you'll discover: Simple techniques to break free from those hardwired negative thoughts that are poisoning your mind How to stop comparing yourself to others and eliminate destructive pangs of jealousy Why being perfect sucks, and how you can use your imperfections to your advantage Shocking revelations on self-sabotage, and how to recognize when you're doing it (hint: prepare to be surprised) How to use powerful tools such as CBT and self-talk to fight social anxiety, and rejoin the world How you are unconsciously projecting your insecurity to others by acting a certain way Strategies for boosting your defense

mechanism and creating a shield of confidence no insecurity can penetrate And much more. A healthy dose of self-doubt has never hurt anyone. In fact, research suggests it can even help you progress and make you a better, more confident individual. But insecurities are subtle. They start slow, like you hiding your tummy on a beach, or avoiding public speaking. If left unchecked, they can grip you extremely fast and leave you vulnerable, self-conscious, and unsure in your own abilities. But if you react in time and employ confidence as your ally, self-doubt doesn't stand a chance. If you're ready to meet your insecurities on the battlefield, and emerge victorious, then scroll up and click the "Add to Cart" button right now.

[The Guyde](#) - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself.

There are no lines or routines; instead you'll find

exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how

to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and

how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Easy Way to Recognize Your Crush - Jessica King 2023-02-07

Do you find yourself wondering who has a crush on you? If so, don't worry, you're not alone. In fact, according to a recent study, almost half of all people have wondered this at some point in their lives. So, if you're looking for a way to figure out who has a crush on you, here are ten best ways to do it. 1. Look out for signs that someone might be interested in you. This might include sending you romantic messages, being overly affectionate, or pursuing you in a way that seems out of the ordinary. 2. Ask someone

out. This might be the easiest way to figure out who has a crush on you, especially if the person is someone you know well. Just be sure to take things slow and be prepared for a response. 3. Watch for subtle clues. If someone repeatedly compliments you or pays attention to you in a way that seems too friendly, it might be a sign that they have a crush on you. 4. Be observant. If someone seems to be watching you or following you around, it might be a sign that they have a crush on you. 5. Check your social media profiles. If someone you know has been posting a lot of pictures or videos of you, it might be a sign that they have a crush on you. 6. Ask your friends. If they know who the person with a crush on you is, they might be able to give you a hint. 7. Pay attention to your feelings. If you're not sure whether the person with a crush on you is serious about them or not, it might be a good idea to take things slow. 8. Talk to a therapist. If you're not sure what to do or how to proceed, talking to a therapist might be a good idea. 9.

Get a love reading. If you're feeling lost or unsure about what to do, getting a love reading might be a good solution. 10. Trust your gut. If you're certain that the person with a crush on you is interested in you, go ahead and let them know. After all, it might be the best thing for both of you.

How to Flirt and Connect with Your Crush in No Time - Anthony Bond 2023-01-11

Having a crush is fun, and to be honest, it's also a bit scary. It's exciting to connect with someone and feel those sparks soar, and often a little flirting will help you get there. But flirting doesn't have to come naturally to all of us. You want to talk to your crush, but when you're drowning in your emotions and experiencing those high-flying sensations, you can feel awkward. You may be nervous about saying something embarrassing or not sure how to start a conversation. That's completely normal and doesn't mean you'll have to look at your partner from afar for the next four years. Flirting takes

practice. But with a few flirting tips and a little bit of confidence, you'll impress your crush in no time.

After Iris - Natasha Farrant 2013-07-02

Being a combination of conventional diary entries and transcripts of videos shot by the author on the camera she was given for her 13th birthday, and beginning at the end of summer. Bluebell Gadsby is 13 but that's the least of her problems. Both her parents seem more interested in their careers than the family, leaving Blue and her three siblings in the care of Zoran the au pair, as well as their three pet rats (who may or may not be pregnant). The enigmatic Joss moves in next door and Blue thinks she might be falling in love, until he takes out her older sister Flora instead (who, incidentally, is trying to make a statement by dying her hair bright pink but no one takes the blindest bit of notice). Blue thinks and feels very deeply about life but can't really talk to anyone about it, because no one in the Gadsby family

wants to address the real problem - that Blue's twin sister, Iris, died a year ago, and they are all just trying to hide their grief in busyness... So Blue turns to her diary and her unique way of seeing the world through her camcorder to express herself. A tender, funny, smart and ultimately heartwarming story.
