Make Him Yours - Mark Rosenfeld 2019-12-12

How much more time will you waste with the wrong men? If you already have the perfect man in your life or are consistently meeting great men dating, this is NOT the book for you. But if you're like the majority of other good women out there who have had a run of men who don't respect you, don't care for you or don't put effort into you, then this book is absolutely for you. Deep down you know true, fulfilling love is out there for you. But after enough low-value relationships or dates, who's to blame you for starting to doubt it will ever happen for you. The result is you spend nights stuck in your head wondering if there is something wrong with you. You linger about why men can't or won't see your value. You look around and see all your friends in relationships while you are perpetually single, even when you have so much going for you. Mark Rosenfeld has coached thousands of women across the world. His life-changing videos have received over 50,000,000 views and

he has become Australia's leading dating and relationship coach for one reason - he gets results. Whether its confidence, clarity, or a genuine, connected soulmate, women the world over look to Mark as a progressive, honest and practical coach who leads them through the midst of uncertainty and doubt that modern dating can be, to shine through and attract the man they deserve. In 'Make Him Yours; Beating The Odds Of Modern Dating', you'll discover ...The 7 Non-Physical Attraction Triggers that make him decide if you're a 'casual date' or 'wife material' The 4-Boyfriend Benefits you're probably getting used for (hint: It's not sex) The 3-Step process to set standards that makes a man respect and WANT to comply The Top 10 Places to meet men offline, and the simple OPEN mindset that gets hot guys talking to you anywhere, anytime (if that's what you want) The 7 Modern Dating Habits you can use in 2020 to swing the dating pendulum in your favour

Tell Me Again How A Crush Should Feel - Sara

Farizan 2014-10-07

With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens *Leila* has made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that *Leila* liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, *Saskia*, shows up, *Leila* starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and *Saskia*'s confusing signals, *Leila* confides in her old friend, *Lisa*, and grows closer to *Tomas*, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, *Leila* begins to see

that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

Maybe He Just Likes You - Barbara Dee

2020-09-15

2019 The Washington Post Best Children's Book of the Year (Erin Entrada Kelly Pick) A 2020 ALA Notable Children's Book "The novel's all-too-familiar scenario offers a springboard for discussion among middle schoolers...Easily grasped scenarios and short chapters help make this timely #MeToo story accessible to a wide audience." —Publishers Weekly (starred review) "Realistic and heartbreaking." —BCCB Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader *Mila*, it starts with some boys giving her an unwanted hug on the school blacktop. A few

days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice.

[This Is How You Lose the Time War](#) - Amal El-Mohtar 2019-07-16

Two time-traveling agents from warring futures, working their way through the past, begin to exchange letters—and fall in love in this thrilling and romantic book from award-winning authors Amal El-Mohtar and Max Gladstone. In the ashes of a dying world, Red finds a letter marked "Burn before reading. Signed, Blue." So begins

an unlikely correspondence between two rival agents in a war that stretches through the vast reaches of time and space. Red belongs to the Agency, a post-singularity technotopia. Blue belongs to Garden, a single vast consciousness embedded in all organic matter. Their pasts are bloody and their futures mutually exclusive. They have nothing in common—save that they’re the best, and they’re alone. Now what began as a battlefield boast grows into a dangerous game, one both Red and Blue are determined to win. Because winning’s what you do in war. Isn’t it? A tour de force collaboration from two powerhouse writers that spans the whole of time and space. *The Secret Lives of Introverts* - Jenn Granneman 2017-08-01

An introvert guide and manifesto for all the quiet ones—and the people who love them. Is there a hidden part of you that no one else sees? Do you have a vivid inner world of thoughts and emotions that your peers and loved ones can’t seem to access? Have you ever been told you’re

too “quiet,” “shy,” “boring,” or “awkward”? Are your habits and comfort zones questioned by a society that doesn’t seem to get the real you? If so, you might be an introvert. On behalf of those who have long been misunderstood, rejected, or ignored, fellow introvert Jenn Granneman writes a passionate vindication—exploring, discovering, and celebrating the secret inner world of introverts that, only until recently, has begun to peek out and emerge into the larger social narrative. Drawing from scientific research, in-depth interviews with experts and other introverts, and her personal story, Granneman reveals the clockwork behind the introvert’s mind—and why so many people get it wrong initially. Whether you are a bona fide introvert, an extrovert anxious to learn how we tick, or a curious ambivert, these revelations will answer the questions you’ve always had: What’s going on when introverts go quiet? What do introvert lovers need to flourish in a relationship? How can introverts find their own

brand of fulfillment in the workplace? Do introverts really have a lot to say—and how do we draw it out? How can introverts mine their rich inner worlds of creativity and insight? Why might introverts party on a Friday night but stay home alone all Saturday? How can introverts speak out to defend their needs? With other myths debunked and truths revealed, *The Secret Lives of Introverts* is an empowering manifesto that guides you toward owning your introversion by working with your nature, rather than against it, in a world where you deserve to be heard.

Only One Boy - Maggie Dallen 2023-08-07

There's only one boy Celia would NOT want to be stuck sitting next to on this interminably long train ride. So guess who just walked on board... Clearly the universe has a sick sense of humor. That's the only explanation Celia can come up with when she finds herself alone on a train with her crush since second grade. Maybe some girls would call this fate. Destiny, even. But Celia knows better. This is cruel and unusual punishment, because Heath is also the one boy who turns her into a stammering, incoherent fool. And that's before he kisses her senseless. Heath's not exactly jazzed about this turn of events either. He's supposed to be on this trip with his girlfriend. But now his girlfriend is his

ex and he's trapped on a train ride from hell with the one girl who apparently hates his guts. Cool. Looks like everyone is in for a good time. Except, one derailed train, a shared motel room, two unexpected detours, and a few steamy kisses later, and maybe, just maybe—they're both about to change their tune.

Shaken - Susan Hatler 2012-02-02

High school junior, Kylie Bates, can suddenly read minds. When she touches people's hands, she's able to see their deepest thoughts. As if that's not freaky enough, her dad sends her to help hottie detective, Sam Williams, track down a missing girl. Way too much pressure, especially for a girl who can't watch *Scream* without getting nightmares. Then, finding the missing girl leads to much more than Kylie's prepared for. Like discovering that her dad has

Girl Defined - Kristen Clark 2016-05-10

In a Culture of Distortions, Discover God-Defined Womanhood and Beauty In a culture where airbrushed models and career-driven women define beauty and success, it's no wonder we have a distorted view of femininity. Our impossible standards place an incredible burden of stress on the backs of women and girls of all ages, resulting in anxiety, eating disorders, and depression. One question we often forget to ask

is this: What is God's design for womanhood? In *Girl Defined*, sisters and popular bloggers Kristen Clark and Bethany Beal offer women a countercultural view of beauty, femininity, and self-worth. Based firmly in God's design for their lives, this book helps women rethink what true success and beauty look like. It invites them on a liberating journey toward a radically better vision for femininity that ends with the discovery of the kind of hope, purpose, and fulfillment they've been yearning for. *Girl Defined* helps readers · discover God's design for femininity and his definition of a successful woman · uncover the secrets of lasting worth, purpose, and fulfillment · be equipped and empowered to live out a radically better vision for womanhood · gain personal insight through the chapter-by-chapter study guide

women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In *Get the Guy*, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

The Guyde - Howie Reith 2016-11-19

The *Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself.

There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral

to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The *Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself

with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic

evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
