The Guyde - Howie Reith 2016-11-19

The *Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The *Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The *Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Thai Love Course - Thailand Redcat 2016-08-16

Sure a lot of Thai girls are good in English especially hookers. But what if you want to ask a "normal" Thai girl out for a date? There are countless of nice Thai girls that have never dated a foreigner before but would love to if you can at least speak some basic Thai. Or think of all the university girls most of them don't speak English or are too shy but how if you tell them in Thai "You are cute, do you want to go for dinner with me?" Imagine how many more Thai girls you can meet if you know some really useful Thai vocabulary and phrases! Leaving alone to impress girls no matter if they speak English or not. And not just for arranging quick dates - if you are in a relationship with a Thai girl it does make sense to know how to ask her if she's horny or ask her to undress. You will learn all this and much more in this book. The Thai Love Course is divided into two parts: The first part is about teaching you all the language skills you need in order to talk to Thai girls confidently. There are 6 lessons: 1. Courting / Arranging a Date Learn everything from "What's your name?", "Where do you go?", "You are cute" to "Are you free tonight?" and "Do you want to have a meal together?" Step by step from the first thing you tell her to arranging a date. 2. During the Date / Bring her back to your room Once it's time to meet her and take her out for the date you will have a repertoire of more than enough questions and statements to convince her to go back to your or her room like "It's hot here, isn't it?", "Do you live alone?", "Do you want to watch a movie in my room?" and many more. 3. In the Apartment / Making Love The tools for your bedroom: "I love your skin", "Can I hug you?", "Can I kiss you?", "Don't be shy" to "What is your favorite position?", "Does it hurt?", "That feels good?" are just a few things you will be able to tell your girl. 4. Talking about Feelings If you want to be able to ask your honey why she loves you as well as understanding her answer - this chapter provides all relevant words and phrases you need to know. Also including useful tools for pickup lines ("You are so kind", "I don't want to sleep alone", "Do you want to be my girlfriend?" etc). 5. Breaking up Sooner or later you may want to end the relationship with your Thai girl and rather than ignoring her messages there are several ways to tell her that it's over and also give a reason for it ("You don't care about me at all", "You barely call me", "It's better we break up" etc). 6. Talking to Bar Girls / Hookers There is not one foreigner that I know who comes to Thailand on holiday or lives here permanently and has not been in "contact" with Thai bar girls. So in the final chapter you'll find everything related to talking to bar girls and hookers ("What time do you finish work?", "I want to take you outside", "How much do you want?", "That's too much" etc). You'll love this one. Each chapter has a list of relevant vocabulary followed by useful sentences for real conversations. Everything comes in English, Thai transliteration and Thai script. The second part is about understanding the way Thai girls are thinking and what they expect from you in a relationship. Plus bonus content including Pick Up Lines that really work and the most important Isaan Words.

A Stranger in the Kingdom - Howard Frank Mosher 2014-05-27

This novel of murder and its aftermath in a small Vermont town in the 1950s is "reminiscent of To Kill a Mockingbird . . . Absorbing" (The New York Times). In Kingdom County, Vermont, the town's new Presbyterian minister is a black man, an unsettling fact for some of the locals. When a French-Canadian woman takes refuge in his parsonage—and is subsequently murdered—suspicion immediately falls on the clergyman. While his thirteen-year-old son struggles in the shadow of the town's accusations, and his older son, a lawyer, fights to defend him, a father finds himself on trial more for who he is than for what he might have done. "Set in northern Vermont in 1952, Mosher's tale of racism and murder is powerful, viscerally affecting and totally contemporary in its exposure of deep-seated prejudice and intolerance . . . [A] big, old-fashioned novel." —Publishers Weekly "A real mystery in the best and truest sense."—Lee Smith, The New York Times Book Review A Winner of the New England Book Award

The Nowhere Girls - Amy Reed 2019-07-09

"A call-to-action to everyone out there who wants to fight back." —Bustle "Scandal, justice, romance, sex positivity, subversive anti-sexism—just try to put it down." —Kirkus Reviews (starred review) "Cuts straight to the core of rape culture—masterfully fierce, stirring, and deeply empowering." —Amber Smith, New York Times bestselling author of *The Way I Used to Be* Three misfits come together to avenge the rape of a fellow classmate and trigger a change in the misogynist culture at their high school transforming the lives of everyone around them in this searing and timely story. Who are the Nowhere Girls? They're everygirl. But they start with just three: Grace Salter is the new girl in town, whose family was run out of their former community after her southern Baptist preacher mom turned into a radical liberal after falling off a horse and bumping her head. Rosina Suarez is the queer punk girl in a conservative Mexican immigrant family, who dreams of a life playing music instead of babysitting her gaggle of cousins and waitressing at her uncle's restaurant. Erin Delillo is obsessed with two things: marine biology and Star Trek: The Next Generation, but they aren't enough to distract her from her suspicion that she may in fact be an android. When Grace learns that Lucy Moynihan, the former occupant of her new home, was run out of town for having accused the popular guys at school of gang rape, she's incensed that Lucy never had justice. For their own personal reasons, Rosina and Erin feel equally deeply about Lucy's tragedy, so they form an anonymous group of girls at Prescott High to resist the sexist culture at their school, which includes boycotting sex of any kind with the male students. Told in alternating perspectives, this groundbreaking novel is an indictment of rape culture and explores with bold honesty the deepest questions about teen girls and sexuality.

How to Text a Girl - Kent Lamarc 2017-06-07

This book is based on the research analysis of a real online conversation between two persons that barely knew each other, and that started banging one another after a one night stand. One is a guy that bangs multiple girls at the same time, and the other is our girl, Daisy. Daisy gave away their conversation for the purpose of this book upon realizing that she was being cheated by a guy having sex with multiple women and not just her. Along these chapters, you will have a chance to see how a real Player manipulates a woman into having sex with her multiple times, and which strategies he uses, even when she doesn't like him and doesn't want sex with him. Along the conversations between these two, you will have a clear psychological analysis of the process occurring in each other's mind to finally understand how to text any woman properly.
