[Friendship with God \(eBook\)](#) - Trevor Hudson
2015-05-01

Are you open to re-imagining your relationship with God as a friendship? Do you want to be transformed into the person God wants you to be? Friendship with God transforms us. As we learn to trust God as our Divine Friend, it has a transforming effect on our whole lives. It affects how we pray, our relationships with each other and the way we understand our everyday lives. It changes the way we think and feel, what we

desire and long for, the way we see each other and how we seek to live our lives in the world. We could say our friendship with God creates the climate in which you and I become the people God wants us to be. In his latest book, *Friendship with God*, Trevor Hudson digs into these two interwoven themes of friendship and personal transformation. He explains that friendship is a helpful analogy for the intimate kind of relationship God wants with us. Put very simply, the gospel invites you and me into friendship with God. When we become friends with Jesus, we are drawn into God's greater dream for the world. This indeed is the purpose of our lives on earth. We are created to become friends of God and to partner with God in making his dream a greater reality in the world around us. Topics that are addressed include: Living Beyond Loneliness God's Passionate Longing for Friendship Getting to Know Our Friend Understanding Prayer as Deepening Friendship Looking Outward Together Exploring Our Friend's Address Book Discerning What Our Friend Wants Us to Do Blessing Others as Our Friend Has Blessed Us Facing Our Fears with Our Friend Asking Our Friend the Hardest Question The creator God who loves us and set the whole universe into existence, and who sustains our lives in the immediacy of each moment, wants our intimate friendship. As you explore this good news you will be encouraged to see your faith and your life in a totally new way.

Let Love Reside - Feven Negga Ph.D. 2019

Life is often consumed by activity and busyness, and we often seek to separate ourselves from daily life in order to find rest and relief. Sadly, these distractions and efforts force a division between ourselves and the Lord. But what if there was some other way? What if we could find rest in the Lord, even in our daily lives? *Let Love Reside: A Practical Guide to Deepening Your Relationship with God*, by Feven Negga, Ph.D., shows how achieving a deeper relationship with God can lead us to rest, peace, strength, and love. Written for Christians new to their spiritual development as well as those who have walked closely with the Lord for years, *Let Love Reside* steps beyond restrictive religious rules and formalities and offers guidance in finding a deeper understanding of God's love in a simple, truthful, and profound way. Through insightful discussion of biblical passages and themes, Dr. Negga leads us from exploring the nature of rest and fasting to forgiveness and God's desire for intimacy. When it comes to realizing rest and peace in God and in our lives, how we act is far

more important than what we do. By striving to understand and overcome modern life's many barriers, we can begin the journey of a lifetime—building true intimacy with God and bringing freedom and joy to our mind, body, and soul.

One Month to Love - Kerry Shook 2012-12-18
Improve your most important relationships—starting today. At the end of the day in this all-too-short life, what matters most is relationships. Spouse, parent, child, friend—whoever your closest loved ones are, they warrant more than a passing glance; they deserve an intentional and meaningful relationship with you. The One Month to Love thirty-day challenge is the greatest adventure you'll ever take, helping you deepen the important relationships in your life. Authors Kerry and Chris Shook use timeless, biblical wisdom to walk through three stages of relationships: First Glance, Second Look, and Lasting Love. Many of us have launched into the exciting First Glance phase. When we then tiptoe into the Second Look, reality sets in, and often friendships weaken, families suffer, marriages crack. Now learn how to experience the deep, satisfying lifelong relationships of lasting love. All it takes is one chapter a day. If your marriage is broken, restoration is possible. If your friendship is frail, a fresh start is possible. Even if you've made mistakes in all your relationships, lasting love is still possible. "With God all things are possible" (Matthew 19:26). Includes a weekly focus and daily readings to guide you through the process.

Prayer Journey - Elisabeth Graham 2019-11-16
How to use this journal: Each Day you have a place to put the date. There is also a place to put prayers, still praying, and answered prayers

(except on the first day). In the still praying section put the date you wrote the original prayer request and the number of the request on that page. This is also the way to do it for the answered prayers section. Then there is a place to write a verse for the day and any notes you may have about that verse. I recommend the YouVersion Bible app as an easy way to find a verse. However, feel free to find a verse anyway you like. And last but not least, it has a place to write what you are thankful for. Remember that you can also have prayers that are not requests. If something is on your heart write it down as a prayer.
