Are You Okay With a Slightly Older Girlfriend?

Volume 2 - Kota Nozomi

2021-04-12

High school student Momota Kaoru is in a relationship with his slightly older girlfriend, Orihara-san. Today they're going to have a hot date playing video games at her house, and tomorrow they're going on a drive to a faraway town! They're not going to let their twelve-year age difference get in their way, and are only going to grow closer—or so they thought... Just what did Momota say to insult Orihara-san's dignity, and why was it so bad he had to make up for it with a mind-blowing massage? Who is this new girl who confessed her feelings to Momota? How will a shocking encounter with Orihara-san's older sister

Kisaki-san shake up their secret relationship? Hijinks ensue in the second volume of the super sweet romcom about a miraculously cute woman pushing thirty and a devoted high school boy who are madly in love with each other.

The Guyde - Howie Reith

2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean

cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal

tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's

perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

A Brief Existence - Brennan Chadwick Emerson 2003-10-20
A first person journal entailing every day of a life, from birth to war, through love, loss and every feeling common to all human beings.

Sweet Nightmares - Catherine German 2010-11-30

It is I who walks through the valley of death. Even though it is written somewhere, in sometime though shall not fear death. It's not death I fear; in fact I welcome it with open arms. What I fear the most is what I will become.

[Freedom Justice Are Both](#) - Hendrick Jones 2022-05-04
This book will hopefully bring the justice that should have been done in the first place. It has been a long ride of being hungry and lonely for the

author. I really hope justice will come, and he will finally be happy and be with his kids again. It's been so long I wonder, do his kids even know him anymore? I know it's been a long battle for him. But we all know God got him.

I'm Not Mad - Nicola Jayne Mearns 2016-07

"Your son has jumped off a bridge" a nurse said. These few words will remain with me forever. I was relieved to learn that, in time, he would recover from his injuries but saddened to know that he would never be free from his mental illness. Her book provides a mother's account of her son's childhood, the onset of his mental illness and his suicide attempt. It also describes in detail the devastating effect it had on the lives of the family.

Saratoga Falls: The Complete Series - Lindsey Pogue

2018-07-19

"This is one of the absolute best series I have ever read!" - Goodreads Reviewer A swoon-worthy collection of hardworking heroines and their hunky heroes that will pull at

your heartstrings and give you all the feels in these small-town, dual POV new adult novels. If you enjoy workplace/boss's daughter tropes, enemies-to-lovers, forced proximity, single father, and second-chance love stories with a HEA, this is the series for you! Perfect for fans of Kandi Steiner, Ilsa Madden-Mills, and Abbi Glines. 1 - Whatever It Takes (Sam and Reilly) Stay busy. Stay focused. Sam's plan to keep the past behind her was simple. But summertime has something else in store. Desperate to escape the harrowing night that irrevocably altered her life, Samantha buries herself in farm work. But when her past comes rumbling back to town in a lifted, cherry-red pickup, it's all she can do to keep her wits about her. A heatwave, a pair of familiar blue eyes, and a camping trip with friends will leave Sam reeling as she grapples with guilt and her yearning for a happiness she's not sure she deserves.

Everyone knows Reilly, the all-American boy-next-door, had a

broken home. He couldn't wait to leave for the army, but that was before Sam captured his heart, only to break it when he deployed. When Reilly returns to close the darkest chapter of his life, he learns it's what happened to Sam in his absence that haunts him the most. 2 - Nothing But Trouble (Mac and Colton) Mac despises Colton. Mostly. And an attraction to the boss's daughter is the last thing Colton needs. But... Mac is smart, sexy, and she can curse like a sailor, but behind her megawatt smile and perfectly pink lips are scars that no one sees. She has sworn away from men when an inked-up mystery man walks into her dad's mechanic shop, jaw clenched and glaring at her. When a snowstorm sets in, Mac finds comfort in the arms of the very broody, very off-limits man she can barely stand the sight of. Colton knew Mac was trouble the first time he met her, half-naked and cursing at him. And a complicated relationship with his boss's daughter is the last thing he needs. But winter can

be cold and lonely, and Colton finds a certain high-heeled hothead infuriatingly irresistible despite himself. 3 - Told You So (Nick and Bethany) Everyone has demons, and for Nick, she's a blonde-haired, gray-eyed siren who won't give him the time of day. Nick is the total package—loyal, hardworking, and he's got a heart-stopping smile that could make any girl swoon. But true love continues to elude him. For years, Nick has fought his feelings for a certain bad girl, despite her reputation. Bethany likes to party and let loose, but that's not all she is. Amid juggling college exams and navigating her shattered family, caring for her autistic brother is what she cares about most. But when she's forced to partner with the one guy who has always gotten under her skin, it's all she can do to keep her life from crumbling. **Visit author website for trigger warnings.** ☐ ☐ ☐ ☐ "Will make you laugh, cry, fume, and fuss.
