Heroes and Saints Phyllis Granoff 2009-05-05 The present volume makes a unique contribution to the study of dying in ancient cultures by focusing on what happens in the critical moments before death. Employing a wide range of literary sources, the essays in this volume focus exclusively on the moment of death and practices associated with the transition from this world to the next. Five of the essays deal with Asian religions, primarily Buddhism in India, Tibet, China, and Japan. The other five essays deal with the moment of death in the West, old Norse-Icelandic, Old English, and the Judeo-Christian tradition. The authors explore the many ways in which the good death was envisioned. Remarkable parallels emerge between the good death in religious texts and in heroic sagas. Despite the diversity of cultures, time periods and religious traditions represented in these essays, this volume vividly illustrates the fundamental human need to see in the inevitable moment of death a possibility of choice and a promise of hope.

'And I quote...' Elizabeth Knowles 2018-09-13 Quotations are an essential part of the fabric of the language. In And I quote, Elizabeth Knowles draws on her experience editing the Oxford Dictionary of Quotations and employs a wide repertoire of examples, ranging from the classical canon to contemporary popular culture, to illuminate just how and why we quote. Her investigation focuses on how we find, choose, and use quotations in 21st century English, but it also leads her back in time to follow the journeys taken by individual quotes, as their meaning changes subtly - and sometimes not so subtly - over the decades and in many cases the centuries. In following the often-surprising stories of individual quotations, we gain an understanding of how they establish themselves, and to what degree they can develop a life independent of their original coinage. Everyone has their own quotations 'vocabulary', and each reader of the book will think of further items that they would use and wish to explore, but the journeys mapped here illuminate the many fascinating ways in which quotations have embedded themselves in the language, from the earliest dictionaries of quotations to the online world we experience today.

From Charity to Social Work Elizabeth N. Agnew 2004 Mary E. Richmond (1861-1928) was a contemporary of Jane Addams and an influential leader in the American charity organization movement. In this biography--the first in-depth study of Richmond's life and work--Elizabeth N. Agnew examines the contributions of this important, if hitherto under-valued, woman to the field of charity and to its development into professional social work. Orphaned at a young age and largely self-educated, Richmond initially entered charity work as a means of self-support, but came to play a vital role in transforming philanthropy--previously seen as a voluntary expression of individual altruism--into a valid, organized profession. Her career took her from charity organization leadership in Baltimore and Philadelphia to an executive position with the prestigious Russell Sage Foundation in New York City. Richmond's progressive civic philosophy of social work was largely informed by the social gospel movement. She strove to find practical

applications of the teachings of Christianity in response to the social problems that accompanied rapid industrialization, urbanization, and poverty. At the same time, her tireless efforts and personal example as a woman created an appealing, if ambiguous, path for other professional women. A century later her legacy continues to echo in social work and welfare reform.

Healing Summer Elizabeth Seckman 2012-12-15 Ditched at the altar...biopsied for cancer...Mollie Hinkle is having a bona fide bitch of a summer. When life sucks so hard it takes your breath away, what's a girl to do? Road trip! Pack a bag, grab a few friends, and leave the past and the worry in the rearview mirror. What wounds can't be healed by a drive across the Heartland, where quarter flips at crossroads determine the route and the future? All roads lead to Craig, the second son and bad boy of the haughty Coulter line. Craig has spent his life taking care of number one—himself. He's not interested in a relationship and he's definitely not looking to fall in love. But if a morsel drops in his lap, who is he to refrain? Mollie's not looking for love either, but truth be told, she's not opposed to it. Heck, if fate brought her to the miniscule Montana town to find happily ever after, she won't fight it. Perhaps it is a summer where love, not time, heals all her wounds.

THE POETRY, PROSE AND QUOTES OF JMS AND OTHER WRITERS Jimmy Boom Semtex 2014-02 The poetry, prose, quotes and writing here is from a notepad I bought second hand at an animal charity open day at Millstream Animal Centre. I was very surprised to find this collection and at the quality of the work. JMS has an excellent talent and unconditional love for her cat(s) and the other writers are equally memorable. As a writer myself, I had to type this up and edit it and release it to the world. The poetry is unique, as is this collection which was found by chance. I wonder who JMS was?

A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire,

putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

Inspiring Movie Quotes D L Knight 2020-11 INSPIRING MOVIE QUOTES by D.L. KNIGHT contains figures with inspiring quotes from over 200 movies from 1982 to 2020. Enjoy the quotes and be inspired! The author offers 100% of his royalties to Maria, a victim of Portuguese (in)justice. According to Mahatma Gandhi, we cannot accept injustice from anyone and we must make the injustice visible. A study from Ernst & Young places Portugal as one of the most corrupted nations in the world. In Portugal, if you are poor and/or disabled, you have no legal rights, and that includes no legal rights to your own property. Maria is a victim of Portuguese (in)justice. Maria cannot live alone in her home permanently because of her poor health. Every time Maria's health allows her to go home, Maria finds a car parked in her private clearly identified parking space. When Maria called a tow truck, towing away the car parked on her private parking space was refused because, in Portugal, cars can only be towed away by tow trucks with the permission of their owners. When Maria called the police, towing away the car parked on her private parking space was likewise refused because, in Portugal, cars can only be towed away by the police from public spaces. When Maria demanded justice in a Portuguese court of (out)law, the perpetrators went unpunished and Maria was punished to pay about 10.000 to the court of (out)law, the perpetrators and the lawyers in fines and (out)law costs. Because Maria is not healthy and wealthy, Portuguese (in)justice states clearly that her property can be used by whoever wants it whenever wants it without any punishment except hers for daring to demand the exclusive use of her own property while sitting on a wheelchair or being paralyzed in a bed. Portuguese (in)justice punished Maria for daring to fight for her property rights while not being healthy and wealthy. Maria survives with less than 200 a month and if Maria does not find the equivalent of 5.000% her income, Portuguese (in)justice takes her home away, a tiny studio flat bought after decades of hard work that damaged her back permanently. An (in)justice that does not allow Maria the right of the exclusive right of her private parking space, will not hesitate to take her home away. If you are against corruption/injustice, please help Maria and do not visit Portugal or buy any Portuguese products. This book is not dedicated to the judges who did not punish the perpetrators who used Maria's private clearly identified property but punished her for legally complaining about her property being used without her permission: António Carlos Gonçalves Carneiro da Silva (case number 14945/16.28PRT) and Maria da Luz Teles Meneses de Seabra (case number 11964/175T8PRT). This book is not dedicated to the owners of the cars who abusively parked on Maria's parking space without her permission and without any punishment: Instituto Orff do Porto - Associação Cultural (case number 11964/175T8PRT and car registration number 79-03-QA) and Torres & Condesso, Lda. (case number 14945/16.28PRT and car registration number 53-91-UV). This book is not dedicated to the public prosecutor Maria Clara Ferreira da Silva Oliveira (case number 14930/17.7T9PRT) who did not prosecute the (un)human being who told in a court of (out)law that he offers Maria's private parking space to friends whenever FC Porto plays at home (José Carlos de Sousa Tavares). Enjoy the quotes, be inspired and make Portuguese injustice worldwide visible!

Henry VI Part 3 William Shakespeare 2014-10-15 The authoritative edition of *Henry VI, Part 3* from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers. *Henry VI, Part 3* is dominated by a struggle between two military forces, neither of which can achieve victory for long. Until the end, the Yorkists and Lancastrians strive for the English crown. The conflict between these two families began under Richard II. Half a century later, during the reign of Henry VI, it moved toward civil war. Now, in *Henry VI, Part 3*, Henry's long reign becomes intermittent as his cousin Richard, Duke of York, seeks the crown and York's son Edward sporadically succeeds in seizing it. As we watch the crown pass back and forth between Henry VI and Edward IV, our attention is caught by other characters: the Earl of Warwick, Queen Margaret, and Richard, Duke of Gloucester. Warwick is the power behind the challenge to Henry VI, until he shifts to Henry. Margaret raises an army in England and later leads one from France, all in a futile attempt to secure the throne for her son, Prince Edward. Historically, his death destroyed her, but Shakespeare wisely saves Margaret to bring her back in *Richard III*. Richard, Duke of Gloucester, increasingly draws our attention. Both attractive and repellent, he is energetic, self-aware, bitter about his deformity, ruthless, and unable to care about others. This edition includes: - Freshly edited text based on the best early printed version of the play -Full explanatory notes conveniently placed on pages facing the text of the play -Scene-by-scene plot summaries -A key to the play's famous lines and phrases -An introduction to reading Shakespeare's language -An essay by a leading Shakespeare scholar providing a modern perspective on the play -Fresh images from the Folger Shakespeare Library's vast holdings of rare books -An annotated guide to further reading Essay by Randall Martin The Folger Shakespeare Library in Washington, DC, is home to the world's largest collection of Shakespeare's printed works, and a magnet for Shakespeare scholars from around the globe. In addition to exhibitions open to the public throughout the year, the Folger offers a full calendar of performances and programs. For more information, visit Folger.edu.

Feeling Left Behind Kim Murdock 2019-08-01 2020 Colorado Authors' League Finalist 2020 Book Excellence Awards Finalist "Kim's words, ripped from her diary, are raw, painting a picture of the excruciating anguish that so many left behind by the physical departing of a loved one express." —Duck White-Petteruti, Founder, Domus Pacis Family Respite "It will give you, the reader, permission to remember, never forget, and to slowly live from the place of heart again." —Patty L. Luckenbach, MA, DD, associate minister and author of *I Only Walk On Water When It Rains* The grief that accompanies the loss of a loved one is crippling. In *Feeling Left Behind*, author Kim Murdock relates and empathizes with that pain because she's been there. She knows what it feels like to be woefully blindsided by music or at the grocery store, to reconsider the future alone, and to connect with a person who is no longer alive. You will relate to her chapters as she describes: • The crushing desire to freeze time and isolate yourself • The unstable phase of "firsts"— first holidays, birthdays, anniversaries • The anger and sadness at seeing other couples • The loss of self, empathy, security, and tolerance • The heartbreaking sadness of getting rid of their belongings • And so much more This is not a step-by-step guide on how to grieve. Kim outlines every detail of her experience as well as the experiences of her widow/widower friends to show you that you are not alone. You

are normal. And you deserve as much time as possible to figure out how to survive in your own way. Ugly Love Colleen Hoover 2014-08-05 From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

All About Love bell hooks 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.
