The Social Sex - Marilyn Yalom 2015-09-22

From historian and acclaimed feminist author of *How the French Invented Love* and *A History of the Wife* comes this rich, multifaceted history of the evolution of female friendship. In today's culture, the bonds of female friendship are taken as a given. But only a few centuries ago, the idea of female friendship was completely unacknowledged, even pooh-pooed. Only men, the reasoning went, had the emotional and intellectual depth to develop and sustain these meaningful relationships. Surveying history, literature, philosophy, religion, and pop culture, acclaimed author and historian Marilyn Yalom and co-author Theresa Donovan Brown demonstrate how women were able to co-opt the public face of friendship throughout the years. Chronicling shifting attitudes toward friendship—both female and male—from the Bible and the Romans to the Enlightenment to the women's rights movements of the '60s up to *Sex and the City* and *Bridesmaids*, they reveal how the concept of female friendship has been inextricably linked to the larger social and cultural movements that have defined human history. Armed with Yalom and Brown as our guides, we delve into the fascinating historical episodes and trends that illuminate the story of friendship between women: the literary salon as the original book club, the emergence of female professions and the working girl, the phenomenon of gossip, the advent of women's sports, and more. Lively, informative, and richly detailed, *The Social Sex* is a revelatory cultural history.

Female Friends - Fay Weldon 1994

The story of Marjorie, Chloe and Grace which paints a picture of the women in modern times

Buddy System - Geoffrey Greif 2009

Drawing on in-depth interviews with nearly 400 men, therapist and researcher Geoffrey L. Greif takes readers on a guided tour of male friendships, explaining what makes them work, why they are vital to the health of individuals and communities, and how to build the kinds of friendships that can lead to longer and happier lives. Through the lively words of men themselves, and detailed profiles of men from their twenties to their nineties, readers may be surprised to find what friendships offer men—as well as their families and communities—and are sure to learn what makes their own relationships tick.

Between Women - Sharon Marcus 2007-01-22

Through a close examination of literature, memoirs, letters, domestic magazines, and political debates, Marcus describes how relationships between women were a crucial component of femininity and how they influenced marriage law.

Female Alliances - Amanda E. Herbert 2014-01-07

In the late seventeenth and early eighteenth centuries, cultural, economic, and political changes, as well as increased geographic mobility, placed strains upon British society. But by cultivating friendships and alliances, women worked to socially cohere Britain and its colonies. In the first book-length historical study of female friendship and alliance for the early modern period, Amanda Herbert draws on a series of interlocking microhistorical studies to demonstrate the vitality and importance of bonds formed between British women in the long eighteenth century. She shows that while these alliances were central to women's lives, they were also instrumental in building the British Atlantic world.

Female Friends - Fay Weldon 2014-09-11

They first met as children in 1940s London. Thirty years later, Marjorie, Chloe, and Grace make their way through an almost unrecognizable post-war society, coping with husbands, children, parents, and the messy business of life. Now in her ninth decade, Fay Weldon is one of the foremost chroniclers of our time, a novelist who spoke to an entire generation of women by daring to say the things that no-one else would. Her work ranges over novels, short stories, children's books, nonfiction, journalism, television, radio, and the stage. She was awarded a CBE in 2001.

The Friendship Cure - Kate Leaver 2018-03-22

Our best friends, gal-pals, bromances, Twitter followers, Facebook friends, long-distance buddies and WhatsApp threads define us in ways we rarely acknowledge. There is so much about friendship we either don't know or don't articulate: why do some friendships last a lifetime, while others are only temporary? How do you break up with a toxic friend? And maybe the most important question: how can we live in the most interconnected age and still find ourselves stuck in the greatest loneliness epidemic of our time? It's killing us, making us miserable and causing a public health crisis. What if meaningful friendships are the

solution, not a distraction In *The Friendship Cure*, Kate Leaver's much anticipated manifesto brings to light what modern friendship means, how it can survive, why we need it and what we can do to get the most from it. From behavioural scientists to best mates, Kate finds extraordinary stories and research, drawing on her own experiences to create a fascinating blend of accessible smart thinking, investigative journalism, pop culture and memoir.

Female Friends and the Making of Transatlantic Quakerism, 1650-1750 - Naomi Pullin 2018-05-24

This original interpretation of the lives and social interactions of Quaker women in the British Atlantic between 1650 and 1750 highlights the unique ways in which adherence to the movement shaped women's lives, as well as the ways in which female Friends transformed seventeenth- and eighteenth-century religious and political culture.

Women Make the Best Friends - Lois Wyse 1996

The bestselling author of *Funny, You Don't Look Like a Grandmother* turns to a subject central in every woman's life—friendship—in a glowing, heartwarming celebration that's certain to appeal to women across generations. 10 photos. 2-color throughout.

Make Every Girl Want You - John Fate 2003-04

This book is the complete guide to meeting women, approaching them, getting their contact information, asking them out, planning a first date, having great sex, and building a stronger relationship. The authors, 2 average guys who were pathetic with women until they set out on a mission to better understand women, share everything they learned on their journey. They became friends with numerous girls and now understand everything - from how women want to be approached to what they are looking for on a first date, from what makes them sleep with a man to what makes them stay in a relationship. Fate and Reil, co-founders of the successful personal advice website, *Make Every Girl Want You*, have taught thousands of men how to meet more women, have more sex, and build stronger relationships.

The F Word - Lily Pebbles 2018-03-08

If there's one piece of invaluable advice for women and girls of all ages, it is that there is nothing more important than creating and maintaining strong, positive and happy friendships with other women. In a culture that largely pits women against each other, I want to celebrate female friendships... all strings attached! If my 1998 diary is anything to go by, female friendships are incredibly complex and emotional but they're the mini love stories that make us who we are. For many women, friends are our partners in crime through life; they are the ones who move us into new homes, out of bad relationships, through births and illnesses. In *The F Word* I've set out to explore and celebrate the essence of female friendship at different life stages and in its many wild and wonderful forms.

To My Sisters - Courtney Daniella Boateng 2023-03-09

'A testament to the revolutionary power of sisterhood' Kelechi Okafor, author of *Edge of Here* 'A guide to manifesting sisterhood that lasts a lifetime and nourishes beyond the surface level' Dazed From the hosts of the hit podcast, *To My Sisters*, comes this frank, funny, and essential guide to sisterhood - for fans of *Keep The Receipts* and *Slay In Your Lane*. Join online big sisters Renée Kapuku and Courtney Daniella Boateng as they share their lessons, learnings and stories on sisterhood, and teach you how you can find, build and nourish lifelong friendships. Using their friendship profile framework, you'll discover what kind of friend you are — open, demanding, reserved, strong or closed — and how this impacts how you show up in your friendships. From setting your own goals and dreams, to outlining what you desire from your platonic relationships and identifying where you are being underserved, this book is your essential toolkit for building sisterhood. Relatable, accessible and practical, *To My Sisters* contains all the resources you need to build healthy friendships, community and sisterhood. 'To My Sisters guides you through the process of building and nourishing healthy connections' Huff Post UK

Friendship Isn't a Big Thing, It's a Million Little Things - Becca Anderson 2019-09-15

A Tribute to Female Friendships Celebrate the bonds you've built with the wonderful women in your life. The bond shared among girlfriends is like no other. Whether the friendship is decades old or just beginning, we share a unique relationship with these women, a connection wholly different even from what we share with husbands or boyfriends. Share in the wit and wisdom of fellow women. Strong female friendships are inspiring because they foster the practice of women supporting and enabling other women. Author and

blogger Becca Anderson has long been moved by the inspirational quotes and stories of groundbreaking women (as seen in her bestselling title, *The Book of Awesome Women*), and she shares some of that female empowerment with us in this book. Fill your heart with gratitude for your soul sisters. We know how much we love our girlfriends, but do they know? This book reminds us just how valuable our bonds with our gal pals are. These are the women who answer the phone at 4 a.m. and drop everything to help a sister out, the ones who are there for both the tearful wine nights and the champagne-worthy celebrations. As author Becca Anderson says, "Our friends are some of the great loves of our lives. Mine have seen me through tough times and we have so much shared joy. My life advice is simple: make friends and treasure them." By reading *Friendship Isn't a Big Thing, It's a Million Little Things*, you will find...

- Renewed value in the friendships you share with women
- Inspiration for growing in those relationships and further supporting your friends
- Reasons to celebrate the unique love you find in female friendship
- A perfect inspirational gift for the women in your life

If you've enjoyed books such as *Beautifully Said*, *Badass Affirmations*, *That's What She Said*, and *Cleo Wade's Heart Talk*, you will love *Friendship Isn't a Big Thing, It's a Million Little Things: The Art of Female Friendship* by bestselling author Becca Anderson.

Get the Guy - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In *Get the Guy*, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

Women Behaving Badly - Alana Munro 2013-02-28

Have you ever been hurt by a woman? Are you fed up with the constant bitching, gossiping and manipulation between the females in your life? Do you want happier and healthier relationships with females? Do you wish to weed out the toxic women and seek out only positive women? If you have ever wondered why some women are complicated creatures this book will offer you straight talking answers. This book will highlight all the strange, controlling and spiteful behaviours that some females specialise in. This book attempts to understand what actually drives women to be cruel or bitchy to each other. It attempts to make sense of the huge expectations women place on each other. How can we avoid toxic women? What bad behaviours should we be looking out for? This book explores every cruel behaviour possible and attempts to understand what is really going on between the females in our life.... ..More about 'Women Behaving Badly', Alana Munro takes us deep into the unnerving yet compelling reality of being a woman, revealing a world where females don't nurture other females. Sharing many deeply personal and shocking tales about bullying, bitching, gossiping, power games, jealousy and much more - Alana explains what each hurtful episode taught her about females. *Women Behaving Badly* shatters our assumption that all women are loving. It ruptures the delusion of sisterhood. It heightens our awareness of what goes on behind the sweet smiles. It liberates women from the emotional and often difficult prison that is womanhood. It exposes the harsh and fickle reality of friendship between women. This book offers us nothing but the truth. Alana argues that the bonds between women are most often too fragile. She also argues that the ideology of sisterhood is optimistic but unrealistic. Women are human beings with profound emotional short comings. Alana also looks at how we can weed out the negative women, pin point suspect behaviours and most importantly how to protect yourself from future hurt. "The easiest thing to do is for me to feel upset and retreat to my bed, never trying to make another friend. Or I can dust myself off and learn from my stupid mistakes. I can even try to make sense of the ridiculous injustices thrown in my direction. My goal for this book? Simply to allow other women a chance to become more aware of the cruel games played by some females, allow women the opportunity to pin point hurtful (and often invisible) behaviours and find healthy friendships again". Alana Munro.... ..Testimonials from happy customers. "I found myself wanting to print this eBook out and highlight all the solutions that pertain my current relationships with women." "I woke up this morning after reading your book and actually felt liberated. I am not alone, I am

not the only woman who has had so much crap from women, thank you!" "I couldn't take my eyes off it. I could relate to her personal stories about females being so nasty to each other. Really good." "This book outlines what to look for in friends. What behaviours to avoid at all costs. It validated a lot of my pain. I think it is a good balanced approach." "She's not attacking women, she's trying to get to the bones of the bitchy and weird behaviour. Shocking. It is shameful how we can be." More information about *Women Behaving Badly*: ***This book has been professionally edited. It is fully revised and polished for your enjoyment. Newspaper article about this new book "

<http://au.news.yahoo.com/thewest/regional/pilbara/a/-/news/16865894/debut-novel-aims-to-expose-truth/AlanaMunro'swebsite> " <http://alanamunroauthor.com/> to learn more about this exciting new author.

The Friendship Fix - Andrea Bonior, Ph.D. 2011-04-26

Had enough of that bridezilla? Feeling alone in a new city? Dealing with the trauma of the worst breakup ever—with someone you never even made out with? We've heard the path to fulfillment has much to do with relationships. But while it's often thought that for young women, it's all about finding the right man, real women beg to differ: It's friendships that are at the heart of happiness. Unfortunately, they're also at the heart of drama, stress, and sometimes not-so-great escapades after that fifth martini. And, technology, from texting to Facebook, has made all friendships more complicated than ever. At last comes *The Friendship Fix*, jam-packed with practical ways to improve your life by improving your circle. From dealing with friends-with-benefits to coworkers from the dark side, from feeling alone to being desperate to defriend a few dozen people, Andrea Bonior, Ph.D. helps you make the most of your friendships, whether they be old, new, online, or in person.

Friends - Hazel Edwards 2018-10-01

Strategies for making friends and keeping them. At any age. Real life scenarios. Case studies. Checklists. Quiz. In our fast changing world, friends may last longer than lovers or even families. Includes: * Types of friendships * Making friends * Keeping friends. * Male and female friendships * Can men and women be 'just friends'? * Do working friendships work? * Can you be friends with your ex?* When friendships don't last.

Friendships Between Women - Pat O'Connor 1992

The Power of Female Friendship - Paul Dobransky 2008-05-27

A compassionate, practical, and science-based guide to finding friends for life Psychiatrist Paul Dobransky, author of *The Secret Psychology of How We Fall in Love*, once again looks to the brain, this time to examine the full range of female friendships. A recent study has shown that women have fewer friends than they used to. In the years after college and before children (and even after that), many women find that they have fewer friends, and new ones are harder to make. Taking his three-parts-of-the-brain theory, Dr. Dobransky breaks down the primal codes of friendship that many women aren't even aware of and gives scientifically grounded advice for understanding how to be a better friend and how to cultivate new friendships. Women of all ages who are searching for deeper relationships or are trying to break free of a toxic friendship will find help and hope in this enlightening and prescriptive exploration of how the brain makes friends.

Text Me When You Get Home - Kayleen Schaefer 2018-02-06

"Text Me has the thrills and laughs of a romantic comedy, but with an inverted message: 'There just isn't only one love story in our lives,' Schaefer writes. If you're lucky, friends will be the protagonists in these multiple love stories. It's high time that we start seeing it that way."—NPR.org A personal and sociological examination—and ultimately a celebration—of the evolution of female friendship in pop culture and modern society For too long, women have been told that we are terrible at being friends, that we can't help being cruel or competitive, or that we inevitably abandon each other for romantic partners. But we are rejecting those stereotypes and reclaiming the power of female friendship. In *Text Me When You Get Home*, journalist Kayleen Schaefer interviews more than one hundred women about their BFFs, soulmates, girl gangs, and queens while tracing this cultural shift through the lens of pop culture. Our love for each other is reflected in Abbi and Ilana, Issa and Molly, #squadgoals, the acclaim of *Girls Trip* and *Big Little Lies*, and Galentine's Day. Schaefer also includes her own history of grappling with a world that told her to rely on

men before she realized that her true source of support came from a strong tribe of women. Her personal narrative and celebration of her own relationships weaves throughout the evolution of female friendship on-

screen, a serious look at how women have come to value one another and our relationships. Text Me When You Get Home is a validation that has never existed before. A thoughtful, heart-soaring, deeply reported look at how women are taking a stand for their friendships and not letting go.
