

How To Make Your Crush Like You In High School

Played - Sandra Alex
2024-08-19

A child taken. A woman that got away. And a man so afraid of his own future that he ruins it before it starts...until his past saves him. As I get ready to celebrate my birthday with friends, I try to keep Ethan at arm's length, not letting him know that it's my special day. Trudy, my bestie, thinks that I'm an idiot for not telling him, but then that would be two lies that I've been keeping from him. I made a mistake and if he finds out, he won't ever forgive me. At first, I didn't tell him, because I wasn't vested in the relationship. He's never introduced me to his family or his friends, like I'm some precious stone that he wants all to himself, but when he tells me he loves me, I get a look from Trudy that I can no longer

ignore. And when I tell him, I soon learn that it's the worst mistake I could have ever made...or the best? *** Sure, Freya is successful, in a manner of speaking. But to my da, she'll just be another lass, and I don't want to be that low on the family totem pole. It's lonely being down here, as much as I care for her. And it's not like I don't want to show her off. She's beautiful, smart, hard-working, and so entrepreneurial, she could be another billionaire one day, but I don't want to see that look of disappointment on either my da's or Freya's face. My feelings for her I've kept hidden, until I find out it's her birthday, and learn that she kept it a secret. Once I tell her I love her, a strange look crosses her face, and then she hits me with something that I

never could have imagined. ...and I run. ...But I soon learn that I can't hide for long. And when her name pops up a year later, the tables are turned, hearts are broken, things precious to us are taken, and a tailspin of lies turn into dark reality ...until someone sees the barrel of a gun in their face.

Severin It feels like I've been in love with Bryan Winthrop my entire life. Before he kissed me in front of the entire school. As he danced with her the night of our senior prom. After his younger brother, Ben, made me smile through my tears. "It'll never work with him. He will never leave her..." It's been more than ten years since I let myself fall for the boy whose heart wasn't mine. And the Prom King's lips are finally mine to kiss. "When I came back here I wasn't expecting to see you, and when I did, I felt this tumble..." But he's still

keeping me in the shadows. As his younger brother breaks me open in the day. Ben You shouldn't covet whom your brother desires. Our pastor father would say he taught me better than that. But I knew over ten years ago my brother didn't deserve her. And nothing's changed since she came back into both our lives. "You think what you felt for my brother back then was love, but what I felt can't be the same?" I'm still the one who makes her laugh—the one who challenges her. And he's still the one treating her like a dirty little secret. "You really are a watercolor, Severin Thompson. I can read you..." You shouldn't covet whom your brother desires. This summer, I'll remind him of that.

MAMA'S PUTTING YOU UP ON GAME - Grace Chang Piggue
2023-02-24

Mama's Putting You Up on Game! From uncomfortable topics like sex, drinking, and relationships, Grace Chang Piggue speaks to you straight-up as if you are one of her own daughters and brings up real-

life trials she faced such as living as an immigrant to high school heartbreaks. Born in Toronto, Canada, yet raised in the City of Angels, she bluntly talks about her childhood to her high school graduation at Bellflower High School and how her core foundation kept her anchored in God. She keeps it one hundred and puts herself out there as she is continuously learning to be a parent through her faith and obedience in Jesus Christ. She wrote this memoir especially for her daughters to put them "up on game," which in turn became a healing movement and turned her testimony into His ministry.

Kristen S. Walker 2023-03-13

The cult is growing. From author Kristen S. Walker comes a young adult paranormal thriller for fans of *My Best Friend's Exorcism* by Grady Hendrix and *The Babysitters Coven* by Kate M. Williams. Katie is in more trouble than ever. She swore off using witchcraft after one of her curses went too far, but now magic might be the only thing that can save her. After her eighth grade formal dance ends in disaster, Katie is accused of stealing another girl's boyfriend, and her rival is out to get her own revenge. She recruits new members of the coven to boost her power—including the first boy. But the other girls have doubts if a boy could understand their problems or become a witch. Katie must walk a fine line to keep the harmony in her secret group. Now that they're going online, the coven can coordinate their efforts more than ever before. But will it be enough to save Katie from the hatred of her worst enemy?

Fight fire with fire and see who ends up burned. Set in the late 90s, this paranormal thriller follows a group of teen girls in the Santa Cruz mountains of California. Just Another Teenage Girl -

Isha Nagappan 2016-04-08

Nostalgia is a funny thing, isn't it? Sometimes it reminds us of a period in the past that makes us so very unhappy but sometimes brings to mind, things that gave us the most happiness. These memories, good or bad, are the only things we will be carrying with us, no matter where life takes us. These memories are what make us who we are. I am eighteen years old and going off to college and even though the world would call me an "adult," I still feel like I have so much left to see and learn. Join me, Alisha, as I take a walk down memory lane to a time when teenage drama was at its

peak, hashtags were not "cool," the battle with acne was never-ending, feelings for a boy wavered more than an opera singer's voice, when friends and family did not mean two different things, and every single problem seemed to be the end of the world. Stand with me as I recollect every blunder I committed and be sure to smile with me as I remember all the high moments in life. For all you know, you might even be able to relate to a thing or two. So sit back, relax, and forget all about your drama as you read about mine. Love, Just Another Teenage Girl.

How To Make Your Crush Like You In High School

Baxter Blair; originally published by Fawcett Juniper **Willowgate Park** - Frederick G. Giel 2015-02-21

Misfortune and rejection shadowed Eddie Brooks in his early years. His birth parents were swept away in the unruly Susquehanna River during an ice storm that paralyzed Stonington, Pennsylvania, in the winter of 1953. After a brief stay in a distant orphanage, Eddie was placed in a dysfunctional foster care arrangement with a childless couple back in Stonington, but the foster plan imploded after a neighborhood tragedy that took the life of Eddie's pal. Ostracized by his community and rescued by a family in Chestnut Ridge, a town far in the distance on the other side of the wide river, Eddie grew and blossomed, but there were still unsettled issues to confront in Stonington. As a young adult, Eddie finally returned to face his demons, and along the way, he discovered the otherworldly assistance that had been at his beck and call all along. By first-

time author, Frederick Giel, the book is an emotional rollercoaster, having twists and turns that will leave the reader breathless. With its colorful characters, infectious humor, and constant tug at heartstrings, readers will enjoy the ride!
