The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to

transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it

to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Unprotected - Miriam Grossman 2007-08-28

Our campuses are steeped in political correctness—that's hardly news to anyone. But no one realizes that radical social agendas have also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has treated more than 2,000 students at one of America's most prestigious universities, and she's seen how the anything- goes, women-are-just-like-men, "safer-sex" agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students problems can be solved with free condoms and Zolofit. What campus counselors and health providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in

their most vulnerable and confused moments. Instead of platitudes and misinformation, it's time to offer them real protection.

Emotional love, sensual love, and intellectual love are all examples. The dead body, on the other hand, cannot love since it is the Soul, the Spirit, who loves. Love is essential if we actually wish to live a spiritual life. "Mesmerized Love" consists of several co-authors from all over the globe who have dedicated their inked verses as a poem, quote, micro tale or a short story which revolves around the open theme. We are hoping for the great success of this book, a free anthology launched by The Little Booktique Hub Publication in which none of the co-authors are charged a single penny throughout the publishing process.

After you have acted like a lady and thought like a man; what do you do when realization dawns that he's just not that into you? It's time to pick up the shattered pieces of your broken heart and move the hell on, that's

what you do. However, there's another woman who continues to hang on to the hope dangling in front of her because she was never the girlfriend/wife or the side piece that can somewhat accept the end of the relationship. No, this woman is the one that saw all the potential but never had the payoff of the committed relationship. And she can't let go. Why? Well, Gina, the Girlfriendologist (a friend who has no degree whatsoever in the field of psychology) introduces the emotional abyss as an underlining reason why it may be hard to let go of what never was. No one ever wants to admit their most embarrassing escapades to the world so Gina has gathered up all of the sordid tales from her girlfriends and herself to help other sisters-in-love through their struggles. At times it may make you cringe with embarrassment; laugh out loud with ridiculousness, or simply cry but always gives the truth. *Girl Talk: You're Just Not the One* is definitely a must read if you just want to learn how to let go of a relationship that is never going to happen, was never

happening and maybe just totally imagined.
