Funny huh, because each are looking for the same thing as they pursuit love but are expressing their wants in so many ways. The key to all relations is communications, understanding, respect and trust. But men and women do not need to rush into anything without having their eyes wide open, and not be in denial when something is not working. Another thing to remember, is do not get into a relationship until you are truly ready and prepared to deal with being on a team, and you are willing to work extremely hard. When you are unsure about the relationship and you have a strong gut feeling that something does not feel right, or he is not the person you want, know that you have options and not being held hostage in any relationship. Please people out there, stay focus and watch for the red flags, signs, and signals of his or her behaviors. A relationship requires two not one and women you must always know your worth, always be a woman about your business and know that there

is no controlling in a relationship, and in the end, there must be trust and respect. Make no mistake about it, men want sex and a beautiful woman in his arms, and women want love, security and eventually marriage. But how they achieve it is a different subject, because sometimes it appears the message from both gets lost in translation.

### **The 7 Irresistible Qualities Men Want in a Woman** - Bruce Bryans 2013-11-26

Discover What Quality Men Secretly Look For When Choosing "The One" A high-quality man who knows what he wants will NOT settle for just any woman to build a meaningful relationship with. Men like this want a woman who exudes high character. And though she may be beautiful on the outside, he expects her inner worth to be far superior to the women around her. Once a woman passes a man's "physical appearance" test that is specific to his personal tastes, it's her inner value (or lack thereof) that will either lose or keep his interest in her.

Clinical psychologist Andrea Bonior has spent over twenty years studying, teaching, and practicing the science of thoughts, emotions, and behavior. In *Detox Your Thoughts*, she uses the latest research into mindfulness, Acceptance and Commitment Therapy (ACT), and Cognitive-Behavioral Therapy (CBT) to teach you to

Bonior deciphers the latest research in psychology and neuroscience to help disempower and conquer self-sabotaging thoughts with specific and actionable steps. You're not erasing negative thoughts, but rather growing bigger than they are—and improving your mental and emotional life along the way. • Dr. Andrea Bonior is a popular psychologist and contributor to BuzzFeed and the Washington Post. • *Detox Your Thoughts* was inspired by her popular BuzzFeed challenge of the same name. • Dr. Bonior's mental health advice column,

What Makes Love Last? - John Gottman

2013-09-10

"One of the foremost relationship experts at work today applies the insights of science toward understanding the real meaning of trust between a couple. He decodes the "why" behind betrayal and shows how partners can avoid or

recover from unfaithfulness and maintain a loving relationship. Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental Health, the American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for one or both partners to stray. A Love You Can Trust shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He

He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. DO YOU WANT TO DISCOVER HOW WOMEN SECRETLY TEST MEN AND WHAT IT IS THAT WOMEN WANT IN A MAN WHEN THEY TEST MEN? There is no denying the fact that ladies love to throw the guys off balance when it comes to romantic relationships. In any pick up attempt, the chase is on and they know you want them but you are not going to get it that easily so they test you. They test you to see if you are worthy to have the trophy. WHY DO WOMEN

TEST MEN? The thing is some ladies don't even know they are doing this. That's because the test is a built in psychological mechanism to test your resolve and for them to know the stuff you are made of. Sometimes the test is a sign of emotional weakness or insecurities on the part of the girl. But for majority of other girls, they know and understand what you are; a pick up artist. They know the name of the game and if they do enjoy it then they are going to test you.

- 1- Do you have what it takes to truly love and care for them?
- 2- Are you mentally, psychologically and emotionally secure to love them like a real man.
- 3- Do you essentially have a back bone to make tough calls as need be?
- 4- Do you know how to play at their level without losing your man-hood?
- 5- Can you take the lead in tough situations and own up if you make mistakes?

Believe it or not, these are some of the things that real women want from REAL MEN. If you would like to know the rest, then you just have to read this book.

birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.
