EFFICIENT SPINSTER OR DESIRABLE WOMAN? Adopting the guise of a buttoned-up spinster is nothing new for Chloe Hardwick. But under the watchful eye of her unnervingly handsome employer, the Marquess of Marland, for the first time Chloe yearns to be unbuttoned! Yet he sees her only as his assistant, the efficient Hardwick-not as Chloe the woman. Determined to escape Braedon's cold detachment, Chloe leaves. Bad Girls of the Bible - Liz Curtis Higgs 2004-01-20

Ten of the Bible's best-known femmes fatales parade across the pages of this popular and unforgettable study with situations that sound oh-so-familiar. Women everywhere marvel at those "good girls" in Scripture-Sarah, Mary, Esther-but on most days, that's not who they see when they look in the mirror. Most women (if they're honest) see the selfishness of Sapphira or the deception of Delilah. They catch of glimpse of Jezebel's take-charge pride or Eve's disastrous disobedience. Like Bathsheba, Herodias, and the rest, today's modern woman is surrounded by temptations, exhausted by the demands of daily living, and burdened by her own desires. So what's a good girl to do? Learn from their lives, says beloved Bible study teacher and speaker Liz Curtis Higgs, and choose a better path. Whether they were "Bad to the Bone," "Bad for a Season, but Not Forever" or only "Bad for a Moment," these infamous sisters show women how not to handle the challenges of life. With her trademark humor and encouragement, Higgs combines a contemporary retelling of the stories of these "other women" in Scripture with a solid, verse-by-verse study to teach us how to avoid their tragic mistakes and joyfully embrace grace. Let these Bad Girls show you why studying the Bible has never been more fun! Includes Discussion Questions and Study Guide

Bringing Down the Duke - Evie Dunmore 2019-09-03

"Dunmore is my new find in historical romance. Her A League of Extraordinary Women series is, well, extraordinary."—Julia Quinn, #1 New York Times bestselling author "With her sterling debut, Evie Dunmore dives into a fresh new space in historical romance that hits all the right notes."—Entertainment Weekly A stunning debut for author Evie Dunmore and her Oxford suffragists in which a fiercely independent vicar's daughter takes on a powerful duke in a fiery love story that threatens to upend the British social order. England, 1879. Annabelle Archer, the brilliant but destitute daughter of a country vicar, has earned herself a place among the first cohort of female students at the renowned University of Oxford. In return for her scholarship, she must support the rising women's suffrage movement. Her charge: recruit men of influence to champion their cause. Her target: Sebastian Devereux, the cold and calculating Duke of Montgomery who steers Britain's politics at the Queen's command. Her challenge: not to give in to the powerful attraction she can't deny for the man who opposes everything she stands for. Sebastian is appalled to find a suffragist squad has infiltrated his ducal home, but the real threat is his impossible feelings for green-eyed beauty Annabelle. He is looking for a wife of equal standing to secure the legacy he has worked so hard to rebuild, not an outspoken commoner who could never be his duchess. But he wouldn't be the greatest strategist of the Kingdom if he couldn't claim this alluring bluestocking without the promise of a ring...or could he? Locked in a battle with rising passion and a will matching her own, Annabelle will learn just what it takes to topple a duke.... "There is nothing quite so satisfying as seeing such a man brought to his knees by a beautiful woman with nothing to her name except an inviolable sense of her own self-worth."—NPR

Distancing Representations in Transgender Film - Lucy J. Miller 2023-02-01

Distancing Representations in Transgender Film explores the representation of transgender identity in several important cinema genres: comedies, horror films, suspense thrillers, and dramas. In a critique that is both deeply personal and theoretically sophisticated, Lucy J. Miller examines how these representations are often narratively and visually constructed to prompt emotions of ridicule, fear, disgust, and sympathy from a cisgender audience. Created by and for cisgender people, these films do not accurately represent transgender people's experiences, and the emotions they inspire serve to distance cisgender audience members from the transgender people they encounter in their day-to-day lives. By helping to increase the distance between cisgender and transgender people, Miller argues, these films make it more difficult for cisgender people to understand the experiences of transgender people and for transgender people to fully participate in public life. The book concludes with suggestions for improving transgender representation in film.
