Good-Vs-Evil Anastacia Burrell 2018-12-29 God is there to save you from harm. The devil can't take no more then you can't ever have in life on what you can have is yours in life who stands by the great waterfalls of life stands for ups and downs everything is meant for a reason because you wonder why your life is so block from others because something maybe missing in order to put common sense together which was unsaid and done that needs to be done. so you cherish the memory of that day of your life every stone you can ever take and every breath in your body, give it to god and glory and take a deep breath and praise God. bad rather than right. One way it is or another, and one way it doesn't. What you do or what you don't do, you pick up the pieces of the puzzles and get it right on time, on the dot and line, and you take a piece of the pie—what you like and dislike and show and prove the way you want it. You talk about the good old times, and sometimes, it's about the wrong times of your life and the things you did in the past, whether it be good or bad in your wildest dream life. You take that and swipe your shoulders off. The greater it is, the badder it maybe. It can be fixable that same day or a couple of days a head. Trouble don't last always and not for long. That's how it works and what should be done, and you take it and fix everything that has been broken. You stand forward to that and be strong and have strength, and whatever that needs to be done and whatever that it is you can't do, you don't have to do it or put up with it. Be yourself and do all that you can do as possible, and that's all you can do. You cannot please everyone because it's gonna have a passing moment when you can do something or not and you will be tired of it. It also includes fatal attraction, breaking relationships, tragedies, boo thangs, lover and friends, blessings, curses, magic spells, cast of spells, Buddhism, voodoo, and many more.

Home Ice Aven Ellis 2023-11-11 Kylie Reed vowed she'd never pick up a man in a bar. It's one of her personal rules, after all. So falling into a gorgeous ginger's lap, tossing a glass of wine on him, and then hoping he asks for her number while in a bar would be a trifecta of wrong, right? Organized, rule-loving, and cautious to a fault, Kylie Reed is waiting for the perfect moment to live her dreams—when she has a house, when she meets her husband, when she has been at her visual display job at a chic boutique a little while longer. Yet Kylie finds all her rules bending when she falls into the lap of gorgeous Harrison Flynn, captain of the Dallas Demons hockey team. Harrison harbors his own fears for the future, ones he keeps close to the vest. He's intrigued with the brown-eyed beauty who proceeds with caution, while she's drawn to the sexy man who pushes boundaries and functions in chaos.
