One Woman'S Cry Is Another Woman'S Answer Rosemary C Green 2017-05-22 Deep Calls Too Deep Over the years, Ive always felt I had a great relationship with the Lord. I was told I was a gifted child. I would hear things or see people that werent there. My grandmother Letha Mae would tell me that it was a gift from God, that he would one day use me to HELP (healing everything life presents) people. Yes, what a life to live! For that reason, I stayed close to God as I could. I lived in much fear and silence in an upside-down world that never stopped turning. The tears I shed and the rejection I witnessed became my personal testimony. I felt I needed to keep this a secret. In order to do so, I talked less. I would dream, and the next day, I would be walking into my dream. They sometimes dictated my day. As a child, Ive always wanted to just grow up, live my life, get married, and have children with God being the center. Im living in a world they say is normal, which seems to take me on a different path in life. The comfort I find in God is that he loves me and he cares for me and Im always on his mind. His favor follows me, and I cant do anything about it. So I choose to love him back. Knowing that he knew me before I was in my mothers womb is amazing to me. The safety of his love takes my fears away as I crawl upon his lap and let him be my God. What I want you to see in my writings is that no matter what youve gone through or where youve been, he cant help but

love you. We are to serve and walk in love. Its notes all the time, but it gets easier with the Lords help. It is a learned behavior to choose and do it! I remembered hearing people call out for help. Yet when I looked around, everyone would appear to be very happy. I believe then God was guiding me in a path of faith. Deliverance and healing Im experiencing now in ministry. The biggest challenge is to hear someone calling for HELP and not finding the voice that carries such pain. I fasted and prayed to God for an answer for what to do with what Im hearing. The answer I got was to challenge it by praying and looking for a person. I did, and when I located who that person might have been, she tried to deny it until I sincerely, with oozing love, asked her again, How are you really doing? Then at that point, she burst into uncontrollable tears that I knew as a human being I couldnt handle within myself. God led me every step of what to do, and from then on, I cant help myself. Ladies, in this book alone, we choose to share our stories. What is your story? Remember, one womans cry is another womans cry. You must choose to be loved. Forgive them that wounded you. Win by losing. And he said to them all, If any man will come after me, let him deny himself, and take up his cross daily, and follow me. For whosoever will save his life shall lose it: but whosoever lose his life shall for my sake shall save it (Luke 9:2324, KJV).

Twelve Ways to Please and Keep Your Woman Or Wife Raymond Sturgis 2012-07-01 Women are the strength and foundation of any relationship or marriage; however, quite often they are taken for granted or unappreciated. Most men agree that their women are special; still, they fail to do what is required of them to keep them happy or satisfied. Every relationship and marriage has more obstacles that make them unsuccessful, and mainly because people stop doing, what they did to win the heart of their mates. Nowadays, women work, take care of the children, and contribute with finances of their families, and all they ask for is a thank you or something that says, "I appreciate

you “. Moreover, after conversing with over a hundred women on family, love, relationship and marriage, I enclosed here in this book the twelve important things they ask of their men. Today, it is easy for women to leave their men, and find success on their own or with another man. Therefore, it is important for men to understand the signs that are driving their women away, and do the simple things that are conducive to keeping their women happy. I understand that implementing these twelve things will not be easy, because it takes giving more of oneself, which sometimes make men appear vulnerable or 'unmanly'. However, we are talking about pleasing and bringing love and joy to the special women in their lives, besides, if they refuse, another man would relish the opportunity. Men know that their women love them (at least I hope they do), and making them feel secure, and needed in relationships and marriages is what make women stand by their man during trying times. If men apply these twelve essential things, I guarantee that their women would be more giving, understanding, sexual and pleasing to be around.

Confessions of a Happily Married Man Joshua L. Rogers 2019-12-17 Discover God in the messiness of your marriage, as popular marriage and family columnist Joshua Rogers offers spouses hope with real-life stories from his own marriage and helps you see how God is at work in the ordinary and extraordinary of your relationship. Confessions of a Happily Married Man is a husband's painfully honest account of his first ten years of marriage. It offers a window into the perspective of a man who went from "hello" to "I do" in nine months and then figured out how hard marriage could be. When Joshua Rogers thought back on the marriage books he had read or sermons about marriage he had heard, it occurred to him that he could only remember one thing about them: the stories. That's why this book is anchored by stories that other couples will relate to and can easily learn from. The stories are cringe-worthy, humorous, inspiring, heart-breaking, and full of wisdom--but the author isn't telling the reader what to do with that wisdom. He's letting the reader learn along with him as he's gradually becoming more self-aware, increasingly grateful for his wife, and surprised to discover what God is doing in the middle of it all.
