Sex Education in the Eighties - Lorna Brown 2012-12-06

The odd reader (here in England "odd" means occasional) may be interested in how a book comes about. Members of the SIECUS Board of Directors were planning a Festschrift and dinner for Mary Calderone on the occasion of her 75th birthday. One planning idea was to have a booklet, filled with brief essays from prominent sex educators, distributed between the roast beef and the ice cream. My reaction was that such "souvenirs" find their burial place in the same dusty drawer as the program from the high school prom and ticket stubs from South Pacific. I suggested a more lasting, noticeable "monument," a "proper" (as the English say) book which would draw contributions from both SIECUS and non-SIECUS scholars. I was too clever to be trapped as editor (in a 1974 preface, I had written "I swore I wouldn't edit another book"). And so I seduced Lorna Brown (into being editor). I contacted a few potential contributors, suggested a few others, convinced Leonard Pace at Plenum Press that this was a worthwhile venture, and left the country. To my amazement, six months after settling in Cambridge, England, the rough draft of the book arrived along with a reminder from Lorna that during the seduction I had promised to write an Introduction.

The Palgrave Handbook of Sexuality Education - Louisa Allen 2016-11-09
This authoritative, state-of-the-art Handbook provides an authoritative overview of issues within sexuality education, coupled with groundbreaking discussion of emerging and unconventional insights in the field. With 32 contributions from 12 countries it definitively traces the landscape of issues, theories and practices in sexuality education globally. These rich and multidisciplinary essays are written by renowned critical sexualities studies experts and rising stars in this area and grouped under four main areas: Global Assemblages of Sexuality Education Sexualities Education in Schools Sexual Cultures, Entertainment Media and Communication Technologies Re-animating What Else Sexuality Education Research Can Do, Be and Become
Importantly, this Handbook does not equate sexuality education with safer sex education nor understand this subject as confined to school based programmes. Instead, sexuality education is understood more

broadly and to occur in spaces as diverse as community settings and entertainment media, and via communication technologies. It is an essential and comprehensive reference resource for academics, students and researchers of sexuality education that both demarcates the field and stimulates critical discussion of its edges. Chapter 2 is available open access under a CC BY 4.0 license via link.springer.com.

Exploring the Dimensions of Human Sexuality - Jerrold Greenberg 2010-03-10

Exploring the Dimensions of Human Sexuality, Fourth Edition addresses all aspects of sexuality—biological, spiritual, psychological, and sociocultural—and presents the information both factually and impartially. Throughout the text, students will find an emphasis on health and well-being based on the assumption that we are all sexual beings and that sexuality should be viewed in its totality. Students are encouraged to explore the varied dimensions of human sexuality and see how each affects their own personal sexuality, sexual health, and sexual responsibility.

Resources in Education - 1998*Current Catalog* - National Library of Medicine (U.S.) 1983

First multi-year cumulation covers six years: 1965-70.

Human Reproductive Biology - Richard E. Jones 2006-05-15

This acclaimed text has been fully revised and updated, now incorporating issues including aging of the reproductive system, and updates on the chapters on conception and Gamete Transport and Fertilization, and Pregnancy. Human Reproductive Biology, Third Edition emphasizes the biological and biomedical aspects of human reproduction, explains advances in reproductive science and discusses the choices and concerns of today. Generously illustrated in full color, the text provides current information about human reproductive anatomy and physiology. The ideal book for courses on human reproductive biology - includes chapter introductions, sidebars on related topics of interest, chapter summaries and suggestions for further reading. All material completely updated with the latest research results, methods,

and topics now organized to facilitate logical presentation of topics New chapters on Reproductive Senescence, Conception: Gamete Transport, Fertilization, Pregnancy: Maternal Aspects and Pregnancy: Fetal Development Full color illustrations

Females, Males, and Sexuality - Kathryn Kelley 2015-05-28

Females, Males, and Sexuality examines the differences and similarities between males and females in their sexual attitudes, fantasies, and behaviors. Long a controversial subject, the differences between the sexes remains a source of unanswered questions and provocative debates. The views of eight behavioral scientists are combined in this volume to provide biological, social, and socio-biological perspectives on gender and sexuality. Sex variations in attitudes and behaviors are integrated in the introductory chapter. It provides a theoretical framework for describing current findings presented in subsequent chapters, as well as predicting the likelihood of sex differences in future studies. In other chapters, research on the premenstrual syndrome, hormones, and sexual expectations are analyzed. In chapters on attitudes about contraception, female contraceptive behavior serves as a model for organizing predictions about such behavior in males. Kathryn Kelley is Associate Professor of Psychology at State University of New York at Albany.

National Library of Medicine Current Catalog - National Library of Medicine (U.S.)

Pathophysiology - Lachel Story 2011-02-04

Pathophysiology--a key piece in the foundation of nursing clinical education--is often an insurmountable barrier for students, overwhelming them with copious amounts of complicated information.

Pathophysiology: A Practical Approach is the practical guide that faculty and students have been asking for. Designed with the student in mind, this innovative text omits extraneous information and gives pertinent content proper context and meaning with its readable format and student-friendly graphs and illustrations. This groundbreaking text provides a springboard for faculty and students to come together as co-

learners to explore this fascinating topic. During this process, content is no longer simply deposited into the students in a formulaic manner; rather, an accessible style and robust interactivities empower the student to think critically. Combined with dynamic technology solutions, this exciting new text gives students a firm understanding of the topic and prepares them for an increasingly complex work environment.

Teaching Safer Sex - 2012-05-01

Teaching Safer Sex may be the most important contribution the CFLE has made to the pedagogy of sexuality education. It was 1988 when most HIV/AIDS education was about epidemiology and the function of T-cells that the CFLE created its groundbreaking first edition of Teaching Safer Sex. Ten years later, many of the innovative strategies from that manual were classics in the field and had been incorporated into hundreds of curricula that aimed to develop the motivation, knowledge, comfort and skills essential for safer sex behaviors. It was time for a second edition, and The NEW Teaching Safer Sex aimed to expand the scope of safer sex education to include the social context of people's sexual behavior. Paulo Freire's ideas put forward in The Pedagogy of the Oppressed were important in the development of the new manual, which recognized that in a society so dangerously ambivalent about teaching its young people about their sexual safety, they needed to learn about the powerful societal, as well as personal, barriers to healthy sexual behavior. Twenty lessons were designed to promote critical consciousness about social messages as well to create a climate where communication about sexuality is normal and the use of safer sex is the expected behavior.

Catalog of Copyright Entries. Third Series - Library of Congress. Copyright Office 1977

Evolution and Human Sexual Behavior - Peter B. Gray 2013-04-01

A comprehensive survey of the evolutionary science of human sexual behavior, Evolution and Human Sexual Behavior invites us to imagine human sex from the vantage point of our primate cousins, in order to underscore the role of evolution in shaping all that happens, biologically and behaviorally, when romantic passions are aroused.

Human Sexuality - Roger Hock 2021-02-09

REVEL(TM) is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL offers an immersive learning experience designed for the way today's students read, think, and learn. Enlivening course content with media interactives and assessments, REVEL empowers educators to increase engagement with the course, and to better connect with students. REVEL for Human Sexuality presents a relatable overview of the discipline that inspires students to think critically about the sexual world and their place in it. By taking an interpersonal approach and encouraging each student to develop a personal sexual philosophy, author Roger Hock helps students connect the material covered to their real-life decisions and behaviors, boosting engagement with the course. Sensitivity to diverse groups -- not only in terms of race and ethnicity, but also in terms of sexual orientation, age, sexual knowledge, and sexual experience -- allows all students to feel as comfortable and open about sexual topics as possible. The Fourth Edition includes updated data as well as coverage of contemporary issues that dominate today's headlines to ensure currency and relevancy. Learn more about REVEL.

Human Sexuality (Paper) - Roger R. Hock 2016

For courses in Human Sexuality Help each student develop a sexual philosophy based on choice, awareness, and responsibility Human Sexuality presents a relatable overview of the discipline that inspires students to think critically about the sexual world and their place in it. By taking an interpersonal approach and encouraging each student to develop a personal sexual philosophy, author Roger Hock helps students connect the material covered to their real-life decisions and behaviours, boosting engagement with the course. Sensitivity to diverse groups -- not only in terms of race and ethnicity, but also in terms of sexual orientation, age, sexual knowledge, and sexual experience -- allows all students to feel as comfortable and open about sexual topics as possible. The 4th Edition includes updated data as well as coverage of contemporary issues that dominate today's headlines to ensure currency and relevancy.

Sexuality Education Theory And Practice - Clint E. Bruess

2013-05-30

Sexuality Education prepares students planning to be sexuality educators and administrators, as well as seasoned teaching professionals seeking current information and successful methods for teaching elementary, secondary and college students about sexuality with confidence. Sexuality Education Theory and Practice strikes a balance between content and instructional strategies that help students assess their own attitudes and knowledge of human sexuality. Emphasizing that sex education is an integral part of a comprehensive health education program, the text is ideal for helping students from a variety of backgrounds teach sexuality to learners of all ages.

Human Sexuality - Roger R. Hock 2012

Choice, Awareness, Responsibility Human Sexuality, Third Edition, helps students develop and design their own sexual philosophy. Every chapter begins with actual student questions from the author's files during nearly 20 years of teaching the human sexuality course. Throughout each chapter the questions are answered and new ones are posed--encouraging students to think critically, analyze, and apply the material in personally relevant ways. Hock takes a psychosocial approach, infused with biological foundations throughout the text. The book focuses on topics that are most critical and of greatest relevance to students' personal lives and their interactions with others, and on how these topics affect them emotionally, psychologically, and interpersonally. This student-centered approach is incorporated into the text's discussions of all areas of sexuality: psychological, social and biological (including medical issues, sexual health, sexual anatomy and sexual physiology). Sensitivity to diverse groups, not only in terms of race and ethnicity, but also in terms if sexual orientation, age, sexual knowledge, and sexual experience allows all students to feel as comfortable and open about sexual topics as possible. Teaching & Learning Experience Personalize Learning -- The new MyDevelopmentLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational

expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking -- With features like "Evaluating Sexual Research" and "Sexuality, Ethics, and the Law" Human Sexuality encourages students to be critical and skeptical when confronted with sexuality research and information. Engage Students -- An interpersonal approach and focus on helping students develop their own sexual philosophy connects course material to their real life decisions and behaviors. Explore Research -- The most up-to-date, scientific research is included. Apply Your Knowledge --opportunities like self-tests and scenario-driven questions throughout the text give students a chance to think more deeply about the content presented and help them to relate the material to their own lives. Support Instructors - An instructor's manual, Test Bank, MyTest, PowerPoints, teaching films, and class response systems provide instructors with the ultimate supplements package. Note: MyDevelopmentLab does not come automatically packaged with this text. To purchase MyDevelopmentLab, please visit: www.mydevelopmentlab.com or you can purchase a valuepack of the text + MyDevelopmentLab (at no additional cost) using ISBN 0205208371.

Exploring the Dimensions of Human Sexuality - Jerrold S. Greenberg 2007

Exploring The Dimensions Of Human Sexuality, Third Edition, Has Been Extensively Updated To Include Information And Statistics About Recent Developments. This Text Continues To Encourage Students To Explore The Varied Dimensions Of Sexuality And To See How Each Affects Their Personal Sexuality, Sexual Health, And Sexual Responsibility. All Aspects Of Sexuality--Biological, Spiritual, Psychological, And Sociocultural--Are Presented Factually And Impartially.

Sex-Positive Social Work - SJ Dodd 2020-06-30

Social workers engage with sex and sexuality in all kinds of practice settings and with a variety of client populations. However, conversations about healthy sexuality and sexual well-being are all but absent from social work literature, education, and practice. Many social work professionals have internalized sociocultural taboos about talking about

sexuality and tend to avoid the topic in their practice. This book provides an overview of key sexuality-related topics for social workers from a sex-positive perspective, which encourages agency in sexual decision making and embraces consensual sexual activity as healthy and to be enjoyed without stigma or shame. It discusses a wide range of topics including physiology, sexual and gender identity, sex in older adulthood, BDSM and kink; nonmonogamous and polyamorous relationships, and ethical considerations, including erotic transference. The book is designed to embolden social workers to engage discussions of sexuality with clients and to provide an opportunity for self-reflection and professional growth. Accessible to students as well as social workers and mental-health professionals at all levels, Sex-Positive Social Work emphasizes the relationship between sexual well-being and overall well-being, giving social workers the tools to approach sex and sexuality actively and positively with clients.

Coming Out of the Classroom Closet - Karen M Harbeck 2014-03-05
This landmark book empowers educators to become visible, positive influences and role models for gay and lesbian students in their classrooms and schools. As most homosexual educators, and even students, remain invisible due to possible hostilities of "coming out," this eye-opening book presents recent research to help gay and lesbian teachers break their silence. It encourages them to speak out on issues of homosexuality where curricula, civil rights, personal freedoms, and social entitlements are concerned. It promotes the development of school-based intervention for gay, lesbian, and bisexual students. While the controversy over education and homosexuality is one of the most personally threatening in this nation's history, the timely research presented in *Coming Out of the Classroom Closet* will hearten gay and lesbian educators to continue to strive for fair treatment as peers and for equal representation in educational materials. Pointing to reports of greater social support and legal protection than is assumed by most in the educational system, this book should be required reading for all persons concerned about continuing to provide high-quality education at all levels--college and university, secondary, and even elementary.

Chapters of Coming Out of the Classroom Closet look closely at many issues surrounding the issue of homosexuality in schools, including a history of treatment of gay and lesbian educators and their legal rights; effects of internalized homophobia on homosexual educators; gay and lesbian student's perceptions of their counselors and teachers ability to understand and help; beliefs, lack of knowledge, and lack of training of counselors and teachers about the needs of gay and lesbian youth; images of gays and lesbians in sexuality and health textbooks; important

AIDS education; and the issue of homophobia.

The Philosophy of Sex - Raja Halwani 2022-02-28

With 7 new essays, the 8th edition of this best-selling text examines the nature, morality, and significance of contemporary sexual phenomena. Topics include love; desire; rape; masturbation; sex online; homosexual, asexual, queer, and transgender issues; polyamory; paraphilia; drugs and sex; objectification; BDSM; and sex and race.
