

Hush Moving From Silence To Healing After Childhood Sexual Abuse

No Place To Cry - Dorie N. Van Stone 1992-05-09

Just as God gave Dorie Van Stone a tender heart to forgive her abusers, He also gave her the strength to reveal her past in *No Place to Cry*, the sequel to the best-seller *Dorie: The Girl Nobody Loved*. Through her candor you will gain insight into the trauma of emotional and sexual abuse.

When a Woman You Love Was Abused - Dawn Scott Jones 2012-08-01

The U.S. Department of Health and Human Services reports that 80 percent of childhood abuse victims later suffer from at least one abuse-induced psychological disorder. It's proven that the effects of childhood abuse follow women into adulthood. Yet few men are prepared to deal with those effects, even when their own wife is the one who is suffering. And their wife's suffering becomes their own suffering as their needs aren't being met by a wife who is powerless to control her inner turmoil. Author, pastor, and survivor Dawn Scott Jones candidly shares her own abuse experience to help husbands understand the varied emotions, fears, distorted thoughts, and triggers that hold their wives captive. In practical and accessible language, Jones explains the stages of the healing journey (processing denial, asking for help, grieving, expressing anger, learning to forgive, and finding resolution). Building on that knowledge, Jones then moves to an honest discussion of what husbands can do to help. Whether it's creating a healing environment, understanding the need for control, building trust, or even just praying for healing, a husband plays an active role in helping his wife survive and thrive despite her past abuse. Offering hope for a healthy marriage relationship, *When a Woman You Love Was Abused* answers the

questions men have and offers the advice they need to help their wives finally find peace.

Dear Sister - Lisa Factora-Borchers 2014

This multi-ethnic, multi-generational collection is written directly to and by survivors of sexual violence. Intentionally written in an accessible language appealing to all populations of survivors, allies and activists, *Dear Sister* mixes genres, bringing letters offering profound and lasting insight into the journey of survivorship together with essays providing substantial analysis around issues pertaining to healing and justice.

Naming Our Abuse - Andrew Schmutzer 2016-04-27

A stunningly vulnerable look at the horrific realities of sexual abuse and how to overcome them. Male sexual abuse is increasingly in the news, from scandals in the Catholic Church to exploitations at Penn State. Yet books and programs about healing are still overwhelmingly oriented toward the female survivor of abuse. As men who experienced childhood abuse, the authors of this book are uniquely qualified to address the healing process of male survivors. Using the metaphor of a car accident, *Naming Our Abuse* leads the survivor from the Wreck to the Accident Report to Rehabilitation to Driving Again. This four-step model illustrates that healing is a process to be nurtured rather than something that can be healed in a single telling. Following the authors' examples, readers are invited to find solidarity with other male survivors and develop an understanding of their own wounding through journaling exercises. "Rarely has a book about a subject so difficult and taboo left me feeling so encouraged and hopeful. Three different stories of deep personal pain, woven together to tell a story not only of survival but of fullness of life we

can all hope for.” —Steve LePore, Founder and Executive Director, 1in6
Thin Places - Mary E DeMuth 2010-02-02

In her moving spiritual memoir, Mary DeMuth traces the winding path of “thin places” in her life—places where she experienced longing and healing more intensely than before. As DeMuth writes, “Thin places are snatches of holy ground, tucked into the corners of our world, where we might just catch a glimpse of eternity. They are aha moments, beautiful realizations, when the Son of God bursts through the hazy fog of our monotony and shines on us afresh.” From losing her earthly father to discovering a heavenly Father who never leaves, from singing Olivia Newton-John songs to the sky to worshiping God under a French sun, from surviving abuse as a latchkey kid to experiencing the joy of mothering three children, DeMuth’s story calls readers to a deeper understanding of their own story. With unusual spiritual wisdom, she looks for God in the past so that she might experience him more profoundly in the present. Her powerful words invite readers to know God in a new way—a God ready to break through any ordinary day or extraordinary pain and offer a glimpse of eternity.

Sexual Assault and Abuse - Ann Byers 2015-07-15

Since young women today receive conflicting and confusing messages about dating, sexuality, and image, it is not surprising they can find themselves wondering if they’ve been sexually abused. It is estimated that a sexual assault occurs once every two minutes. That means that teens need to be aware of the many forms sexual abuse can take and the best practices for trying to prevent it. This guide will help them make sense of the issue, emphasizing that the victim is never to blame. Readers will be armed with crucial information that will help them know what to do if it happens to them or their friends or loved ones.

Shepherding Women in Pain - Bev Hislop 2020-04-07

A critical resource for anyone who wants to help women with the pressures, frustrations, and trauma they face Women today often have sources of tremendous pain in their lives such as infertility, divorce, domestic violence, eating disorders, and more. Yet, most leaders are not prepared to help women who have real pain from such traumatizing

issues. If you want to be better equipped to help women in pain, this book was written for you. Designed to give leaders and care givers greater understanding and insights, *Shepherding Women in Pain* is a compilation from contributors who have expertise and experience on the given issue. Learn about domestic violence from expert Stacey Womack, founder and executive director of Abuse Recovery Ministry & Services; or learn how to help women who struggle with eating disorders from Kimberley Davidson, founder of Olive Branch Outreach. The reader will be provided concise, practical, and grace-infused information designed to help women deal constructively with the trauma of their life experiences. This book will serve as a key resource--to read and re-read often--for those who serve women in pain. A remarkable blend of expertise and empathy, *Shepherding Women in Pain* is a perfect resource for pastors, church staff, and women’s ministry leaders alike who want to help women in pain experience Jesus, joy, and wholeness again.

When a Man You Love Was Abused - Cecil Murphey 2010

For all women who know and love a survivor of sexual assault, best-selling author Cecil Murphey has penned an honest and forthright book about helping the man in your life survive--and thrive--despite past abuses.

Rid of My Disgrace - Justin S. Holcomb 2011-01-05

The statistics are jarring. One in four women and one in six men have been sexually assaulted. But as sobering as these statistics are, they can’t begin to speak to the darkness and grief experienced by the victims. The church needs compassionate and wise resources to care for those living in the wake of this evil. Other books attempt to address the journey from shame to healing for victims of sexual abuse, but few are from a Christian perspective and written for both child and adult victims. In *Rid of My Disgrace*, a couple experienced in counseling and care for victims of sexual assault present the gospel in its power to heal the broken and restore the disgraced. Justin and Lindsey Holcomb present a clear definition of sexual assault and outline a biblical approach for moving from destruction to redemption. *Rid of My Disgrace* applies a theology of redemption to the grief, shame, and sense of defilement

victims experience. This book is primarily written for them, but can also equip pastors, ministry staff, and others to respond compassionately to those who have been assaulted. Part of the Re:Lit series.

Hush - Nicole Braddock Bromley 2008-09-01

Childhood sexual abuse is running rampant, yet it's the best-kept secret in our nation today. Its victims grow into adulthood with their little child's heart trapped in the pain and torment of their past. Nicole Braddock Bromley shares her own story and the steps to moving from silence to healing. *Hush* exposes the harsh realities of childhood abuse, explains the pain it causes, examines the false beliefs it creates, and empowers survivors to begin a personal journey toward healing by breaking the silence. With words of understanding and comfort, Nicole tells the real-life stories of those whose voices would otherwise never be heard. She is straightforward enough to pierce the hearts of those in a survivor's circle of influence, yet careful to tread lightly on what could be tender words.

[The Long Journey Home](#) - Andrew J. Schmutzer 2011-10-01

Maybe the only thing new about sexual abuse is quality discussion from several professions (psychology, theology, and pastoral care). Here are the insights of over two dozen psychologists, theologians, and those in pastoral care, all targeting the issue of sexual abuse. Designed as a resource for Christian educators, therapists, pastors, social workers, group leaders, and survivors, *The Long Journey Home* combines current research in mental health with rich theological reflection, global concern with fervent pastoral wisdom for the local faith community. Whether you are a counselor, professor, pastor, or spouse of a survivor, you hold in your hand a fresh resource of information and advocacy for those suffering from the devastating effects of sexual abuse and rape. The breadth of material, biblical insight, discussion questions, and helpful resources gathered here just may be the tool of a generation.

[Breathe](#) - Nicole Braddock Bromley 2009-05-01

A least one out of every three women and one out of every six men have experienced some form of sexual abuse. Regardless of the circumstances of the violation, every survivor can attest that it will impact relationships

with parents, friends, spouses, children, and God. Sexual abuse survivors are often left feeling isolated and without anyone to trust. But it does not have to be this way. Nicole Braddock Bromley understands the fears and anxieties victims face as they seek to build healthy relationships after sexual abuse. As a survivor herself, Nicole offers readers the power and hope necessary to share their story, build intimacy, and develop healthy communication in all their relationships. *Breathe* also serves as a helpful tool for those in relationship with an abuse survivor by providing guidance, confidence, and encouragement as they seek to help and support.

Hush - Eishes Chayil 2010-09-14

Inside the closed community of Borough Park, where most Chassidim live, the rules of life are very clear, determined by an ancient script written thousands of years before down to the last detail-and abuse has never been a part of it. But when thirteen-year-old Gittel learns of the abuse her best friend has suffered at the hands of her own family member, the adults in her community try to persuade Gittel, and themselves, that nothing happened. Forced to remain silent, Gittel begins to question everything she was raised to believe. A richly detailed and nuanced book, one of both humor and depth, understanding and horror, this story explains a complex world that remains an echo of its past, and illuminates the conflict between yesterday's traditions and today's reality.

[Recovering from Child Abuse](#) - David Powlison 2010-10-31

The damage you suffered may have been done in one terrible moment or over time. But the healing and the restoration will unfold at your pace, at a human pace. It unfolds as part of your story, and it unfolds over time. As a vulnerable child, instead of being protected, helped, and comforted, you were physically, emotionally, and/or ...

I Have Been Sexually Abused. Now What? - Jennifer Culp 2014-12-15

Sexual abuse of children and teens is shockingly common, not to mention under-reported and under-prosecuted. Fortunately, research and education are helping to change that. The trauma of sexual abuse may lead to further long-term symptoms such as anxiety, depression, PTSD,

eating disorders, and substance abuse. It is known to increase suicidal thoughts and self-harming behaviors. Seeking help from professionals—even years after the abuse occurs—can alleviate feelings of guilt and shame, shifting the identity of those who have been abused from victim to survivor. This useful and sensitive book debunks popular myths surrounding sexual abuse and provides resources where survivors and loved ones can turn for help. Readers will learn how to identify and confront sexual abuse; its long-term effects; and how to move forward in the aftermath.

Not Quite Healed - Cecil Murphey 2013

How are sexual abuse survivors to overcome the challenges they are sure to face? Finding strength in community with other survivors is one key to recovery. In *Not Quite Healed*, two survivors join forces to share insight and encouragement on the issues that challenge them most. After a candid discussion about each issue, the authors provide a self-affirming statement that men can study, memorize, and recite on their darkest days.

Hush to Roar - Toyin M Okunuga 2020-10-18

Bas is the only Black child in an all-white village in the UK, growing up surrounded by the unconditional love of her foster family. Suddenly her idyllic, carefree childhood, is shattered when her birth parents decide to take her to Nigeria. Thrown into an alien and confusing world, eight-year-old Bas is renamed Toyin and has to adapt to survive in her new life in West Africa. For the first time Toyin is forced to cope with betrayal, family secrets, and abuse. After sharing her personal insights into the effects of her childhood trauma with readers, and her efforts to comprehend the mindset of her perpetrator, Toyin must ultimately learn to forgive, in order to continue her inspirational journey to recovery. A profoundly moving memoir, yet dotted with hilarious moments, *Hush to Roar* is the inspiring story of one woman's quest to find her voice and overcome her past to live abundantly in the present.

Journey to Heal - Sutherland, Crystal 2016-04-27

A path of hope and healing for survivors of childhood sexual abuse A woman who was sexually abused as a child is confronted with many

internal questions: Am I worthless? Will I get past the pain? Do I matter to God? These and similar questions can carve a deep hole in an already wounded soul. Too often, the lies of worthlessness are believed, the pain becomes too much to handle, and survivors find themselves making choices that lead to more heartbreak. With over 42 million survivors (both male and female) in the United States alone, the need for a clear path to healing is great. Crystal Sutherland—herself a survivor of CSA—knows that while the recovery process is complex, healing is possible with God's help. For women who want to progress from simply coping to living abundantly, *Journey to Heal* guides readers through seven essential steps to recovery found in Scripture. Candid and open about her personal journey of healing, Crystal comes alongside her reader as a friend who understands. Infused with biblical truths, stories of hope from other survivors, and practical wisdom, this book leads women to discover the life of wholeness God has for them.

Soar - Nicole Braddock Bromley 2014-03-17

If you are a survivor of childhood sexual abuse in search of real healing, this book is for you! Both a personal workbook and a group study guide, *SOAR* walks with you through the four major steps of moving from silence to healing: S - Shattering the Silence O - Overcoming Lies A - Accepting Freedom R - Reaching Out In the seven sessions of this workbook companion to *Hush: Moving from Silence to Healing after Childhood Sexual Abuse*, Nicole helps you apply her teachings to your own personal circumstances and connects you with the support of a trusted group of survivors. By purchasing this book you will be given access to all of the *SOAR* group session videos, hosted by Nicole and featuring the inspiring stories of other survivors who have broken the silence and taken courageous steps forward on their healing journey by becoming part of this special community. Join Nicole and other survivors of sexual abuse as you find the keys to unlock the chains that have bound you to your painful past. Now is the time you find the freedom to *SOAR!*

Treating The Adult Survivor Of Childhood Sexual Abuse - Jody

Messler Davies 1994-03-21

Presents a model for the treatment of adult survivors of childhood sexual

abuse that takes advantage of a relational approach and that integrates psychoanalytic thinking with the latest findings from the literature on

psychological trauma and sexual abuse. Case examples illustrate the authors' treatment model. Annotation copyright by Book News, Inc., Portland, OR
