Mi Karnival of Papier-Mâché - Kenny Attaway 2022-12-21

Mi Karnival of Papier-mâché is an honest, intelligent and unapologetic memoir chronicling the life and times of Miyor Paul Toussaint who throughout his conquest to become great never gives up hopes of not only become a fashion designer, but a better being along the journey. The *mâché* novel follows the life and times of the starving artist/fashion designer from his struggling in not so humble beginning in Haiti and finishing out the conquest in the great city of Paris, France. Aside from his journey out of Haiti into Paris to fulfil a lifelong dream, he must make peace with decisions and information unearthed and move his world towards change-including how to be a better friend The novel addresses the difficulties of becoming a welcomed black fashion designer, his on/off battles with various addictions (sex, drugs, and alcohol), but the world's sometimes ugly reflections with inspiring and make changes along the way. *Papier-mâché* also explores the island of Haiti's ongoing problems with being accepted by the rest of the world-as does Miyor.

Astonishingly, regardless of the struggles and pains Miyor triumphs on and through the bright lights of Paris and beyond to become all there is to be- his way while on the road to the riches, ending with presenting to you with a ticket to his *Karnival of mâché*. a little messy, but presentable.

Theatre of the Ridiculous is a significant movement that highlighted the radical possibilities inherent in camp. Beginning with Ridiculous' most recognizable name, Charles Ludlam, the author traces the development of this campy, queer genre, from the B movies of Maria Montez to the Pop Art scene of Andy Warhol to the founding of the Play-House of the Ridiculous and the dawn of Ludlam's career and finally to the contemporary theatre scene.
