

I Need A Good Woman Quotes

You Can't Keep a Good Woman Down Alice Walker 2011-11-22 Women stand their ground in the midst of crisis in this story collection by the New York Times–bestselling author of *The Color Purple*. This collection builds on Alice Walker’s earlier work, the much-praised *In Love & Trouble*. But unlike her first collection of stories, the women in these tenderly wrought tales face their problems head on, proving powerful and self-possessed even when degraded by others—sometimes by those closest to them. But even as the female protagonists face exploitation, social asymmetries, and casual cruelties, Walker leavens her stories with ample wit and, as always, an eye for the redemptive power of love. A collection that reveals a master of fiction approaching the fullness of her talent, these are the stories Walker produced while penning *The Color Purple*. This ebook features an illustrated biography of Alice Walker including rare photos from the author’s personal collection.

Little Women Louisa May Alcott 1896

The Love of a Good Woman Alice Munro 2013-10-21 WINNER OF THE NOBEL PRIZE IN LITERATURE Alice Munro has a genius for entering the lives of ordinary people and capturing the passions and contradictions that lie just below the surface. In this brilliant new collection she takes mainly the lives of women - unruly, ungovernable, unpredictable, unexpected, funny, sexy and completely recognisable - and brings their hidden desires bubbling to the surface. The love of a good woman is not as pure and virtuous as it seems: as in her title story it can be needy and murderous. Here are women behaving badly, leaving husbands and children, running off with unstuitable lovers, pushing everyday life to the limits, and if they don't behave badly, they think surprising and

disturbing thoughts.

The Awakening Kate Chopin 12-11-06 She wanted to swim far out, where no woman had swum before. Condemned as "sordid" and "immoral" on its publication in 1899, this story of a woman trapped in her marriage effectively ended Chopin's career but was revived as a proto-feminist classic in the 1970s. What *Newsweek* calls Chopin's "prophetic psychology" insures its timeliness today. The *Art of The Novella Series* Too short to be a novel, too long to be a short story, the novella is generally unrecognized by academics and publishers. Nonetheless, it is a form beloved and practiced by literature's greatest writers. In the *Art Of The Novella series*, Melville House celebrates this renegade art form and its practitioners with titles that are, in many instances, presented in book form for the first time.

Navigating International Academia Jill Brown 2014-07-11 These narratives recount what it means to be a research student at an Australian university. They unpack the complex pathways that have lead the authors to this place, the early imaginings, the attempts to achieve the dream and the challenges that come with that achievement. These students bring a range of life skills and experiences to their studies and need to balance competing financial, family and employment related demands on their time and attention. For the international students whose voices dominate this text, there are also barriers of culture, language and physical and emotional dislocation. Students from Vietnam, Indonesia, Bangladesh, Iraq and Romania recount the personal and academic challenges they have faced and the ways in which they have struggled to find a way of being in academia which both accommodates their sense of self and allows them to be recognised as researchers in the international arena. An Australian student adds her voice to the collection. Their stories all combine the intensely personal with the academic. There is the joy of finding libraries full of books, of making friends with strangers, of managing to be student, partner and parent. There is pride in the

There is also developing confidence in their ability to contribute to research in the international arena and increasing authority in the ownership of their research. As a collection these narratives offer insight into both the student travellers and the academic and personal journeys being taken. A ROOM OF ONE'S OWN Virginia Woolf 2017-12-06 First published on 24 October 1929, the essay was based on a series of lectures she delivered at Newnham College and Girton College, two women's colleges at Cambridge University in October 1928. While this extended essay in fact employs a fictional narrator and narrative to explore women both as writers of and characters in fiction, the manuscript for the delivery of the series of lectures, titled "Women and Fiction", and hence the essay, are considered non-fiction. The essay is generally seen as a feminist text, and is noted in its argument for both a literal and figural space for women writers within a literary tradition dominated by patriarchy. Virginia Woolf was one of the greatest authors of the twentieth century, transformed the art of fiction. The author of numerous novels and short stories, she was also an acknowledged master of the essay form, and an admired literary critic. Adeline Virginia Woolf (1882-1941) was an English writer who is considered one of the foremost modernists of the twentieth century and a pioneer in the use of stream of consciousness as a narrative device.

I Hope They Serve Beer In Hell Tucker Max 2012-03-01 The “highly entertaining and thoroughly reprehensible” #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."

I want all of us to see ways we can lift women up where we live." Melinda's unforgettable narrative is backed by startling data as she presents the issues that most need our attention - from child marriage to lack of access to contraceptives to gender inequity in the workplace. And, for the first time, she writes about her personal life and the road to equality in her own marriage.
