"[...] CARRINGTON MEWS, 1st November.

DEAR Agatha, -Yes, I am sure you would find the study of Pepys a profitable one. Why not read him to the Mothers' Meeting instead of "The Parent's Friend" or "How to Keep your Husband out of the 'Pub'"? The old chap can be as smug and moral as Sandford and Merton, and his instructiveness is always involuntary. But to the continuation of the story of my wanderings. Smithfield, apart from its terrible associations with the Christian martyrs, is not a pleasant place to visit. On every side one is confronted by corpses sewn up in muslin shrouds, whilst ghoulish men in greasy overalls, their hands smeared with blood, superintend the packing of dead flesh into huge vans. A vegetarian could not find a happier spot in which to point the moral of his message. Mrs. Darling said it made her feel as if she[...]."

English Grammar Made Easy, and Adapted to the Capacity of Children - George G. Vasey

2015-06-25

Excerpt from English Grammar Made Easy, and Adapted to the Capacity of Children: In Which English Accidence and Etymological Parsing Are Rendered Simple and Attractive Children, in general, have an aversion to Grammar. Their universal complaints are that it is difficult, - that it is disagreeable, - that, in fact, they cannot understand it. We sincerely feel and acknowledge the justness of these complaints. At the same time, we are fully convinced that the cause of these obstructions does not exist so much in the subject of Grammar itself, as in the manner in which the subject has been treated. Although we have examined upwards of thirty different English Grammars, we have not seen one adapted to the capacity of children: they are all decidedly too technical, even in their very first lessons, and consequently too abstruse for the use of children. They demand an amount of knowledge in children of seven or eight years, which is rarely possessed by youths of twelve or

fourteen. It is very important that children should commence their grammatical studies early. Vulgarisms and other improprieties of speech, as well as imperfections in Orthography and Syntax, when once acquired, are very tenacious, and can never be thoroughly eradicated. It is, therefore, highly desirable that an elementary book on English Grammar, at once easy and interesting, should be placed in the hands of our younger pupils: such a book is an important desideratum. It is confidently hoped that this desideratum will be adequately supplied by the present publication. The simplicity and novelty of the plan upon which it is constructed, will be readily understood from the following summary. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

How to Be Normal - Guy Browning 2014-11-06

Normal people are extremely unusual. Think of all the people you know and ask yourself how many are normal. None of them! In fact you're probably the most normal of the lot and, let's face it, even you're not that normal. All normal people believe they are a little bit different, a little bit unique and a little bit special. On the other hand no one wants to be abnormal, so it's a fine line to tread. Happily, this brilliantly funny book shows everyone exactly how to be uniquely normally normal. Is it normal to: ... hold the banister with both hands? ... find the green man at crossings mildly attractive? ... drive a shopping trolley on the right? ... be afraid of

The Science of Love and Attraction - Mehmet Oktar Guloglu, PH D 2020-12-05

"Love is giving someone the power to destroy you and trusting them not to." Antuan Quentin This famous quote expresses the changes we experience when we fall in love. We are giddy in the beginning. We "become one" with our partners and lose ourselves. We trust too easily and too much. When we love, we give our all. We transform into someone we don't recognize. The Science of Love and Attraction aims to show you why and how our brain and hormones change when we fall in love and when we are falling out of love. Based on hundreds of scientific studies, this comprehensive and relatable guide will help you: -Understand love better-Increase your attractiveness-Improve your social and romantic lives-Understand unconscious flirting signals-Overcome a breakup-Avoid behaviors that may be detrimental to a healthy relationship This book guides you with scientific facts about love and attraction, only a limited number of neuroscientists have access to, in an easy, relatable style. Unlock the long-hidden power of love with The Science of Love and Attraction!

Deadly Courtship - Jaycee Jarvis 2019-11-02

In a world rife with elemental magic, can a bard with a knack for predicting the future help a warrior face her painful past? Han-Triguard Magdalena turned her back on her heritage and her family in order to pursue life as a Hand, honor bound to serve as a Protector in the tropical market town of Trimble. She never regrets putting duty first, until a string of brutal murders changes everything. Her former lover, the attractive musician Jasper, stands accused. Madi knows the gentle empath could never kill anyone, but her word alone is not enough to protect him. Even worse, one of the other victims is a member of her old clan, for whom justice is entirely out of reach. As Madi begins to question the demands of her job, Jasper asks her to give safe haven to his brother's orphans. With

the children, Jasper has the family he's always wanted, a dream Madi has never shared. Living in close quarters, their attraction combusts while Madi is beset by unwanted tenderness for the children. With a new determination, Madi vows to protect their future, make peace with her past, and maybe find a love worth fighting for. If only she can stop the killer in time . . .

The Ladies Book of Useful Information - James Zimmerhoff 2017-07-17

It teaches ladies the secret of Youth, Beauty, Health. The first chapter teaches all about Personal Beauty. Every lady desires to be beautiful, and it is the duty of every woman to be as attractive as possible. All may enhance their charms and be lovely by following the directions of this book. Few persons know how to improve their natural looks so as to captivate, charm, and win the admiration of those whom they meet. This book tells the wonderful secret - all the ancients ever knew, and all that has been discovered since. It teaches how to wonderfully

improve the person in loveliness. The real secret of changing an ordinary looking person into one of great beauty makes this book of great value. Nature does something for us, but art must make the perfect man or woman. If you desire bright, melting eyes, a clear, soft, rose-tinted complexion, beautiful hands and graceful figure, well-developed and perfect, use the knowledge which you will find in this book. It teaches how to acquire a beautiful, delicate loveliness which cannot be surpassed, and which can be retained to a very late age. By means of this teaching a woman of thirty-five or forty can easily pass for a girl of twenty-five. It teaches how to conceal the evidence of age, and how to make the most stubbornly red and rough hands beautifully soft and white. Remember that "The Ladies' Book of Useful Information" does not teach the use of paint and powder, which is injurious to the skin, but how to make the cheek glow with health, and the neck, arms and hands to rival the lily in whiteness. It teaches how to cure Greasy Skin, Freckles, Pimples, Wrinkles, Blackheads, Crow's-feet, Blotches, Face Grubs, Tan, Sunburn, Chapped Hands, Sore Lips, etc. It teaches how to cure and prevent redness and roughness, and to make the skin soft, smooth, white and delicate, producing a perfectly natural appearance. It teaches how to cure and refine a coarse skin, so that it will be clear and white. It tells what has never before been published: How to restore a fair, rosy complexion to its original freshness, after it has become sallow and faded. This is a wonderful secret, and is sure in its results. It will also cause those who have always been pale to have beautiful, bright, rosy cheeks, and the eyes to be brilliant and sparkling. It teaches how to have soft, white and attractive hands, even though compelled to do housework. Every lady desires to have nice hands, and all may do so by following the directions of this book. The most coarse, rough, red hands will, by following this teaching, become beautifully delicate and white, and it causes very little trouble to care for them. It teaches how to care for the hair so as to improve the growth and to have a beautiful and luxuriant head of hair; how to keep the skin of the scalp healthy, to cure Dandruff, to prevent the hair falling, and to have it of a nice glossy hue.

Ugly - Johanna Sparrow 2016-05-11

It's a shame to say this but ugly people are everywhere. The worst ones are in relationships. Why is it that the most attractive people fall in love with the most unattractive people on the planet? You've seen it, a handsome looking young man holding hands with an unattractive female or an attractive female in the arms of a very ugly man. That's right I said it, finally I have been able to get this off of my chest. It makes you look wonder if you are single what the heck is wrong with me, as if you can't find someone nice, but you have and their attitude is ugly when they are attractive. Is there something I don't understand in dating ugly people? Is there different types of ugly people? Yes, there are different types of ugly people in the world of dating if you have not noticed. Besides the normal looking and attractive people every single person looks for, there's something ugly about that person even if it's not in their physical appearance. It's never an easy subject to talk about no matter the age. This is why I thought it was time to talk about the ugly world of falling in love with ugly people.

To the ladies of America is this little work, "The Ladies' Book of Useful Information," dedicated. It is a book written expressly for women. This book is full from cover to cover of useful and necessary information for women. Never before has so much knowledge with which women should be acquainted been printed in one book. It is a perfect storehouse of useful facts. Almost every lady spends many dollars every year for cosmetics, medicines, household articles, etc., which this book would save her. This is a book which every lady should have, and which every mother should place in the hands of her daughters as they come to years of understanding. Every girl of twelve and upwards should read this valuable work. Many books costing from three to five dollars do not contain half the information contained in this work. Everything described in this preface is taught in this book. It teaches ladies the secret of Youth, Beauty, Health. The first chapter teaches all about Personal Beauty. Face and Hand Reading - Theresa Cheung
2012-01-05

"I've always hated my nose. The way it looks, and the fact that it's so big. When I was little I'd do drawings of smiling faces with no noses. My parents and teachers would always remind me to draw the nose, but I never did. The way I see my nose has changed since I started face reading. If only I'd known sooner that having a long nose is pretty cool." - Sarah, 12 You can learn the most amazing things by simply using your face and hands (and a little help from this book). You see faces everyday but do you really look at them? Face reading helps you to analyse every feature, line and shape and work out what they say about your personality, relationships and future destiny. Hand reading, or palmistry, is another brilliant way to find out all about you and your friends and family. By looking at your whole hand, fingers and thumbs, and lines on your palms you'll see just how useful and informative hand reading can be in your everyday life. Face and Hand Reading shows you how you can change your life by discovering just how incredible and unique you are. It is part of our stunning new Mind Body Spirit series for teenage girls - Amazing You.

Math and Art and Music Section 5. Math and Fun and Recreation Section 6. Math and Life Skills

The Masculine Century - Michael Antony
2008-05

Now that the Twentieth Century is behind us . what made it what it was? 200 million human beings killed by war, totalitarianism, and extermination programs. What made the twentieth century the most murderous age in human history, as well as the age that made the greatest advances ever in science and technology, while art and serious music declined into abstraction, non-communication, and grotesque hoaxes-blank canvases, old urinals, cans of excrement, and concertos consisting of four minutes of silence? This book argues that the century was marked by an over-masculinization of the Western mind, leading to autism and psychopathic aggression, and the eclipse of the feminine, expressive, emotional, empathetic side of human nature. Hence the unprecedented culture of total war and genocide, and the totalitarian projects to raze the human past and start again-which Modernism carried out in the arts. Hence also the masculinization of sexual behavior (as romance gave way to pornography, and marriage to promiscuity), the adoption by

women of a male work role, the decline of motherhood and family, and the collapse of Western birthrates. This is all traced back to the rise of two aggressive, ultra-masculine ideologies in the nineteenth century, Darwinism and Marxism (which gave birth to Fascism and Feminism.) These ideologies put violence, conflict and aggression at the heart of life, and changed human mentalities. This book examines these developments through the literature and art of the past hundred and fifty years, and discusses their implications for the future of Western Civilization.

How to Seduce Women : No Matter What You Look Like or How Much Money You Have - Simple and Proven Techniques That Make You Attractive (Seduction, seducing woman, dating, attract woman, girls) - John Atway 2015-02-11

If you are a guy that has had no luck with women all your life, or have absolutely no idea about what you're doing when it comes to asking a girl out or even going on a date with her...This letter is for you. Because you are about to learn exactly what women find absolutely irresistible in a man and what you can easily do to stay on the mind of virtually every girl you meet! - No need to go to the gym and get a six pack - No need to give her beautiful flowers - No need to take her to expensive restaurants - No need to write her any poetry I am NOT about to tell you to spend a ton of money on every girl you meet, write her poetry or even change yourself in any way! No, no, no. This guide is not about change, it's about the simple and proven techniques and strategies that will make you attractive to women... From: John Dear Friend, Dating is a game but 95% of the men out there have no idea how to play it. It's true, dating is a numbers game and most guys' chances of success are slim. Don't get me wrong, everyone gets rejected...even the most attractive, hottest, richest most charming guys hear a "no" once in a while. But that's what

dating is all about, it's a numbers game, a game of chance and... ...You Are About To Increase Your Chances Of Sweeping A Beautiful Woman Off Her Feet Ten Fold! How do I know? Because this used to be my life's story... It's funny when I think back to just a few months ago. I remember having no idea, no clue what so ever about what I was doing when trying to meet women. I was truly clueless, and like most men I had no idea why I was constantly getting rejected. But instead of giving up, which was not even an option, I started to learn. I started reading everything on the subject of dating and attracting women I could get my hands on. I've spent thousands of dollars on dating courses and tips and got rejected a 100 times over just so I can learn about what I'm doing wrong. And after all that reading, listening to audio tapes and experience I have finally discovered the true methods and techniques to being successful in the dating game! Give Me Just A Few Minutes Of Your Time, And I Will Show You Exactly How You Too Can Have Beautiful Women Asking You For Your Phone Number! Like I said, dating is a numbers game and you are about to turn the odds in your favor! This can easily be accomplished by actually knowing what women look for in a man, what they are attracted to and carrying yourself the right way around girls. Because lets face it, dating is a very important game in your life...you might as well know how to play it! Here is just a small taste of what you are about to discover: - Why online dating is one of the easiest ways to meet beautiful women if you are shy and afraid of face to face rejection (more and more women are choosing the safe environment of online dating sites as a way to meet men). - The qualities every woman no matter the race or age looks for and find absolutely irresistible in men. These qualities are not something you're born with, in fact they are extremely easy to get! - The absolute most important rules of the art of attraction. If you don't understand this, you are never going to be successful with women, no matter what you look like or how much money you have. - How to easily get rid of your fear of approaching and meeting women! This is something a lot of us guys have a problem with, and yet it is so easy to overcome. - How to become a first date professional. You'll need to learn this if you are

planning on using this guide properly...because you will be going on a lot of first dates! - Everything you need to know about using online dating sites the right way! From the first contact all the way to getting her to want to meet up with you. - A guaranteed way to get her begging you for a second date. You won't believe how powerful yet simple this technique is! - How To Honestly Date Multiple Women At The Same Time With No One Getting Hurt In The Process (if you are looking to have fun but at the same time don't want to hurt anyone this is something you absolutely must know). - Why most women would rather have a "bad boy" instead of a nice caring guy that's always there for her. And how you can be that "bad boy" without actually being bad. - Why catering to her every need from the moment you meet her will absolutely kill your chances of being anything more than her "talking friend". - Why compliments will not always get you past the pick up line, and how to really get a woman's attention when approaching her. - Why what you think girls want and what you have always been told girls want (even by other women) is one of the biggest reasons most men's chances of sweeping a beautiful woman of her feet are next to nothing. - The 7 or so things a woman is really looking for when she meet a man. This is exactly what 95% of men out there are missing when they are trying to pick up girls. - The 14 essential rules you should always follow when dating. Follow these rules and your troubles with women are sure to disappear. - A list of the hottest online dating websites that will help you get a date every day of the week! - The complete guide to having a successful first date. Including where to go, how long to stay, what to talk about and how to behave. - The 4 things you should never talk about or even mention on a first date (bring this stuff up and you'll ruin everything!). - Easy ways to tell if a woman is truly interested in you or just being nice. - Easy ways to defeat your shyness and fear of approaching women that actually work! - And Much, Much more! I've read all the books, listened to all the tapes and studied all the dating courses. I've spent thousands of dollars and gotten rejected over a hundred times trying to figure out what really works when it comes to meeting beautiful women. I've tried and tested all that I have

learned, and now I know what really works and what women really find attractive! Sure, there are thousands of so called "sure" ways to try and attract women...but there are only a few that truly matter and work. And that is exactly what you'll get in the "How to seduce women" book. So how much is the "How to seduce women" worth to you? Remember, this guide will turn you from being shy and clueless around beautiful women to being a real pro. You will also learn what women really find attractive and how you can become the object of desire of all the beautiful women you want! This guide is full of only the proven and tested techniques, advice and ways to become successful at dating. It contains no BS and nothing you don't need, just straight to the point no fluff information on turning your dating life around. How much is this worth to you? Some Conditions of Child Life in England (Classic Reprint) - Benjamin Waugh
2018-02-02

Excerpt from *Some Conditions of Child Life in England* Side by side with these conditions there is an increasing tendency to regard human beings as protoplasm to shake off the idea of Jesus as to a living God, the Father of us all, and to account for human life by molecules; to count His judgment day and a supreme judge of robust and wholesome righteousness as superstitions. And this is all full of danger to child life. Child

life and happiness are bound up with the Kingship of God. There is but one Supreme to whom they are the greatest; but one hand which has a mill stone for the necks of those who offend them, and the depths of the sea. Church-goers and chapel-goers may sin against childhood, and men who disclaim churches and chapels may love it. But, though no hard-and-fast line can be drawn between men on this ground, it remains certain that Jesus is the world's most august protector of a child. The man who leaves its limbs naked, its sickness untended, He sends down to hell. What, then, should His followers think of such deeds as these, taken more or less at random, from the list of offences for which, through the action of the National Society for the Prevention of Cruelty to Children, by its London Committee alone, two hundred men and women have been tried and convicted? Making an ill and dying step-child live in a damp, dark back-kitchen, while the own children in the front kitchen sit round a bright winter's fire; shutting up another step-child to sleep in the coal-cellar, three others to sleep next the unceiled roof with one quilt, in their night-gowns, wind and sleet and rain finding them; sending a child at ten o'clock on a February night, recovering from diphtheria, a mile to an inn for beer; sending two starved, almost naked, little girls for half a hundredweight of coals in rain and sleet twice the same December night; laying a baby close to

the fire to get rid of it through thirst; putting another in a thorough draft to get rid of it through cold; leaving a girl in bed covered with sores, infested with lice, under one scab a maggot, never washed or tended, lying in her own excrements; strapping a deaf and dumb boy because it was so extremely difficult to make him understand; drawing a red-hot poker before the eyes of a blind girl, and touching her hands with it (this was done by her brutal brother, but in the presence of the parents, and for fun); after beating, locking-up for the night in a coal-cellar with rats immersing a dying boy in a tub of cold water, to get his dying done; making another dying boy get out of bed to help to wash, and knocking him down because he washed so little breaking a girl's arm 'while beating her with a broomstick, then setting her to scrub[s.
