July Audrey Carlan 2015 Hip-hop, Miami heat, and the Latin Lov-ah. The second half to this year-long journey has taken me to Magic City...Miami. I've been hired by the nation's top hip-hop artist, Anton Santiago. His name is as sexy as he is, and it rolls off the tongue the same way his muscled form rolls to his music. He goes by the name Latin Lov-ah, and boy does he work that title from his rock-hard body, Latin hip-hop fusion dance moves, to the way he beds his women. He's raw, dirty, and one hundred percent player...and I want to wrap my naked body all over him and forget about everything. Every word that comes out of his mouth is a siren's song. Every thrust of his hips draws me closer. Every breath against my neck sends me into a tailspin of need and desire. After what happened in June, I need to rip the bandage off. Move on. Anton could be just the thing I need to get my groove back. I was hired to play the part of a seductress in Anton's new music video, but, in the end, I'm the one being

Film Review 2004

Cowboys, Creatures, and Classics Chris Enss 2018-09-01 Take one well-oiled effective killing machine, add a familiar hero on the ground, in the air, and on horseback; stir in a ghastly end that's surely impossible to escape, add action, add passion, made on a shoestring budget at breakneck speed, and you've got the recipe for Republic Pictures. Who, after all, cannot forget The Atomic Kid, starring Mickey Rooney, or The Untamed Heiress, with an un-Oscar-worthy performance by ingénue Judy Canova? Exploding onto the movie scene in 1935, Republic Pictures brought the pop culture of the 30s and 40s to neighborhood movie houses. Week after week kids sank into their matinee seats to soak up the Golden Age of the Republic series, to ride off into the classic American West. And they gave us visions of the future. Visions that inspire film makers today. Republic was a studio that dollar for dollar packed more movie onto the screen than the majors could believe. From sunrise on into the night over grueling six day weeks, no matter how much mayhem movie makers were called upon to produce, at Republic Pictures it was all in a day's work. Republic Pictures was the little studio in the San Fernando Valley where movies were made family style. A core of technicians, directors, and actors worked hard at their craft as Republic released a staggering total of more than a thousand films through the late 1950s. Republic Pictures was home to John Wayne for thirty-three films. Always inventing, Republic brought a song to the West. It featured the West's first singing cowboy. Republic brought action, adventure, and escape to neighborhood movies houses across America. And they brought it with style.

Scene from westerns such as *The Three Mesquiteers* and the *Lawless Range* gave screaming kids at the bijou a white-knuckle display of expert film making. Republic Pictures became a studio where major directors could bring their personal vision to the screen. Sometimes these were projects no other studio would touch such as *The Quiet Man* (which brought director John Ford an Oscar) and *Macbeth*. *Killer Bs, Cowboys, Creatures and Classics: The Story of Republic Pictures* is for anyone who likes B movies magic. It is the honest account of an extraordinary production house, one whose ability to turn out films quickly boded well for its transition into television production. Not only were its sets used for such shows as *Leave it to Beaver* and *Gilligan's Island*, stock footage from Republic's movies was used on such shows as *Gunsmoke* and *The Life and Legend of Wyatt Earp*.

Just July Kirsten Osbourne 2021-12-01 *Julia Calendar*, the seventh of the twelve *Calendar* sisters, feels as if she is just another month of the year. Her sisters all have amazing talents that set them apart, but there's nothing she really excels at. She watches as her six elder sisters fall in love and marry, and she knows she's expected to be next, but how could a man fall in love with her? She's just July. Brent Collings is a survivor. His wife Andrea died eighteen months before of breast cancer, and he was forced to be the one to go on with two sons. A rancher and the manager of the Cauldron Valley recreation center, he decides to hire someone to teach art, simply so his younger son can take classes with someone proficient. As soon as he sees *Julia Calendar*, something he said he would never do. He saw her and wanted to spend time with her. In a romantic way. Can these two unlikely people really fall in love? Or will Brent go on being the lone survivor? And will *Julia* ever realize she's anything more than just July?

A History of the GAA in 100 Objects Siobhan Doyle 2022-10-11

The Gaelic Athletic Association (GAA) is a part of the Irish consciousness and plays an influential role in Irish society that extends far beyond the sport itself. In popular imagination and experience, the GAA is often evoked in terms of its objects: medals passed down from generation to generation, jerseys worn in All-Ireland finals, Michael Cusack's blackthorn stick, a pair of glasses damaged during the events of Bloody Sunday. It is this body of objects that forms the focus of this book. *A History of the GAA in 100 Objects* acts as a signpost to significant moments in GAA history, offers fresh perspectives on a previously overlooked area of enquiry and presents new ideas not available elsewhere.

April Audrey Carlan 2015-08-03 "Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." -Katy Evans, NYT Bestselling Author Synopsis
Baseball, beer, and a hot boy. Nothing can beat that. Until I meet Mason "Mace" Murphy the next "it" pitcher for the Boston Red Sox and my client. He's immature, arrogant, sexy as sin, and the last man that's going to get into my panties. He's not used to hearing the word no from women, so I'm going to spell it out for him. N = Not going to happen. O = Out of your league buddy. I was hired to cuddle up to the annoying, beautiful athlete, and give prospective advertisers and fans a different view of this hot-shot professional baller. Only he's everything I detest in a man all wrapped into a dream package. Baseball player, talented, athletic body, sculpted face, and ass you can bounce quarters off of. Unfortunately, he also believes he's God's gift to women, a man-whore, throws money around like it grows on trees, and conceited. The challenge for him, to break down my defenses and get in there. My challenge, avoid hopping in the sack with him at all costs. *** Mia Saunders continues her mission to save her comatose father from her dangerous, loan-shark ex-boyfriend. This month, she serves as a high-priced escort to a professional baseball player named Mace Murphy in Boston, MA. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

January Audrey Carlan 2015-08-03 "Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." ~ Meredith Wild, #1 NYT Bestselling Author It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time

limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.
