This awesome guide is destined to become any kinky girl's well-thumbed, dog-eared sidekick." - Violet Blue, Senior Book Reviewer, *Good Vibrations* "It's tough enough to face going to a beach with a

Playing Well With Others - Lee Harrington
2012-02-29

Whether you're a trembling novice or a jaded expert, there's always something new to be discovered in the endlessly changing, complex and titillating world of kink. While there are plenty of other books out there that explain how to give a spanking or tie a half-hitch, *Playing Well With Others* is the first book that explains kink *culture* -- the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums and all the other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a community. You'll learn to:

motivations, needs, wants and desires • Ease your way into established communities • Understand etiquette in different adventurous sex communities • Familiarize yourself with the many types of events available to you • Care for your relationships as you explore new territory • Negotiate for play and aftercare • Go back to the "world at large" without ruffling feathers • ...and, of course, answer the all-important question: What do you wear?! The team of Harrington and Williams offers 30-plus years of experience in diverse kink communities: top, bottom and switch; gay, bi and straight; female, male and trans; white and POC. Both former titleholders and international educators, they are an unbeatable pair of "sexual sherpas" with an inimitable voice and a great deal of wisdom. *Playing Well With Others* is an unprecedented and essential guidebook for anyone who wants to explore or understand the "community" aspect of the kink lifestyle.

So... This Is Awkward - Harry Newhouse
2019-10-27

Harry Newhouse, a scientist, Oxford graduate, and general nerd, moves to New York and sets

his sights on finding the girl of his dreams. Unfortunately he is not very good at girls, or cities, or America for that matter, and this book follows his bizarre journey as he dives down the rabbit hole of online dating. Things quickly spiral out of control when he makes the surprising discovery that quite a lot of girls want to be tied up and spanked, and that he also quite enjoys tying them up and spanking them. Harry re-tells the funniest and sexiest highlights of his kinky dating adventures, presenting his stories in an honest and non-idealised fashion (with plenty of English self deprecation thrown in too). Composed entirely of true stories this book also tackles some of the prejudices and myths that surround the subject of BDSM, and provides interesting snapshots of the diverse personalities that Harry encounters on his adventures. Through a process of trial and error, (emphasis on the error), Harry becomes more adept at seducing ladies who want to fulfil their submissive fantasies. Distilled from over forty

different dates these stories contain a few life lessons that are hard to sum up in any dating self-help guide. Despite some success with the ladies, the true romantic connection that Harry craves proves to be a lot harder to tie down, and require skills that aren't printed in any bondage manual. His many dates drive Harry to explore the city's many different neighbourhoods, and eventually he begins to feel at home wandering down New York's steaming avenues. As we follow his twists and turns it often seems like the girl of his dreams is hovering just around the next corner, but will he ever catch up with her in time? *This book is a comic memoir with frequent descriptions of sex. It tries to paint an honest picture of Harry's own particular brand of insecurity and the strange evolution of his masculinity, and also introduce some of the diverse and non-stereotypical range of people that are attracted to kink. This book should be a good reference for anyone dating in this age of tinder, okcupid, and fetlife, and also show

everyone that, however weird they may consider themselves, they're really not as alone as they might feel. ---This is a second and improved edition of 'So... This is Awkward'. The first edition was published under the author pseudonym 'Timothy TuttleSmith' in 2015. Reviews published before 2019 relate to this earlier, (and inferior) work. Like the book? Room for Improvement - Amy Zalneraitis
2010-05-11

If you've ever lived with a roommate, you're all too familiar with the dark side of splitting rent: your favorite lipstick mysteriously gone missing, dishes left "soaking" in the sink for a week, and far-too-intimate noises coming from the adjacent bedroom as you desperately try to sleep. But roommate resentment doesn't have to become a pattern. A comprehensive and sassy guide to roommate living for post-college women, Room for Improvement explains how a little cooperation can lead to smoother cohabitation. Harnessing her own and others' experiences, Amy Zalneraitis delivers essential roommate dos and don'ts, hilarious (and often horrifying) anecdotes, and invaluable tips from experts, and

covers such sanity-saving topics as: Checks and Imbalances: Keeping Financial Friction at Bay Idiosyncrasies or Idiosyncrazies? There's Eccentric, and Then There's Psychotic Dust Bunnies Are Not Real Pets: What to Do with a Filthy Roommate Is That My Underwear You're Wearing? Sharing Clothes Without Exchanging Blows ...and much, much more. Candid and laugh-out-loud funny, Room for Improvement will help you iron out existing roommate problems, prevent future ones, and, just as important, spot and address bad roommate behavior in yourself.
