

Let A Real Woman Love You

W.H.O.L.E.-Women Handling The Oppositions of Life Exceptionally - Betty M. Knight 2009-11

A Call to the Black Man Give ear to what I'm about to say What in the world happened? It's not supposed to be this way. We fought so hard for freedom And you have put me back in chains Commitment, trust, seems to be bad words. I'm in bondage to your mind games Remember, you have a mother, sister, or daughter But it was me you gave the ring. I have come to this conclusion I don't need a king TO BE A QUEEN! I've had to raise the children alone Like when the master sold you astray Now I have to look for you And again you've become a runaway A man that can walk out on his family Is a part of slavery's aftermath? But enough with the dumb stuff The

past is the past. I am still that woman Who made you feel like a man? Now you are so out of place Still, you want me to understand. Another form of rejection I'm asking myself "what's wrong with me" Why am I always to blame? For your misplaced priorities? Either you get it together Either you are right or you are wrong. I can raise the children with you. I should not have to do it alone. Come inside these pages. Allow me to tailor you to fit Coming from the strength of this Whole Woman. I should not be penalized for it I'm going to speak to the Whole Man in you Like I do in our time of intimacy. That's when I give you the freedom to be you And you give me the freedom to be me. Men are checking me out "right now" Making statements and, my, how

they do flatter. They ask "Why are you alone or single?" Realize! I do have a choice in the matter. I was asked if I were to define the book **WHOLE** in one sentence, what would I say? "WHOLE is a groundbreaking, ground shaking, revolution that demands results!" "I recall the day as though it was yesterday. I stood in the mirror looking at a reflection of defeat never knowing if I would reach my God-ordained destiny. All my dreams, hopes, and desires devastated. I was distraught, frail, and I had gone from a size 12 to a size 6. I was beyond distressed I was destroyed. Lifelines can come in many ways. I knew I wanted and needed to come out, but I didn't know how. This is the time when I had to get real with myself and everyone else—so I threw out a lifeline. I made a simple telephone call to a friend and the Revolution began!"

ALPHA MALE DATING The Essential Playbook - Sean Wayne

□There's no reason in the world why you can't have that fine woman on the other side of the room. If you were aware of her body language and had you been prepared mentally, you'd

know exactly how to seduce her □ If you had read Alpha Male Dating The Essential Playbook, you wouldn't be across the room right now, not way over there, staring at her like an imbecile. You'd know exactly what to do and you'd have all the confidence to turn a lonely night into an exciting evening, or a long-term relationship. No woman is too good for you. You've watched her, observed her moves and know exactly what to do. Now she's in your sights. What's more, she's unaware that you're about to sweep her off her feet. You know all these things because you've been reading her body language, and you're aware she's into you because you've been reading her like a book. Here's just an excerpt of what you'll discover inside: □ There's no mystery how you're going to make initial contact, scoop her up and take her to the night of her dreams. □ You carry yourself like a man, like an Alpha Male, confident, assured and with purpose. □ There's no stutter step or miscue. and maneuvered your way expertly into her full attention. □ You speak eloquently and you're respectful through and through. □ You're dressed well, full of interesting things to say. □ She's never met a man like you, a man who listens with intent and responds smartly. □ Moreover, you're respectful, know your boundaries and you know how to keep her attention. You're irresistible. □ You know all this because you know the Law of Attraction and Love Hypnosis. That's how you were able to sweep her off her feet then and now that you've been dating, she still can't get enough of you. Your relationship is full of confidence and awareness of her. She couldn't have been luckier that night, when you walked across the room and into her life. You've done all this because you know how an Alpha Male builds a relationship. You know all this because you

know her interests and nobody makes her feel more like a queen than her king, you. But you didn't do this by being an alpha bully, you did all this by being aware and knowing how to compromise without ever compromising yourself. Because you read this playbook, you know how to take your dating game to the home game that is never dull or without passion. □ You're her King and you make her feel like a Queen. □ You're not jealous, but confident, always. □ You're passionate but you don't overwhelm her. □ You know exactly how to touch her, reach her hot spots and after years of being together, making love to you is always fresh, fun and new. □ This is how an Alpha Male dates and builds his game into a long-term relationship, if he chooses, with confidence. Growing up, I have always had a desire to write poetry. It has become my greatest passion; there is nothing that compasses to expressing your true feelings of the heart. I give God all the glory for my ability to do so. These poems are about being open and honest when expressing your feelings for the one that you love without any hesitations, and if your feelings are real, there shouldnt be. Love is a real emotion that should not be toyed with. After you read this book, read it again; let it enter your mind and soul. Love is a powerful thing, there is a lot that I could say, but I would like for you to read it for yourself, and your feelings and emotions will automatically enhance because I feel it too.

Thought We Had Forever - Laquita Cameron
2017-12-19

Every day couples battle infidelity. They argue. Give up on a love they once thought to be true. It's easy to say what you will do until you are put in a situation you don't know how to get out of.

let-a-real-woman-love-you

How does the perfect couple come to realization that they're love is falling off track? How does a married man tell his wife that he is cheating? Will it be more painful if he is sleeping with the his son's fiance? When you're in love, you don't consider that another woman can fill your shoes. You don't believe a woman is better at loving your man. You think you're the best man for her. And you even doubt another man can steal your woman from under your nose... But let's be real, it's hard to stay away from a man that makes your toes curl, puts an arch in your back and gives you so much pleasure you can hardly stand to be out of his presence. Its even harder to stay away from a woman who has you so high on love that you feel yourself going through withdrawal for lack of having her in your arms. You forget that you promised to love forever...

To Have, to Hold, and to Never Let Go - Cattina C. Coleman 2012-12-28

I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom

he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book *To Have, To Hold, and To Never Let Go*, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. The same thoughts you men have us women have too; we just go about them a little differently. So in this book allow these chapters to guide you men on how *To Have a Woman, Hold a Woman, and To Never Let Her Go*.

How to Tell If Someone Truly Loves You - Femi Ogunjinmi 2020-03-25

Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true

love.
