Mogworld - Yahtzee Croshaw 2018-05-29

In a world full to bursting with would-be heroes, Jim couldn't be less interested in saving the day. His fireballs fizzle. He's awfully grumpy. Plus, he's been dead for about sixty years. When a renegade necromancer wrenches him from eternal slumber and into a world gone terribly, bizarrely wrong, all Jim wants is to find a way to die properly, once and for all. On his side, he's got a few shambling corpses, an inept thief, and a powerful death wish. But he's up against tough odds: angry mobs of adventurers, a body falling apart at the seams — and a team of programmers racing a deadline to hammer out the last few bugs in their AI. *Mogworld is the debut novel from video-game icon Yahtzee Croshaw (Zero Punctuation)! With an exclusive one-chapter preview of Yahtzee Croshaw's next novel, Jam—coming to bookstores in October 2012! *Ben "Yahtzee" Croshaw's video review site, Zero Punctuation, receives over 2,500,000 unique hits a month, and has been licensed by G4 Television. *Yahtzee's blog receives about 150,000 hits per day. "The first legitimate breakout hit from the gaming community in recent memory." -Boing Boing

Here, There and Everywhere - Marie Force 2022-03-22

Isabella Coleman wasn't looking for love when she attended her cousin Wade's wedding in Boston, but she hadn't counted on the bride's father, Cabot Lodge. He's older, wiser and one of the most handsome, charming and funny men she's ever met. Izzie is instantly smitten, and after a wonderful time at the wedding, she's certain she'll hear from Cabot again soon. But she doesn't hear a word from him until she's back in Boston and invites him to dinner. After yet another fantastic time together, she's once again optimistic—and once again disappointed when she gets nothing but silence from him. Cabot has his reasons for keeping his distance. After his former wife took off with their baby daughter, he spent twenty-five years looking for Mia, who suddenly reappeared in his life as a grown woman with a new husband. He's never been happier than since Mia returned, but those twenty-five years of searching left him with a deep well of bitterness that a sweet woman like Izzie doesn't need in her life. Until Izzy is seriously injured in a car accident, and all bets are off. Bitterness aside, Cabot can think of only getting to her as soon as he possibly can—and staying with her for as long as she'll have him. Now Izzy and Cabot are hunkered down in her cozy home in Vermont, and things are starting to get real. They'll both have to decide if their time together is a temporary interlude or the start of something lasting.

It's Only Love - Marie Force 2015-11-03

It all starts with a kiss in this Green Mountain Romance from the New York Times bestselling author of *And I Love Her*. Ella Abbott has long been secretly in love with Gavin Guthrie. A few recent encounters have only added to her infatuation, especially the kiss they shared at her sister's wedding. It doesn't matter to Ella that Gavin is in a bad place. He says there's no hope for a future with him, that he has nothing to offer her. But all Ella cares about is the love she feels. It's been seven long years since Gavin lost his brother. He'd kept himself under control and moving forward until his brother's beloved dog died and his brother's widow re-married. Since then, he's been drinking, fighting, and even getting arrested. It seems the only time his demons leave him alone is when Ella is around. Gavin knows it wouldn't be fair to drag Ella into his darkness, but when she inserts herself into his life, what choice does he have but to allow her to soothe his aching heart?

Breaking Him - R.K. Lilley 2015-10-13

From internationally bestselling author R.K. Lilley comes a scorching new series with melt-the-pages tension and all-consuming angst. It's love, it's war and it's Scarlett and Dante's story. Scarlett It was the kind of relationship where I invested more than I had to spare. I gave it everything. And so when it failed, I lost myself. It changed me. He changed me. I went down with the ship. My soul, burnt embers in the aftermath. The fire of him ravaged it all. He burned me. Broke me. Scarlett had always dreamed big. She was headed straight for Hollywood. Destined for silver screen greatness. But in her wildest dreams she never imagined she'd be broke and single at twenty-eight, doling drinks at thirty-five thousand feet. She was a glorified waitress in the skies. It had been years since she'd seen him. But one day, there he sat, gazing intently at her, ready to set everything ablaze once more. Dante wanted her. Again. Sure, she'd play along...but this time, it was his turn. She was breaking him. After all, love is war. ----- Book one in the Love is War duet.

Breaking Her - R.K. Lilley 2016-03-28

From internationally bestselling author R.K. Lilley comes a scorching new series with melt-the-pages tension and all-consuming angst. It's love, it's war and it's Scarlett and Dante's story. DESTRUCTION. BETRAYAL. RUINATION. TRUE LOVE. Breaking Her Book Two in the Love is War Duet. This is the conclusion of Scarlett and Dante's story. SCARLETT He had done it again. Ravaged me. Burned me. Broken me. Given me air, only to leave me gasping, writhing. But then something changed. Something that terrified and excited me both. Something that utterly destroyed me. Something that made me whole again. DANTE Our love was cursed from the start. She didn't know it but I did. All she knew was that I'd lied to her, betrayed her. Done unforgivable things. Unavoidable things. Yes, I had broken promises as surely as I had broken her heart. But, just as every war has casualties, and every lie has consequences—every bastard has his reasons.

After all, her siblings all found their soulmates, so she's optimistic her prince charming will come along too ... eventually. In the meantime, she focuses on her job and her volunteering--which brings her face to face with one of Hollywood's hottest A-listers. When Alexander Westbrook flashes America's favorite panty-melting smile, Summer's entire body responds. When she asks him to get involved in the community where she volunteers, Summer is shocked that the Hollywood heartthrob agrees right away. Two weeks working side by side with the world's sexiest guy, and the game is on. Far from the public eye, Summer discovers she likes the real Alex even more than his on-screen persona. Secret kisses and whispered conversations spark a fire in her that nothing can extinguish. If only his life wasn't splashed all over the tabloids? Alex can't keep his eyes--or his hands--off of Summer. But she's too sweet, and too damn lovely to be swept up in his Hollywood drama. As Dust Dances - Samantha Young 2018-07-16

The New York Times Bestselling author of the On Dublin Street series and Play On returns to the world of the arts in this intense and emotional standalone romance about love, sacrifice, and surviving both. Once upon a time Skylar Finch was the lead singer of a hugely successful American pop-rock band. But fame made her miserable. When years of living a lie suddenly ended in tragedy, Skylar fell off the map. Eighteen months later she's sleeping in a tent in a cemetery in Glasgow, making just enough money to eat by busking on the streets. She manages to avoid recognition, but not the attention of one of Glasgow's ambitious A&R executives. Killian O'Dea works at Skyscraper Records, Scotland's most successful record label. Raised by his uncle and owner of the label, Killian's upbringing would have been devoid of affection entirely if it

wasn't for his loving sister. Killian is unflinchingly determined to bring the label more success than ever, and the young homeless woman who busks on Buchanan Street is going to help him do that. Her music speaks to him in a way he refuses to over-analyze. All he knows is that if it can touch his dark soul, it'll set everyone else's alight. Skylar makes it clear that she doesn't want to sign with him. But when she experiences the dangerous reality of a woman sleeping rough, Skylar has no one else but Killian to turn to. An undeniable connection forms between them. But Skylar doesn't want the career Killian is trying to forge for her, and when her past comes back to haunt her Killian will be faced with a decision that could ruin him. He must either free Skylar from his selfish machinations and destroy everything he's ever worked for, or lose a woman who has come to mean more to him than he ever thought possible.

This Side of the Grave - Jeaniene Frost 2011-02-22

Danger waits on both sides of the grave. Half-vampire Cat Crawfield and her vampire husband Bones have fought for their lives, as well as for their relationship. But just when they've triumphed over the latest battle, Cat's new and unexpected abilities threaten to upset a long-standing balance . . . With the mysterious disappearance of vampires, rumors abound that a species war is brewing. A zealot is inciting tensions between the vampires and ghouls, and if these two powerful groups clash, innocent mortals could become collateral damage. Now Cat and Bones are forced to seek help from a dangerous "ally"—the ghoul queen of New Orleans herself. But the price of her assistance may prove more treacherous than even the threat of a supernatural war . . . to say nothing of the repercussions Cat never imagined.

The Wager - Rachel Van Dyken 2013-10-01

From the author of the #1 New York Times bestseller, *The Bet* *The Wager* Lose a bet, lose your heart... What is it about a junior-high crush that can send an otherwise intelligent woman into a tailspin? TV reporter Char Lynn wishes she knew. Jake Titus is too rich, too handsome, too arrogant: a trifecta that once lured Char into the best night-and worst morning-after-of her life. Now they've been thrown together in a wedding party. It's awkward, but survivable . . . until Jake stops acting like a jerk, and starts acting like the man she'd always hoped he could be. If watching your brother marry your best friend is weird, being attracted to your best friend's other best friend is downright bizarre. Unfortunately for Jake, Char hasn't forgotten how he once tossed her aside. Worse still, Jake's already-nutty grandma is even crazier about Char. Cue meet-cute shenanigans and all manner of meddling, and somehow, Jake's falling. For Char. Now all he has to do is make her believe it . . .
